The ASPAN Seminars continue to meet the educational needs of nurses in all phases of perianesthesia care. ASPAN continues to offer a variety of seminars around the country. Each all-day seminar provides 7.25 contact hours, and runs from 8:00 AM to 4:55 PM with time for lunch, breaks and evaluations. The seminars are presented by our well known national speakers.

**Our Current ASPAN Seminar Educational Offerings include:**

- Advanced Patient Safety: New Approaches and Directions
- Foundations of Perianesthesia Practice
- Pain Management in the Perianesthesia and Critical Care Settings
- Pediatrics: Beyond the Basics
- Pediatrics: Little Bodies, Big Differences
- Perianesthesia Certification Review
- Perianesthesia Pathophysiology & Assessment: A Systems Approach
- Perianesthesia Standards and Implications for Practice
- Refreshing Your Perianesthesia Practice
- Safety Begins With Us
- Surrounding Your Practice With Excellence: Legal Issues, Standards & Advocacy

**Accreditation**

American Society of PeriAnesthesia Nurses, (ASPN) is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Association Credentialing Center’s Commission on Accreditation.

Provider approved by the California Board of Registered Nursing, Provider Number CEP5197, for 7.25 contact hours.

Additional provider numbers: Alabama ABNP0074.

**Contact Hours**

*Each registered nurse participant will receive 7.25 contact hours for each seminar successfully completed.*
ASPAN Seminars

The ASPAN ANCC-COA Accredited Provider Unit determines seminar sites, topics, and dates with input from Component Leaders and ASPAN members.

- The ASPAN Seminar Meeting Manager makes all hotel and meeting arrangements, however, if a medical facility is being utilized, we ask that you make the initial arrangements. Please be sure that your facility is able to accommodate at least 50 people with the required equipment to run the seminar, including Wi-Fi (for speaker only).

- **Components:** A **maximum** of two seminars may be requested from each component per season. **All requests must be for a city that is an airport hub.** The location for the seminar must be **within 30 minutes** of the airport. It is now **mandatory** that all requests come from the **component president.** Please coordinate and plan with your component president so they can make your request. Requests are based on the need for education.

- **Facilities: All requests must be for a city that is an airport hub.** The location for the seminar must be **within 30 minutes** of the airport. The seminar requested cannot conflict with any component offering or other ASPAN Seminar.

- You may request a specific speaker but your request is not guaranteed. The ANCC-COA Accredited Provider Unit selects, contacts and confirms all speakers.

- ASPAN takes care of all logistics and expenses for each seminar. There are no financial commitments for the requesting entity. The requesting entity does not receive any profit from the seminar. Please note – if your seminar is to be held at a hotel, ALL arrangements must go through ASPAN. There is no reason for you to contact the hotel directly.

- ASPAN does suggest that you know the educational needs of your colleagues. A **minimum of 20 attendees is required to insure a successful program.** Any seminar that cannot meet this requirement will be cancelled.

- A brochure is developed by the ASPAN National Office advertising each set of seminars. In addition to emailing this brochure to 15,000 ASPAN members, it is also emailed nationally to hospital nursing managers and ambulatory surgery centers, along with other nursing professionals.

- Promotional flyers for each planned seminar will be developed by the ASPAN National Office for distribution to local facilities by the seminar contact person (host/hostess). A successful seminar is dependent on the local host/hostess and component to promote and advertise.

- Registrations are processed through the ASPAN National Office. **As per ASPAN’s “Going Green” initiative, the National Office will no longer provide printed handouts.** The registration confirmation email sent following online, fax, or mail registrations will direct attendees to ASPAN Learn where the handout may be downloaded or saved to your computer. This direction will also be on the emailed receipt of payment.

- ASPAN will provide the required handout, online evaluations and the continuing nursing education contact hour certificates (online). All of our full-day seminar programs provide 7.25 contact hours. Evaluations will be processed by the ASPAN National Office and the results sent to the ANCC-COA Accredited Provider Unit to provide feedback from the program.

- **Please note** – the following are **never** permitted at an ASPAN Seminar: Commercial Support, Exhibits, Raffles, Sales, Silent Auctions, Food, etc.

- Audio taping or video taping of any portion of an ASPAN program is **strictly prohibited.**

Your responsibilities for ASPAN Seminars include:

- Promoting the seminars locally
- Providing a liaison (host/hostess) for the seminar (only one host/hostess is necessary/accepted)
  
  This host/hostess will handle registration on the day of the seminar, moderate for the speaker and distribute the required handout. The liaison receives complimentary registration to the seminar and is recognized during the ASPAN National Conference as a Host/Hostess. This registration is **not transferable.**
General Information

- Registration begins at 7:30 AM; Seminars begin at 8:00 AM and end at 4:55 PM.
- Morning coffee/tea service will be available.
- Lunch is not provided by ASPAN. Attendees are responsible for their own meals. Every effort is made to select hotels that have affordable lunch facilities in the hotel or within close proximity of the seminar.
- Attendance verification is required before access to the online evaluations and certificates is granted. Access will be granted the first business day after the seminar, pending return of the sign in sheet from the host/hostess. It is required that the host/hostess scan and email the sign in sheet immediately following the seminar. Instructions will be provided directly to the host/hostess.

The ASPAN Seminars provide excellent educational opportunities for perianesthesia nurses. If you are interested in having an ASPAN Seminar in your area, please complete the form located in this pamphlet and return it to the ASPAN National Office.

Due to the large volume of seminars requested, we must adhere to the following deadline for requesting a seminar in your area:

| February 15th for Summer/Fall Seminars (July through December) |

***We will not contact a speaker or begin the planning process until the proper form is received in the National Office.***

Registration Fees and Information

Please note that registration cannot be accepted or processed unless accompanied by appropriate tuition payment. ASPAN will not reserve seats for registrations received without payment.

Certification Discount
ASPAN members with certification (CAPA®/CPAN®) may deduct $5.00 from the registration fee with certificate number.

Group Discount
If four or more registrations are received at the same time (mail or fax only), each registrant receives a $10.00 discount. This discount does not apply to the student rate.

ASPN – The Source for Perianesthesia Education
Complimentary Registrations
Only the seminar liaison and speaker will receive complimentary registration.

Cancellation Policy
- Full refund upon receipt of documented notice of cancellation postmarked 30 days or more preceding seminar date. An administrative fee of 20% will be charged for any cancellation postmarked 29 days or less preceding one week of the seminar date. Please note that seminars cancelled within one week or less of the seminar date will not be eligible for a refund. This cancellation policy applies regardless of when you register. Refund will be determined by the date notice is received in the ASPAN National Office in Cherry Hill, NJ.
- ASPAN Reserves the right to substitute speakers if necessary.
- ASPAN reserves the right to cancel seminar(s) due to insufficient enrollment or any unforeseen circumstances. All fees will be fully refunded.

Seminar Offerings

Advanced Patient Safety: New Approaches and Directions

Topics Include:
- Systems Thinking and Medical Errors
- Safety Principles, Taxonomy and Toolkits for Quality Improvement
- Safety Culture & Accountability
- Benchmarking and Quality Measures
- Staff Engagement, Communication and Teamwork
- Future Recommendations

Outcome:
To enable the nurse to increase knowledge on safety principles, benchmarking and quality measures

Overall Program Objective:
Discuss safety strategies for the perianesthesia setting

Target Audience:
All perianesthesia nurses

Foundations of Perianesthesia Practice

Program Topics:
- Preanesthesia and Preoperative Assessment
- Anesthetic Agents and Techniques
- Potential Complications and Emergencies After Anesthesia
- PACU Assessment and Discharge Criteria
- ASPAN Standards

Outcome:
To enable the nurse to increase knowledge on the care of the perianesthesia patient

Overall Program Objective:
Review foundational topics essential for all levels of nurses in the perianesthesia setting

Target Audience:
All perianesthesia nurses

ASPA – The Source for Perianesthesia Education
Seminar Offerings (Continued)

Pain Management in the Perianesthesia and Critical Care Settings

Program Topics:
- Pain Overview
- Acute Pain Management
- Chronic Pain Management
- Pediatric Pain Management
- Special Considerations in Pain Management
- Integrative Therapies in the Perianesthesia Setting
- ASPAN and National Standards Related to Pain Management

Target Audience:
All perianesthesia nurses

Outcome:
To enable the nurse to increase knowledge in pain and comfort management for the perianesthesia patient

Overall Program Objective:
Discuss current topics in pain management

Pediatrics: Beyond the Basics

Topics Include:
- Pediatric Anesthesia
- Erickson and Piaget: They Really Did Know What They Were Talking About
- Pediatric Conditions and Diagnoses That Impact Patient Care
- Protecting the Pediatric Patient
- Consents and Other Issues
- ASPAN Standards and the Pediatric Patient

Target Audience:
All perianesthesia nurses

Outcome:
To enable the nurse to increase knowledge on the complex care of the pediatric perianesthesia patient

Overall Program Objective:
Discuss complex topics for the pediatric patient in the perianesthesia setting

Pediatrics: Little Bodies, Big Differences

Topics Include:
- Preanesthesia and Preoperative Assessment
- Anatomy and Physiology - Special Needs of Pediatric Patients
- Procedural Sedation
- Pediatric Anesthesia
- Postanesthesia Complications
- Postanesthesia Care – Phase I Through Phase II
- Fluid Management

Target Audience:
All perianesthesia nurses

Outcome:
To enable the nurse to increase knowledge in the care of the pediatric perianesthesia patient

Overall Program Objective:
Discuss age-specific care for the pediatric perianesthesia patient
Seminar Offerings (Continued)

Perianesthesia Certification Review

**Topics Include:**
- Overview of the Perianesthesia Certification Exams
- Anesthetic Agents and Techniques
- Special Populations
- ASPAN Standards
- Clinical Judgement in Perianesthesia Nursing
- Test Taking Tips

**Outcome:**
To enable the nurse to demonstrate knowledge and effective test taking techniques by success on the perianesthesia certification exam

**Overall Program Objective:**
Discuss key topics essential for preparation for both perianesthesia certification exams

**Target Audience:**
All perianesthesia nurses

Perianesthesia Pathophysiology & Assessment: A Systems Approach

**Topics Include:**
- Gastrointestinal Pathophysiology and Assessment
- Renal Pathophysiology and Assessment
- Neurologic Pathophysiology and Assessment
- Pulmonary Pathophysiology and Assessment
- Cardiovascular Pathophysiology and Assessment
- Endocrine Pathophysiology and Assessment

**Outcome:**
To enable the nurse to increase knowledge in pathophysiology and assessment of the perianesthesia patient

**Overall Program Objective:**
Review key components of system specific pathophysiology and assessment for the perianesthesia patient

**Target Audience:**
All perianesthesia nurses

Perianesthesia Standards and Implications for Practice

**Topics Include:**
- ASPAN Standards
- Patient Classification
- Assessment, Documentation and Equipment
- Competencies for Nurses and Unlicensed Assistive Personnel
- Position Statement: Substance Abuse
- Practice Recommendation: Unwanted Sedation

**Outcome:**
To enable the nurse to increase knowledge of the ASPAN standards and how to implement those standards in every day practice

**Overall Program Objective:**
Discuss the ASPAN Standards and the implications for the perianesthesia nurse

**Target Audience:**
All perianesthesia nurses

ASPN – The Source for Perianesthesia Education
Refresh Your Perianesthesia Practice

**Topics Include:**
- Exploring Orthopaedic Surgery
- Neurological Issues in Perianesthesia Care
- Meeting the Challenge of Chronic Pain in the Perianesthesia Setting
- Best Practices
- ASPAN Standards

**Outcome:**
To enable the nurse to increase knowledge in the care of the complex perianesthesia patient

**Overall Program Objective:**
Review current complex clinical topics and their implications for perianesthesia nurses

**Target Audience:**
All perianesthesia nurses

---

Safety Begins With Us

**Topics Include:**
- Facts and Beyond
- Why Do Professionals Make Mistakes?
- Safety Culture
- Reporting and Analysis
- Medication Errors
- ASPAN Standards

**Outcome:**
To enable the nurse to increase knowledge in safety strategies for the perianesthesia setting

**Overall Program Objective:**
Discuss the elements necessary for developing a culture of safety in perianesthesia nursing

**Target Audience:**
All perianesthesia nurses

---

Surrounding Your Practice With Excellence: Legal Issues, Standards & Advocacy

**Topics Include:**
- Legal Issues and Patient Safety
- Documentation
- ASPAN Standards
- Regulatory Guidelines
- Perianesthesia Advocacy

**Outcome:**
To enable the nurse to increase knowledge on regulatory requirements for the perianesthesia setting

**Overall Program Objective:**
Discuss regulatory guidelines pertaining to perianesthesia nursing

**Target Audience:**
All perianesthesia nurses
