A Competency Based Orientation and Credentialing Program for the Registered Nurse Caring for the Pediatric Patient in the Perianesthesia Setting (CBO) 2016 edition

Copyright © 2016. ASPAN. All rights reserved. Reproduction or transmission of the materials by any means, electronic, mechanical, or otherwise, in whole or in part, without the prior written consent of the copyright holder (ASPAN) is a violation of copyright law.

All material in the 2016 Pediatric CBO book is, unless otherwise stated, the property of ASPAN. Copyright and other intellectual property laws protect these materials.

Users may not distribute copies to others, other than as listed below, whether or not in electronic form, whether or not for a fee or other consideration, without prior written consent of the copyright holder of the materials.

The Pediatric CBO book’s three-hole punched pages of tests and competency grids were designed to be placed into any binder for individual use, allowing the user to add information pertinent to the perianesthesia nursing unit and copies to be made for use within the user’s hospital/facility only.

To propose the use of the Pediatric CBO in any other format, please e-mail ASPAN and explain in detail how the materials requested for reprinting/reproduction will be used.
