New to the ASPAN Education Seminar Series is **ASPAN Select.** ASPAN Select allows components, component districts and component chapters to show one to three pre-recorded modules during their meeting or conference. (At this time only these entities can request ASPAN Select Seminars. All requests must be done through the main component president; not the district or chapter president.)

Components registering to use ASPAN Select will receive ten percent of the net income generated. Reimbursement occurs after the seminar and the money is sent to the component president.

The ASPAN Select request form is on the next page. Once completed, return the form to your component president to forward to the National Office. Months for scheduling and deadlines are below:

<table>
<thead>
<tr>
<th>Month of seminar</th>
<th>Deadline for request</th>
</tr>
</thead>
<tbody>
<tr>
<td>July – December</td>
<td>February 15th</td>
</tr>
<tr>
<td>January – June</td>
<td>July 15th</td>
</tr>
</tbody>
</table>

***ASPAN has blackout dates that fall around National Conference – 4 weeks before and 3 weeks after conference. ASPAN Select cannot be scheduled between **March 28 and May 23** for 2020.***

The person named as host/hostess of the **ASPAN Select Seminar** will be the primary point of contact for this seminar. A security deposit of $100 is required and will be refunded once the flash drive/video is returned to ASPAN following the seminar. You will be contacted to provide the credit card information.

Once the **ASPAN Select Seminar** is scheduled, the event must be advertised at the component level (e.g., via their website, emails and social media), using the ASPAN provided flyer only. It will also be advertised on the ASPAN website. Participants will register through ASPAN.

The host will indicate the maximum seating available for the venue and that will be the maximum number of registrations allowed. **A minimum of 5 attendees is required** to insure a successful program. Any seminar that does not meet the minimum of 5 attendees by one week prior to the event will be cancelled. Registration for this program is offered on a first come, first served basis (if your seating is limited, encourage attendees to register early). Registration to attend will close 3 business days before the seminar, unless otherwise indicated. On site registrations cannot be accepted.

- **Please note** – the following are **never** permitted at an ASPAN Seminar: Commercial Support, Exhibits, Raffles, Sales, Silent Auctions, Food, etc.
- Audio taping or video taping of any portion of an ASPAN program is **strictly prohibited.**

The individual who is hosting the seminar will be responsible for arranging and all costs associated with:

1. All on-site logistics such as meeting room booking, laptop, LCD projector, screen, speakers for the computer and/or sound for the room when necessary (expenses to component).
2. A flash drive with the video recording(s) will be mailed to the host.
3. At the seminar, the host will present the video(s) for the participants.
4. Following the **ASPAN Select Seminar**, the participants will log into the ASPAN website, complete the online evaluation and receive their contact hour certificate.
5. The flash drive will be returned to ASPAN, within one week, and the security deposit will be refunded.
ASPAN Select Seminar
“Pick 1” (1 video)
Member Registration Fee = $15
Non-Member = $40

ASPAN Select Seminar
“Pick 2” (2 videos)
Member Registration Fee = $23
Non-Member = $62

ASPAN Select Seminar
“Pick 3” (3 videos)
Member Registration Fee = $32
Non-Member = $85

On Demand Taped Topics Available for ASPAN Select Seminars Include:
(B = Basic, I = Intermediate, A = Advance)

Adult Respiratory Distress Syndrome: Is Your Patient Drowning?
• This module includes patient care priorities for the patient with Adult Respiratory Distress Syndrome.

Anesthetic Agents and Techniques
• This module includes anesthesia techniques and commonly used anesthetic agents.

ASPN Standards
• This module includes the ASPAN perianesthesia standards, practice recommendations, position statements and their application to practice.

Caring for Patients with Post-Traumatic Stress Disorder (PTSD) / Post-Traumatic Stress Syndrome (PTSS)
• This module includes the etiology, risk factors, incidence, signs & symptoms, and treatment for PTSD/PTSS

Caring for the Obstetrical Patient
• This module includes patient care priorities for the obstetrical patient.

Crucial Conversations: Communication that Matters
• This module includes strategies for to handle crucial conversations in stressful situations.

Enhanced Recovery: Not Just PeriAnesthesia Care on Steroids
• This module includes the importance of enhanced recovery and the role of the perianesthesia nurse.

Evidence Based Practice (EBP)
• This module includes the process to complete an evidence-based practice project and the various models for EBP.

Fluids: Do You Know What You Are Hanging and Why?
• This module includes the concepts of fluid distribution and the differences in IV fluids.

Investigative Reporter, Detective, Nurse: There’s Always a Story in Preop!
• This module includes preanesthesia assessment and preoperative patient education

Is This Patient Ready for Discharge?
• This module includes assessment, documentation and the priorities for preparing the patient for discharge.

Meeting the Perianesthesia Care Needs of the Parkinson’s Disease Patient
• This module includes patient care priorities for the Parkinson’s patient.

Multimodal Pain Management Therapy and Adjuvants
• This module includes the mechanism of nociception and multimodal therapy as well as opioids and adjuvants used in multimodal therapy.

Nerve Blocks: What You Should Know to Protect Your Patients
• This module includes various nerve blocks and patient specific care

Orthopaedics: From Preparation to Discharge!
• This module includes preprocedural assessment, intraoperative positioning, possible complications & interventions and patient teaching.

PACU Assessment and Discharge Criteria
• This module includes the critical components of Phase I assessment, documentation and discharge criteria.

Potential Complications and Emergencies After Anesthesia
• This module includes potential complications and emergencies after anesthesia
Preanesthesia and Preoperative Assessment
- This module includes the priorities of preanesthesia screening and assessment.

Special Populations
- This module includes special anatomical and physiological considerations unique to the pediatric, geriatric and pregnant patient.

Ultra Rapid Metabolizers: What PACU Nurses Need to Know About Drug Metabolism
- This module includes adverse drug reactions, pharmacogenetics and the principles of ultra-rapid metabolizers.

When Appearances Deceive: The Changing Face of Heart Failure
- This module included the care priorities for the heart failure patient.

More Topics Will Be Added in the Future!!!

Accreditation

American Society of PeriAnesthesia Nurses, (ASPN) is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Association Credentialing Center’s Commission on Accreditation.

Provider approved by the California Board of Registered Nursing, Provider Number CEP5197, for ___ contact hours. (The number of contact hours will depend on the ASPAN Select Video selected.)

Additional provider numbers: Alabama ABNP0074.

Contact Hours
Each registered nurse participant will receive contact hours for each seminar successfully completed.

Verification of Participation
Verification of your participation in this program is done by having you register for the program through the ASPAN website and check in at the registration desk on the day of the program.

Requirements for Successful Completion
To successfully complete this program, you must attend the program in its entirety, achieve a 100% on the post test, and complete the online evaluation prior to the deadline.

Disclosure Statement
All planners and presenters at continuing nursing education activities are required to disclose to the audience any significant financial relationships with the manufacturer(s) of any commercial products, goods, or services. Such disclosures will be provided in the participant required handout.
