GREETINGS TO ALL PERIANESTHESIA NURSES!

We have all taken opportunities to have foresight vision and fulfill our dreams. As the time comes upon us for the cold winter, possible snow, and warm reads by the chimney fire, it is time to increase your awareness and knowledge within your perianesthesia specialty. We will then continue on as spring will soon remind you to “bloom where you are planted” and expand your educational knowledge as we notice a beautiful array of flowers blooming.

ASPAN's Winter/Spring seminar series for 2024 offers educational programs that are specifically designed to meet the needs of perianesthesia nurses from novice to expert. ASPAN is the premier resource for perianesthesia education. Every program is accredited through the ASPAN ANCC-COA Accredited Provider Unit which provides the opportunities to gain new knowledge driven by your requests and input.

ASPAN's web-based learning platforms meet your educational needs with programs tailored to your preferred learning style. Perianesthesia nurses are engaged in fast-paced lifestyles and busy schedules that need a sense of **belonging**. From webcasts to full-day seminars, ASPAN has programs that fit your way of life and your needs to help empower your **innovation**. ASPAN's programs are peer-reviewed and delivered by highly qualified, nationally recognized ASPAN speakers. We encourage all lifelong learners to take advantage of these incredible educational sessions that are sure to offer you educational **solutions**.

I invite you to fulfill your dreams with foresight vision in a world where you belong, are innovative, and find solutions during your educational journey.

Sincerely,

A handwritten signature in black ink that reads "Dr. Alphonzo Cortez Baker Sr.".
