DETECTING GREATNESS
THE Proof IS IN OUR Practice

April 29 – May 3, 2018
Anaheim Marriott
Anaheim, California

AMERICAN SOCIETY OF PERIANESTHESIA NURSES
Representing the interests of the nation's 55,000 registered nurses practicing in preanesthesia and postanesthesia care, ambulatory surgery, and pain management
AMERICAN SOCIETY OF PERIANESTHESIA NURSES
37TH NATIONAL CONFERENCE

ASPN and the PeriAnesthesia Nurses Association of California (PANAC) give a sun splashed welcome to the 37th National Conference at the Marriott Hotel in Anaheim, California, April 29–May 3, 2018.

• Awaken your inner child at the happiest place on earth. Disneyland and California Adventure are a few minutes walk or shuttle ride. A short ride continues the adventure and thrills at other attractions including Knotts Berry Farm, Lego Land, zoos, and aquariums.

• Get your shopaholic fix at the historical center of commerce for Anaheim at the turn of the century Center Street in Downtown Anaheim. Quaintly curated shops, and artisan-inspired eateries are yours to discover unique treasures. Luxury shopping at South Coast Plaza and Fashion Island outlet shopping are just a short drive away. Several locations offer shuttle service from the resort area.

• Soak up the sun and sea on 42 miles of beaches where Beach Boys’ *Surfin’ USA* comes alive. Six beach cities are less than an hour’s drive, each offering its own unique brand of the Southern California experience: surf lessons, a romantic walk on the beach, or a nighttime bonfire cookout. Come sink your feet in the sand, dip your toes in the Pacific and enjoy the cool breezes as you walk the vibrant boardwalks of the lively beach towns.

• Sample diverse flavors of creative cuisines at an eclectic array of tantalizing, award-winning restaurants and eateries. Check out the Anaheim Packing House. Located in walking distance from Center Street Promenade in Downtown Anaheim, the Packing House is a community gathering place with more than 20 mom-and-pop restaurants and shops featuring bites from around the world, local fare, live music, foodie and gardening classes, and craft beer and specialty cocktails – all under one roof.

• Take a quick road trip to Hollywood to see iconic sites such as the Hollywood sign, Walk of Fame, and Grauman’s Chinese Theater. Slide down a glass Sky Slide 1000 feet above downtown Los Angeles. Take an esoteric tour of the funkier side of Los Angeles. Enjoy the creativity that abounds in Los Angeles by experiencing all the murals and art installations such as the chandelier tree or LACMA’s Urban Light installation.

We welcome you to the home of the happiest place on earth.

Enjoy the magic of the conference and all that sunny Anaheim California has to offer!
OUTCOME
To enable the nurse to increase knowledge on clinical practice, standards and research.

TARGET AUDIENCE
All professional nurses.

OVERALL CONFERENCE OBJECTIVE
Discuss current information on clinical practice, standards, evidence-based practice, research and new technologies that contribute to safe, quality patient care in the perianesthesia setting.

CONFERENCE EVALUATIONS AND CERTIFICATES
All conference evaluations and certificates will be completed online. Instructions will be included in your conference materials you receive onsite.

DISCLOSURE STATEMENT
All planners and presenters at nursing continuing education activities are required to disclose to the audience any significant financial relationships with the manufacturer(s) of any commercial products, goods or services. Such disclosures will be provided in the conference syllabus.

ACCREDITATION
The American Society of PeriAnesthesia Nurses (ASPN) is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation (ANCC-COA).

Additional ASPAN provider numbers: Alabama #ABNP0074; California Board of Registered Nursing Provider #CEP5197.

AUDIO OR VIDEOTAPING
Audiotaping, videotaping or picture taking of any kind (camera, cell phone, tablet, etc.) of any portion of an ASPAN program is strictly prohibited.

## 9:00 AM – 5:00 PM

**Representative Assembly**

- The Representative Assembly, facilitated by President Susan Russell, will meet for informal hearings during the morning to discuss questions, issues, and topics related to where ASPAN is today. The candidates for national office will also be presented.
- The formal session will be held in the afternoon to conduct ASPAN business and determine ASPAN’s future. Attendee participation is key! While members of the Representative Assembly are required to attend, all are welcome.

<td>(001) Learning How to Write CPAN/CAPA Examination Questions – A Workshop by ABPANC</td>
</tr>
<tr>
<td></td>
<td>Are you a CPAN and/or CAPA certified nurse? Are you interested in being a part of the CPAN/CAPA exam development process? Do you want to showcase your commitment to foster excellence in perianesthesia nursing practice while increasing your own skill-set? Attend this free workshop, earn 4 contact hours, and learn how to write quality, reliable and valid exam questions. This is your opportunity to hone your writing and critical thinking skills, and write questions that may be used on future CPAN/CAPA examinations. Previous experience with writing questions is NOT required! This workshop also provides opportunities for online mentoring, networking with colleagues from around the country regarding practice issues, and continual learning.</td>
</tr>
<tr>
<td></td>
<td><strong>Once you have completed this workshop, and the online training, you may earn up to 60 APBANC contact hours per recertification period for writing questions (2 APBANC contact hours per question). You must pre-register for this exciting workshop by emailing Philip Godlewski, ABPANC Program Associate, at <a href="mailto:abpanc@proexam.org">abpanc@proexam.org</a> or calling ABPANC directly at 800-622-7262, pressing 2. Registration is limited so please call NOW!</strong></td>
</tr>
<tr>
<td></td>
<td><strong>Please note:</strong> You must be either CPAN and/or CAPA certified to participate in this workshop. If you hold either the CPAN® or CAPA® credential and you are planning to sit for the other exam in the next 12 months, you are not permitted to participate in this workshop. In addition, anyone involved in examination review courses may not participate due to a possible conflict of interest. <strong>(DC) 4.0 contact hours</strong> Marlene Dunham MBA MA, Beverly Harrelson MSN RN CPAN, Kathleen Lombardo MS RN AOCNS CAPA, Celeste Jones-Lyon BSN MHA MBA RN FACHE CAPA, and Lynn Nolan MSN RN CPAN CAPA</td>

2018 REGISTRATION BROCHURE 7
12:00 PM – 1:30 PM
Component Presidents’ Luncheon (By Invitation Only)

4:00 PM – 5:00 PM
Host/Hostess Orientation (Repeat)

5:15 PM – 6:15 PM
First Timers Orientation

7:00 PM – 9:00 PM
Component Night 2018

Everything Hollywood!
Come on down, it’s time for everything Hollywood! The 2018 Component Night will bring loads of fun from the big and small screens. Come dressed as your favorite movie or TV personality, from John Wayne to Mickey Mouse. Take a walk on the red carpet, and get your image captured by the paparazzi. Practice your selfies so you’re ready if you see your favorite star. Component tables will feature your favorite TV game shows and you can compete to win a prize by collecting clues to solve a mystery.

This will be a Component Night to remember. With good food and a cash bar, it is a great time to have “Cheers” with “Friends.” Whether you are in your blue suede shoes or your ruby slippers, you can dance with the stars in Anaheim.

MONDAY, APRIL 30, 2018

7:00 AM – 5:30 PM
Registration Desk Open

7:00 AM – 8:00 AM
First Timers Orientation (Repeat)

7:00 AM – 8:00 AM
ASPAN Committee and Strategic Work Team (SWT) Meetings

This session allows the 2018-2019 Committee Chairs and SWT Coordinators to meet with appointed committee members. All ASPAN members assigned to committees or SWTs and attending conference are encouraged to attend.

8:00 AM – 8:30 AM
All ASPAN Specialty Practice Groups (SPG) Meetings

This session allows the 2018-2019 SPG coordinators to meet and network with their SPG members. All SPG members attending conference are encouraged to attend.

9:00 AM – 10:15 AM
Opening Ceremonies

Processional, National Anthem, Welcome, Introduction of Guests and Awards

ASPAN Presidential Address: “Detecting Greatness: The Proof Is In Our Practice”

Susan Russell BSN RN JD CPAN CAPA

10:30 AM – 12:00 AM
(002) Keynote Speaker

“Victory By Design”

This inspiring program will explore powerful concepts from Native American wisdom and how to apply them to live and work better. This session will empower attendees to better leverage critical, often overlooked, resources to create success, self-awareness and serve at our best each day.

(IC) 1.5 contact hours

12:15 PM – 2:15 PM
S(003) CPAN®/CAPA® Celebration Luncheon

Get What You Want With What You’ve Got!

Fasten your seatbelt and enjoy the ride! Christine Cashen delivers a fast-paced, hilarious program with useful content that makes her a sought after speaker worldwide. You can choose – be the fountain or the drain regarding energy! Remember, what you say comes your way! Learn how to keep up when everyone gets you down and make the 2-hour good mood commitment!

(IC).75 contact hour
Christine Cashen MAEd CSP

*Only CPAN® and CAPA® certified nurses and formerly CPAN®/CAPA® certified nurses who are retired may register for this luncheon.

1:00 PM – 2:15 PM
Concurrent Sessions

(004) A Collaborative Approach to Peri-anesthesia Safety and Patient Centered Care: The Anesthesia Safety Foundation (APSF) Safety Perspective

The mission of the Anesthesia Patient Safety Foundation (APSF) is that no harm should come to patients during the peri-anesthesia period. APSF is committed to a collaborative model that values and utilizes the contributions and expertise of all role groups in the peri-anesthesia team. The purpose of this activity is to enable the learner to understand patient safety issues for patients undergoing anesthesia, and to identify ways to enhance a collaborative approach to improving safety and achieving patient-centered goals.

(DC) 1.25 contact hours
Maria Van Pelt PhD CRNA and May Pian-Smith MD MS

(005) Clinical Practice Queries: Is It Truth or Fiction?

This session discusses the prevailing practice issues and concerns presented to the clinical practice committee. Attendees will understand how ASPAN’s Perianesthesia Nursing Standards are utilized to guide practice and how national trends determine the emphasis for future revisions.

(DC) 1.25 contact hours
Jacque Crosson MSN RN CPAN and Diane Swintek MSN RN CPAN
1:00 PM – 5:15 PM

(006) Leadership Strategies for the Changing Healthcare Environment *(seats are limited)*

Members of the perianesthesia leadership team are faced with a challenging balancing act: to meet the needs of the organization to provide safe, quality patient-family centered care while achieving organizational benchmarked metrics for productivity and budgets. This four hour leadership workshop, presented by some of the leading perianesthesia nurse-leader experts will include how to handle critical, conversations, fostering employee engagement and challenges, and strategies and processes of patients throughput.

*(IC) 4.0 contact hours*

Myrna Mamaril MS RN NEA-BC CPAN CAPA FAAN and Theresa Clifford MSN RN CPAN CAPA

2:30 PM – 4:45 PM

Concurrent Sessions

(007) I am Thirsty! Tackling a Neglected Perioperative Symptom

Thirst is the most distressful, and yet, undervalued symptom regarding the surgical patient. The perioperative thirst management system proposes actions based recent research and discoveries in sensation physiology.

*(DC) 2.0 contact hours*

Ligia Fahl Fonseca PhD

(008) Elevate Your Practice: Translate ASPAN’s Perianesthesia Nursing Standards, Practice Recommendations and Interpretive Statements into Your Working Environment

Review the evolution of ASPAN’s Standards and the process for creating new practice recommendations and/or position statements. Learn the rationale and supporting evidence that define safe patient care which includes appropriate staffing levels, transfer of care, patient management and a safe environment of care. Also included will be discussion of trended clinical practice concerns with the ASPAN Director for Clinical Practice.

*(DC) 2.0 contact hours*

Jacque Crosson MSN RN CPAN and Diane Swintek MSN RN CPAN

3:00 PM – 4:30 PM

(009) Nuts and Bolts of CPAN/CAPA Certification and Effective Test-Taking Strategies

Are you studying for the CPAN and/or CAPA certification exams? This session provides a comprehensive overview about the CPAN and CAPA examination registration, testing experience, and test blueprint, which is built on the needs of perianesthesia patients. You will also learn strategies to enhance your test-taking ability, design a study plan, use the right study references, and take advantage of ABPANC study resources.

*(IC) 1.5 contact hours*

Beverly Harrelson MSN RN CPAN, Jennifer Rice BSN RN CPAN CAPA and Cidalia Vital MS RN CNL CPAN

5:00 PM – 7:30 PM

Exhibit Grand Opening

Come and mingle with the ASPAN exhibitors. This event is open to all full conference registrants and Monday daily attendees.

6:00 PM – 7:30 PM

(010) Education Approver Secrets Unveiled: How Do You Do That Application for Contact Hours?

This session will review the current ANCC-COA requirements for nursing continuing education. The process for applying through the ASPAN approver unit for contact hours will also be presented.

*(IC) 1.5 contact hours*

Linda Wilson PhD CPAN CAPA BC CNE CHSE-A ANEF FAAN and Renee Smith BSN MS RN CPAN CAPA

6:00 PM – 7:30 PM

(011) Research Consultations: Personalized Consultations with Experienced Researchers

This session will offer personalized research consultations with experienced researchers who can continue this mentorship after the session is completed. Examples: refining research hypothesis, research design, synthesizing the evidence, IRB 101, etc. The session will have limited attendance and mentors will be selected from the research, EBP and clinical practice committees. Attendees are strongly encouraged to bring their own laptop. Seating is limited.

*(Non-contact hour session)*

Elizabeth Card MSN APRN FNP-BC CPAN CCRP and Christine Tomes MSN RN CPAN

7:00 PM – 8:15 PM

(012) Investigative Reporter, Detective and Nurse: There’s Always a Story in Preop!

Perianesthesia nurses prepare patients for surgery every day. With extensive documentation requirements and compressed time frames, they have adapted to become efficient and can expedite a patient for surgery often in as little as 30 minutes. This lecture will prepare the perianesthesia nurse to develop critical interview skills to determine quickly if a patient is optimized for surgery.

*(DC) 1.25 contact hours*

12:30 PM – 1:45 PM
(014) Elevate Perianesthesia Nursing Practice: CPAN and CAPA Certification
Are you considering certification and interested in hearing more about the advantages of being CPAN/CAPA certified? Are you a manager or director who wants to know about how perianesthesia nursing certification enhances nursing practice and improves patient outcomes? This presentation covers the advantages of being CPAN and CAPA certified from the perspective of not-yet-certified nurses, CPAN and CAPA certified nurses, managers and directors of perianesthesia units, and most of all by patients and families! Strategies for certified nurses to use to effectively promote themselves to employers, patients and families will also be identified. This is an interactive session for sharing ideas!

2:15 PM – 3:15 PM
(016) Certification Coaching: The Art of Mentorship
Do you want to learn more about inspiring excellence and developing others? Being a successful coach to certification candidates requires mentoring, communication, and leadership skills. Such skills also apply to the role that a certified nurse plays in their workplace environment. A coach, serving as a leader/mentor, can also play a vital role in encouraging not yet certified colleagues who are interested in certification to achieve their goal. The ABPANC Certification Coach Program, serves as a structured means to engage perianesthesia nurses to speak passionately about CPAN/CAPA certification.

5:15 PM – 6:30 PM
Pacesetters Reception
ASPAN President Susan Russell and Vice President/President-Elect Regina Hoefner-Notz invite the Perianesthesia Pacesetter members to attend a reception in the President’s Suite. The ASPAN leaders want to thank you for your commitment to perianesthesia nursing and your service to our professional organization. (By Invitation Only)

5:15 PM – 6:30 PM
(017) 2018 Marijuana Update
The perianesthesia nurse needs to be cognizant of the status of marijuana as it relates to medical use in the USA. This session will present the most current information as it relates to medical marijuana usage in 2018.
(DC) 1.25 contact hours
Lois Schick MN MBA RN CPAN CAPA

1:00 PM – 5:15 PM
(015) Developing Presentation Skills: How to Become a Powerful Presenter (By Invitation Only)
This invitation only workshop will prepare the novice educator on all the essentials of education including educational theories, presentation preparation, objective development, content development, ANCC operational requirements for continuing nursing education, outcome development, evaluation, presentation skills and overall program development.

ASPAN’S 37TH NATIONAL CONFERENCE

WEDNESDAY, MAY 2, 2018

6:30 AM – 8:30 AM  $ ASPAN Development Breakfast
(018) The Impact of Paying It Forward

This session will highlight the critical contributions that perianesthesia nurses make in the advancement of clinical practice, education, research and healthcare standards. The importance of the role of the nurse in this process is critical to assure the skilled care and compassion that is essential to serve our patients and colleagues. Though the dedication to our profession, we as nurses continue to pay it forward throughout our career.

7:00 PM – 9:00 PM
President’s Reception

You are all invited to join ASPAN President Susan Russell and ASPAN leaders in a celebration of the success and achievements of the past year. All conference participants are invited to attend! Enjoy a variety of music and dance the night away! Come dressed in your favorite style of "party attire." See you there!

THURSDAY, MAY 3, 2018

7:00 AM – 8:00 AM
Closing Breakfast

Open to all full conference registrants only at no additional cost. You must register on page 24. You will not be admitted without a ticket.

8:00 AM – 8:45 AM
Closing Ceremonies: Presentation of Awards

Installation of ASPAN Officers

Presidential Address: Regina Hoefner-Notz MS RN CPAN CPN

**You must register and have a closing breakfast ticket to attend

8:45 AM – 9:00 AM
Preview to 2019 Conference

9:30 AM – 11:00 AM
Closing Address

**You must register on page 24 and have a closing breakfast ticket to attend

(021) The Healing Power of Laughter, Nourishing the Nurse within You

Using twenty-five years’ experience as a standup comedian accompanied with a university minor in psychology, Diana Jordan brings a unique brand of instruction and humor. The audience will be able to describe the application of humor to life circumstances in a real life setting. They will be able to identify ways to use humor in a work setting, and will be able to discuss at least three health benefits of laughter. Put on your oxygen mask first and take care of yourself so you can take care of others. Be proactive with your own health. Finding the funny in your life to relieve stress.

Postconference Registration

12:00 PM – 4:30 PM
$ Postconference - From Novice to Expert: Experience the Joy of Perianesthesia Nursing!

A research study conducted by physicians in the 1940s concluded that postoperative mortality could be reduced by the existence of a specialized area in close proximity to the operating room staffed by specially trained nurses. Postanesthesia care units were born. This session will review the essentials of keeping our patients safe, from our initial assessment and early identification of perianesthesia/postoperative complications to management of the unstable patient. Using a case study interactive approach, attendees will participate in problem identification and management strategies of complex patients.

**TUESDAY, MAY 1, 2018**

**9:00 AM – 10:15 AM**

**#101 Bundle This!**

This session will present how implementing bundles can prevent hospital-acquired infections. It is important to start bundles in PACU to decrease the risk of infection. (IC) 1.25 contact hours

Melanie Harvey MS RN CCRN

**#201 When Appearances Deceive: The Changing Face of Heart Failure**

Heart failure is a major public health problem that affects over 26 million people worldwide and is expected to continue to increase as the population ages. This session will present the current treatment strategies for heart failure, both acute and chronic and the balancing act required for perioperative management for this complex patient population. (IC) 1.25 contact hours

Jacque Crosson MSN RN CPAN

**#301 Legal Implications of Unwanted Sedation in the PACU**

Learn about the legal implications of ASPAN's practice recommendation when patients experience unwanted sedation from opioids in the PACU or when transferred to an inpatient unit. Physiologic risk factors, pharmacodynamics of opioids, surgical procedures, and other predictors that influence unwanted sedation will be discussed. (DC) 1.25 contact hours

Myra Mamaril MS NEA-BC CPAN CAPA FAAN

**#401 Maximizing Safety in Pediatric Intestinal Failure Patients with Central Lines and Total Parenteral Nutrition (TPN) in the Perioperative Environment**

This session will review the causes and consequences of central line care in the pediatric patient. TPN and surgical/procedural patient and their care for the care of the patient in the perianesthesia period after monitored anesthesia care (MAC). Information will be presented such as when this technique is used, patient selection, medications used and patient care priorities for the care of the patient in the perianesthesia period after monitored anesthesia care. (DC) 1.25 contact hours

Nancy Strzyzewski MSN RN CPAN CAPA

**#501 The Lean Mean PAT Machine: A Journey Towards Collaborative Patient Centered Care**

This session will present the Procedure Readiness Evaluation and Preparation Center (PREP Center) within the Division of Perioperative Services in achieving multi-disciplinary success (as measured in improved processes and patient flow) in meeting the needs of the patient who has a planned surgical procedure prior to the day of surgery patient in a tertiary academic medical center in Baltimore, Maryland. (IC) 1.25 contact hours

David Keeler RN BSN CPN, Kyle Hampson PharmD CNSC and Joel Lim MD

**#601 Electronic Medical Record Certification and Usability Requirements**

This session presents the concepts of certification and usability as they relate to the use of electronic medical records (EMR). In addition, government mandates as they relate to EMR usability and multiple techniques for assessing nursing usability of electronic medical records will be presented. (IC) 1.25 contact hours

Frank Lyerla PhD RN

---

**10:30 AM - 11:45 AM**

**#102 Just What is Monitored Anesthesia Care?**

This session will present the anesthesia technique monitored anesthesia care (MAC). Information will be presented such as when this technique is used, patient selection, medications used and patient care priorities for the care of the patient in the perianesthesia period after monitored anesthesia care. (DC) 1.25 contact hours

Nancy Strzyzewski MSN RN CPAN CAPA

**#202 The Battle for Safe Staffing: Will Finance Ever Understand?**

This session presents the complexities involved in staffing for Phase I postanesthesia patients and the challenges involved in meeting the needs of patient acuity to maintain patient safety. Knowledge of the critical elements of staffing as written in ASPAN's 2017-2018 Peri anesthesia Nursing Standards, Practice Recommendations and Interpretive Statements and staff flexibility are two strategies for survival. (IC) 1.25 contact hours

Jacque Crosson MSN RN CPAN

**#302 Legal Issues Associated with Nursing Documentation and Communication: Minimizing the Risk of Litigation**

This session will present the litigation process, and nursing communication and documentation systems. The focus will then switch to litigation case studies (related to documentation and communication) where nurses were charged with malpractice. The lecture will conclude with strategies nurses can take to minimize the risk of being found guilty in a court of law. (IC) 1.25 contact hours

Frank Lyerla PhD RN

**#402 Perioperative Nursing of Pediatric Patients in an Adult Hospital**

This session presents the current state of the art of the pediatric surgical/procedural patient and highlights the challenges and pitfalls of providing such care in an adult hospital. The American College of Surgeons' recent recommendations and credentialing process for surgical units caring for children will be addressed. In addition, current controversies in pediatric anesthesia and postoperative care will be presented. (IC) 1.25 contact hours

Johanna Schwarzenberger MD

**#502 The Impact of a Behavioral Intervention on Patient and Family Experience Scores in the Pediatric Outpatient Surgical Setting**

This session will present preliminary data on an interrupted time series study on the development, formative evaluation, and implementation of a healthcare provider behavioral intervention to improve patient engagement scores in the pediatric outpatient surgical setting. (IC) 1.25 contact hours

Juleah Walsh MSN PCNS-BC CPAN and Jennifer Hayskawa DNP PCNS-BC CCRN CNRN

**#602 Work Life Balance: Through the Eyes of Millennials**

Are you feeling burned out? Do you feel that work doesn't bring you the joy it used to do? Nurses are constantly taking care of others, patients, families, doctors, and coworkers. But do you remember to take care of yourself? This session will give nurses a different view point to be used on a daily basis to prevent burnout and find activities that each individual will enjoy. (IC) 1.25 contact hours

Sarah Hessling BSN RN CPAN
2:15 PM – 3:30 PM
#103 What is Carbohydrate Loading and Why is it Beneficial?
This session will present carbohydrate loading and the benefits it provides patients undergoing surgical procedures. Evidence-based data and the process of implementing carb loading for all elective surgical cases will be presented.

(DC) 1.25 contact hours
Susana Dominguez BSN RN CMSN, Michael Kahler BSN RN CNOR, Trina Mora BSN RN CPAN CAPA and Hallie Hart BSN RN

#203 What’s New with Neuromuscular Blockade Reversal?
This session presents the latest evidence about the traditional pharmacological agents used to reverse nondepolarizing muscle relaxants. New reversal agents will also be presented.

(DC) 1.25 contact hours
Jackie Knauff BSN RN CAPA

#303 Pediatric Patients and the Culture Safety: See Something, Say Something
This educational lecture will provide information to perianesthesia nurses on the culture of safety. Pediatric patients undergoing surgical intervention are particularly vulnerable to adverse events. It is imperative that nurses embrace initiatives aimed at preventing harm to patients and, when they notice a breach in patient safety, they feel empowered to speak up.

(DC) 1.25 contact hours
Michelle Levy MSN RN CPN and Megan Sumser BSN RN CPN

#403 Perioperative Mangement of Patients with a Substance Abuse Problem or Opioid Antagonist Therapy
This session will present information regarding possible perioperative complications that may occur with patients who have recreational drugs or opioid antagonists in their system. It will include how to identify patients who are at risk, and will describe a protocol to manage their care.

(DC) 1.25 contact hours
Jacqueline Knauft BSN RN CAPA

#503 Creating a Strategic Plan for Perioperative Pressure Ulcer/Iergy PPU Prevention
Risk of pressure ulcer/injury (PU/I) during the perioperative period is a patient safety issue that has increased over the past five years. Significant gaps in knowledge, skills, and practice across all phases of care from the emergency department to the operating room and beyond, must be addressed to reduce patient harm that can lead to complications, disfigurement, disability, and death. This presentation will present how to develop a clinical improvement strategy for reducing hospital acquired pressure ulcer/injury (HAPU/I) in surgical patients.

(DC) 1.25 contact hours
Susan Scott MSN RN WOC

#603 Incivility and Bullying in Perioperative Services
This session presents the incidence of incivility and bullying specific to perioperative services along with the signs of incivility and bullying. The difference between incivility and bullying as well as causes and potential solutions will be presented.

(IC) 1.25 contact hours
Veronica Petersen MSN RN NE-BC CNOR

3:45 PM – 5:00 PM
#104 Pain Management Challenges
Managing pain in the inpatient setting is an increasingly complex process. New pain management modalities and increasing concern over opioid administration have led to careful evaluation of traditional pain management approaches. This session will present the current challenges in pain management including chronic pain, vulnerable populations and reimbursement concerns. Recent publications, standards and position on pain management from healthcare organizations will also be presented.

(DC) 1.25 contact hours
Karen Tomajan MS RN NEA-BC

#204 Hip Fracture: A Death Sentence or Is It?
This session will present the vulnerability of the hip fracture population and what leads to high mortality rates. An algorithmic approach to managing hip fractures, resulting in reduced complications and ultimately reduced risk of mortality, will also be presented.

(DC) 1.25 contact hours
Cathy Tran MD CNS RN

#304 Handoff: Not the Time to Fumble in Healthcare
This session presents the importance for the perianesthesia nurse to provide a complete handoff with timely accurate information. Tools that can be used for timely, concise, accurate handoffs will also be presented.

(IC) 1.25 contact hours
Lois Schick MN MBA RN CPAN

#404 Tired of Versed? Try an iPad. A Multidisciplinary Approach to the Use of Distraction in Pediatric Perioperative Anxiety
This session will present a quantitative research study that was conducted by frontline nurses comparing the impact of iPad mini distraction versus oral Versed in reducing perioperative anxiety in the pediatric population. A multidisciplinary approach was used with anesthesia, child life, frontline nurses, and parents to examine how preoperative experiences for patients and families could be improved and anxiety reduced in pediatric surgical patients.

(DC) 1.25 contact hours
Rebecca Severnak RN, Chandra Beals MD, Natalie Shanklin BS CCSN and Renee Longoria

#504 Venous Thromboembolism and Surgical Patients
This session presents postoperative venous thromboembolism (VTE) and how nursing can positively impact the rate of VTE. This session will showcase the implementation of a nurse-driven process improvement that successfully reduced VTE by over 40%.

(DC) 1.25 contact hours
Sarah Sunderland BSN RN CPAN, Christina Pierce BSN RN CPAN and Samantha Zych MSN RN

#604 Cultural Competencies in the Perioperative Setting
Cultural competence is a major focus in healthcare today. This session presents how caregivers use cultural competence in caring for transgender patients, and patients with ethnic and racial disparities in the perioperative setting.

(DC) 1.25 contact hours
Kristen Vargo MSN RN NE-BC and Donna Voldan BSN RN CAPA
**WEDNESDAY, MAY 2, 2018**

**9:00 AM – 10:15 AM**

**#105 Research Ethics, Regulations and Considerations for Special Populations**

The federal codes of regulations that guide research ethics are dynamic and continually updated. Understanding the regulations, research ethics and additional considerations for special populations ensure compliance and good clinical practice by nurse researchers. (IC) 1.25 contact hours
Elizabeth Card MSN APRN FNP-BC CPAN CCRNP

**#205 My Funny Bones Hurt. Caring for a Patient after Elbow Surgery**

Injuries to the elbow joint are not as common as those to other joints and yet, when they do occur, there is a significant impact on both the physical and mental status of the patient. This lecture will cover the incidence, risk factors, surgeries, complications and nursing diagnoses/interventions pertinent to this patient population. (DC) 1.25 contact hours
Meg Betune MSN RN CPAN CAPA

**#305 Developing Staff Confidence in Participating in PACU Emergencies**

Life-threatening events are a potential risk in the PACU setting. This session presents learning opportunities that have been devised to promote nursing comfort levels in recognizing and intervening in these situations. (DC) 1.25 contact hours
Colleen Cummins BSN RN CEN, Brian Rann BSN RN and Donna Voldan MSN RN CAPA

**#405 Difficult Conversations with Patients and Families: Learning to Say I’m Sorry**

Explore the concept of service recovery to improve your patient satisfaction scores. Studies have shown that patient satisfaction is linked to excellent patient outcomes and better reimbursement for your facility. It begins with the bedside nurses being able to implement immediate service recovery for their patient and family. You will be given helpful tips for saying, “I’m sorry.” (IC) 1.25 contact hours
Evelyn Chris Skinner MSN RN CAPA

**#505 How Safe is Your Workplace?**

Perianesthesia nurses have a ‘duty to self’ in addition to the responsibility for providing safe and competent care to patients. The ‘duty to self’ includes awareness of the daily hazards lurking in the workplace as well as knowledge of tools to support a healthy environment in which to enjoy perianesthesia nursing practice. (IC) 1.25 contact hours
Terry Clifford MSN RN CPAN CAPA

**#605 Geriatric Preoperative Assessment: Why Is It Important to the Perianesthesia Nurse?**

A geriatric preoperative assessment goes beyond history taking and a physical examination. Published guidelines recommend tools to assess functional, cognitive, and psychosocial domains, nutrition status, fall and delirium risk factors, frailty assessment and more for the older surgical patient. Based on a case presentation, information learned from the geriatric preoperative assessment can assist the perianesthesia nurse to identify special needs, institute safety measures and proactive interventions to ensure quality and person-centered care for the older surgical patient. (DC) 1.25 contact hours
JoAnn Coleman DNP ACNP AOCN CCN

**10:30 AM – 11:45 AM**

**#106 Scoping, Systemic, Integrative or Meta: Just What Kind of Review Do I Need?**

This session will present an overview of the different types of evidence reviews found in the literature. Design differences, ranking in the evidence hierarchy, and application to clinical practice will also be explored. (DC) 1.25 contact hours
Jan Odum Forren PhD RN CPAN FAAN, Vallire Hooper PhD RN CPAN CAPA and Denise G’Brian DNP RN ACNS-BC CPAN CAPA

**#206 Caring for Patients with Post Traumatic Stress Disorder in an Ambulatory Setting**

It is vital for all perianesthesia nurses to be aware of post traumatic stress disorder (PTSD) and the impact it may have on the care of patients. In the ambulatory setting, it is especially important to have a thorough understanding of the condition in order to formulate an appropriate plan of care to include the treatment of signs and symptoms as well as the education of the patients and families in order to ensure positive and safe outcomes. (DC) 1.25 contact hours
Meg Betune MSN RN CPAN CAPA

**#306 ERAS In the Outpatient Hysterectomy Patient**

This session presents the enhanced recovery after surgery (ERAS) protocol in the outpatient hysterectomy patient. It will highlight the contents of the protocol, its utilization in the outpatient hysterectomy patient population, the multidisciplinary team needed to create and sustain the protocol, and the benefits of the protocol, including decreasing overnight admissions by 17%. (DC) 1.25 contact hours
Christina Pierce BSN RN CPAN and Samantha Zych MSN RN

**#406 From Baby Boomers to Generation Z: the Impact of Generational Differences in Perianesthesia Nursing**

This session presents the differences among Baby Boomers, Generation X, Generation Y, and Generation Z as it relates to generational norms, employment values, job satisfaction, and communication styles. Strategies for preventing generational conflict and promoting positive team dynamics in the perianesthesia setting will also be presented. (IC) 1.25 contact hours
Brooke Beinlingel MSN RN CAPA

**#506 Transcutaneous Capnography Use to Increase Patient Safety Trends and Outcomes in the PACU**

This session will present the statistical outcomes from a quasi-experimental, time series design study performed at a 1250 bed level 1 trauma/transplant hospital. Over 800 patients and seven variables captured over time are analyzed to explore whether transcutaneous monitoring during recovery compared with standard care improved trends in patient safety and outcome variables. (DC) 1.25 contact hours
Gal Davis BSN APRN-BC CCRN

**#606 Geriatric Delirium in the Preoperative and Postoperative Care Unit. Mission Possible**

This session will present the current evidence-based clinical guideline recommendations for prevention and management of postoperative geriatric delirium. In addition, how these tools and treatment guidelines can be logically and empathically applied in the preoperative and postoperative environment will also be presented. (DC) 1.25 contact hours
JoAnn Anderson MSN RN BC-ACNS-BC CRNP CCRNP

• APRIL 29–MAY 3, 2018 • ANAHEIM MARRIOTT • ANAHEIM, CALIFORNIA
#207 Anesthesia Outside of the OR: Implications for Perianesthesia Nurses

The presence of anesthesia outside the operating room is rapidly on the rise. Anesthesia is now a steady presence in many procedural areas, including endoscopy, bronchoscopy, interventional cardiology and interventional radiology/neuroradiology. As a result, postesthesia care units (PACUs) are seeing an increase in post-procedural patients who arrive in the PACU for post-anesthesia care and management. This session will present anesthesia implications for anesthesia outside of the OR, common interventional procedures that warrant anesthesia and common and not-so-common procedural-related complications.

(DC) 1.25 contact hours
Myrna Mamaril MS RN ACNS-BC CPAN CAPA FAAN

#208 Critical Care Essentials

Postesthesia care unit (PACU) nurses are frequently expected to care for complex, critically ill patients. For some PACUs, this is an infrequent event, resulting in challenges for the PACU nurses who rarely encounter a critical care patient. This session provides a review of critical care essentials: mechanical ventilation, invasive monitoring and vasopressor therapy. Select case study analysis concludes the presentation.

#308 I Only Have Eyes for You: Ocular Surgery and Perianesthesia Care

This session presents the basic eye anatomy, variety of eye surgeries including cataract, retina, cornea, glaucoma, eye cancers, inflammatory eye conditions, and oculoplastics as well as the perianesthesia care related to these cases. Innovations in eye surgeries, including femtosecond laser for cataract surgery, cornea cross linking for keratoconus, and an implant for retinitis pigmentosa will also be presented.

(DC) 1.25 contact hours
Jillian Fetzer MSN NP-C CPAN

This session presents one method to improve postoperative follow-up telephone calls, using a guideline to ensure nurses provide consistent and appropriate information to patients and families. The implementation of the guideline and data related to changes/improvements in postoperative outcomes will be presented.

#307 The Happiness Advantage

This session will present the “happiness advantage,” a decade of research examining happiness. The seven practical actionable principles of how we can reprogram our brains to become more positive, maximize our individual potential, how this relates to team building, and why this is important to perianesthesia nurses will also be presented.

#307 Do Not Resuscitate: What is Your Role?

Do-not-resuscitate (DNR) orders have been in use in hospitals nationwide for over 20 years. Nonetheless, as currently implemented, they fail to adequately fulfill their two intended purposes—to support patient autonomy and to prevent non-beneficial interventions. These failures lead to serious consequences. Patients are deprived of the opportunity to make informed decisions regarding resuscitation, and CPR is performed on patients who would have wanted it withheld or are harmed by the procedure. This session will help the nurse better understand the challenges and confusing situations in the perianesthesia setting.

#307 Leaving Malignant Hyperthermia Out in the C.O.L.D.

The presence of anesthesia outside the operating room is rapidly on the rise. Anesthesia is now a steady presence in many procedural areas, including endoscopy, bronchoscopy, interventional cardiology and interventional radiology/neuroradiology. As a result, postesthesia care units (PACUs) are seeing an increase in post-procedural patients who arrive in the PACU for post-anesthesia care and management. This session will present anesthesia implications for anesthesia outside of the OR, common interventional procedures that warrant anesthesia and common and not-so-common procedural-related complications.

Maureen McLaughlin MS RN ACNS-BC CPAN CAPA FAAN

#307 Expediting PACU Phase I Recovery

Currently, there are financial pressures to decrease the PACU length of stay and increase throughput. This presentation will provide an overview of important strategies to improve efficiencies of cost-effective PACU care. Key to understanding complex recovery issues, this educational offering will explore the barriers and opportunities to providing safe, effective patient/family-centered care.

Myma Mamaril MS RN NEA BC CPAN CAPA FAAN

#307 Patient and Family Centered Care: How Can I Improve Their Experience with Staff Participation?

Patient and family centered care is a primary focus of every hospital and The Joint Commission. This session will present the complexities perianesthesia nurses have when caring for disruptive patients and families in the pre and postop area. Verbal and nonverbal communication techniques/styles to de-escalate and diffuse negative behavior will be explored using case scenarios and role play.

Help support ASPAN by participating in the annual Dream Walk. This a great way to support ASPAN, meet fellow members, and enjoy some exercise early Sunday morning. The 2018 Dream Walk will take participants on a scenic route of Anaheim that originates from the hotel. You can also encourage family, friends, and colleagues to sponsor your efforts, and use the Sponsor Form (at right) to record their level of support.

ASPA components will compete for the greatest number of registered participants and for total money raised. Also, the “Dream Walker” award will be given to the individual raising the most money. Plaques will be given to the winners at the Development Breakfast on Wednesday, May 2.

The money raised from the event is used to fund the scholarship/award program, achievement awards, and public awareness and education.

**REGISTRATION INFORMATION**

**If you are attending the Dream Walk:**
1. Complete the National Conference registration form on page 24 and mark the box for Dream Walk.
2. Include a $25.00 early bird registration fee, per participant, to reserve your spot.
3. Mail your National Conference registration form with your check (made payable to ASPAN) or credit card information.
4. Once you have approached family, friends, and colleagues and collected your pledges, send them with the Sponsor Form to ASPAN’s National Office. Contributions will also be accepted at the event.

**If you are unable to attend the Walk, but want to participate:**
1. Recruit your sponsors.
2. Enclose your completed Sponsor Form along with the pledges you have collected.
3. Mail your Sponsor Form and contributions to the National Office by March 1.

OTHER DEVELOPMENT ACTIVITIES AND HOW YOU CAN PARTICIPATE

SILENT AUCTION
All conference attendees are invited to contribute an item that will be put up for bid at the Silent Auction. Purses, jewelry, gift cards, and gift baskets have all been popular items in the past. If you would like to participate, simply give your item to the staff at the National Conference Registration Desk in the hotel no later than Monday, April 30 at 12 noon. The auction begins later that evening when the Exhibit Hall opens at 5 PM.

DEVELOPMENT BREAKFAST
Wednesday, May 2 at 6:30 AM

Begin Wednesday morning by supporting ASPAN, earning .75 contact hours, honoring your friends and colleagues with gifts to the Hail, Honor Salute (HHS) campaign, and enjoying a traditional American breakfast. You can sign up for the Development Breakfast on page 24 of this brochure.

The money raised from Development activities is used to fund the ASPAN Scholarship/Award Program, member awards, and public awareness and education.

**Total Contact Hours = 8.0**

**Description:** This preconference offering is a compilation of all perianesthesia nurses’ favorite things: from physiology & pharmacology to anesthetic agents and from aging to that which makes us all old: research! Please join us as we review these central topics together.

**Target Audience:** All perianesthesia nurses

**Outcome:** To enable the nurse to increase knowledge on cardiac physiology, pulmonary physiology, anesthetic implications of aging, anesthetic agents, research and evidence based practice

**Overall Program Objective:** Discuss clinical priorities for the perianesthesia nurse

**Contact Hours:** 8.0 (5.5 DC & 2.5 IC)

3:45 PM – 4:15 PM
When Things Go Wrong: Learning from Adverse Events (0.50 CH) DC

4:15 PM – 4:30 PM
Evaluations

Total Contact Hours = 4.0

Description: A research study conducted by physicians in the 1940s concluded that postoperative mortality could be reduced by the existence of a specialized area in close proximity to the operating room staffed by specially trained nurses. Postanesthesia care units were born. This session will review the essentials of keeping our patients safe, from our initial assessment and early identification of perianesthesia/postoperative complications to management of the unstable patient. Using a case study interactive approach, attendees will participate in problem identification and management strategies of complex patients

Target Audience: All perianesthesia nurses

Outcome: To enable the nurse to increase knowledge on PACU assessment, perianesthesia complications, care of the hemodynamically unstable patient, hemodynamic infusions and learning from adverse events

Overall Program Objective: Review perianesthesia priorities for the unstable perianesthesia patient

Contact Hours: 4.0 (4.0 DC)

PRECONFERENCES AND POSTCONFERENCE ACCREDITATION

ACCREDITATION STATEMENT
American Society of PeriAnesthesia Nurses (ASPA N) is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.
Additional provider numbers: Alabama #ABNP0074; California #CEP5197.

DISCLOSURE STATEMENT
All planners and presenters at nursing continuing education activities are required to disclose to the audience any significant financial relationships with the manufacturer(s) of any commercial products, goods, services. Such disclosures will be made in writing in the course presentation materials.
ATTIRE
Business attire is appropriate for the 37th National Conference in Anaheim, CA, including all educational sessions, exhibits, breakfasts, and luncheons. Party attire is requested for the President's Reception on Wednesday, May 2nd. Casual wear is expected for Component Night. May in Anaheim brings an average high of 78 degrees and an average low of 60 degrees.

***Just as a reminder: the meeting rooms will be set at 68 degrees. Please dress in layers just in case you get hot or cold.

TICKETED SEATING
Seating for all educational sessions will be ticketed and is on a first come, first served basis. You are encouraged to register early for those sessions you wish to attend. You must present your tickets when you arrive at each event. No one without a ticket will be admitted. If you are late for a session, you may lose your seat.

VOLUNTEERS NEEDED
HOST/HOSTESS
If you wish to volunteer while at the National Conference you can become a host/hostess. Contact Karen Woods: 707-227-7943 or karenw@panac.org. You will be compensated for your work as a host/hostess.

SESSION MODERATOR
If you want to know more about becoming a moderator, contact Kim Kraft: 314-956-2313 or kkraft1589@gmail.com.

CERTIFICATION INFORMATION
Conference participants are encouraged to stop by the CPAN and CAPA Certification Booth, located in the Exhibit Hall. CPAN and CAPA ribbons and buttons are available here. Members of the Board of Directors and staff are available to answer all your questions about CPAN® and CAPA® certification, how to recertify, awards and scholarships, and volunteer opportunities with ABPANC! In addition, tips for marketing your certification to patients, families, and your employers are available. Visit the ABPANC Store for its many CPAN and CAPA certification-related products that can be purchased here.

Members of the ABPANC Board of Directors also offer sessions throughout the week about certification topics commonly requested such as Nuts and Bolts of CPAN/CAPA Certification and Effective Test-Taking Strategies; Elevate PeriAnesthesia Practice: CPAN and CAPA Certification; and Certification Coaching: The Art of Mentorship. If you are already CPAN and/or CAPA certified, consider registering for the Workshop – Learning How to Write CPAN and CAPA Certification Examination Questions, held on Sunday. Look for ABPANC sponsored sessions Sunday-Tuesday.

CPAN and CAPA certified nurses are invited to register for the annual Certification Celebration Luncheon, being held on Monday. Former CPAN and CAPA certified nurses who have retired may also register for the luncheon!

ROOM SHARING
WILL YOU NEED A ROOMMATE AT NATIONAL CONFERENCE?
Are you looking for a way to come to conference, but don't have anyone to share a hotel room with? Not a problem! Simply submit your name to be included on the "Willingness to Share a Room" list. The room sharing list will be distributed to all those who have asked to be included. It will then be your responsibility to directly contact others on the list to coordinate room sharing arrangements and make your own hotel reservation.

The following information is required in order to be included on the list: Your full name, complete mailing address, email address, home and work telephone numbers. Please indicate how you would prefer to be contacted. Provide any information which will help you and a potential roommate determine compatibility. All information must be received no later than February 16, 2018. The list will be distributed by the beginning of March.

Please email your request to:
Susan Carter
Email: suecarter2@sbcglobal.net

The hotel room reservation deadline at the Anaheim Marriott is March 29, 2018. Reservations made beyond this date are based upon a space and rate availability basis only.

FOR SPECIAL ASSISTANCE
Contact: ASPAN
90 Frontage Road
Cherry Hill, NJ 08034-1424
877-737-9696
Fax 856-616-9601

FULL REGISTRATION INCLUDES:
Comprehensive syllabus, online access to session handouts, all main conference educational sessions, exhibit sessions, component night, president's reception, and closing breakfast.

DAILY REGISTRATION INCLUDES:
Comprehensive syllabus, online access to session handouts, educational sessions for that specific day, and all events for that day that do not require an additional fee.

GUEST REGISTRATION:
You can purchase individual guest registrations for component night, president's reception and the closing breakfast.
Registration Form – Complete Both Sides

Payment must accompany registration form.

Component Dues Total $_________________
(if more than one Component selected, please total all)

Select Specialty Practice Groups (SPG)

MEMBERSHIP IN A SPG IS OPTIONAL.

- Advanced Degree (must be Master’s prepared or in Master’s program to join)
- Geriatric
- Informatics
- Management
- Pain Management
- Pediatric
- PeriAnesthesia Nurse Educator
- Preoperative Assessment
- Publications

The purpose of ASPAN’s Specialty Practice Groups (SPG) is to bring together sub-specialty nurses who share a special practice in periAnesthesia nursing. SPGs are member-driven and offer a variety of networking and educational opportunities, serve as a resource on practice and professional issues, and facilitate research within the organization.

SPGs are $15.00 each per year.

Optional SPG Total $_________________
(if more than one SPG selected, please total all)
