Welcome to "Colorful Colorado," nicknamed for the state’s spectacular scenery of mountains, rivers, and plains. Colorado is also called the “Centennial State” because it became the 38th state, one hundred years after the signing of the Declaration of Independence.

ASPAN is excited to welcome you to the 39th National Conference. Our host hotel, the recently-opened Gaylord Rockies Resort and Convention Center, provides you with spectacular views of the magnificent Rocky Mountains, which you will long remember. The Gaylord also features four pools and a waterslide, along with great dining for every appetite.

It does not matter which direction you go – north, south, east or west, or in which season you visit – Colorado offers something for everyone. Now, in the spring, enjoy whitewater rafting down many of the rivers: the Colorado, the Cache la Poudre, and the Arkansas, to name a few. And of course, skiers enjoy the slopes of Arapahoe Basin, Breckenridge, Telluride, Vail, Steamboat Springs, and numerous others.

Colorado boasts many professional sports teams including Broncos football, Rockies baseball, Avalanche hockey, and Nuggets basketball. South of Denver, the city of Colorado Springs proudly houses the U.S. Olympic & Paralympic Training Center, starting point for many Olympic and Paralympic champions.

It would be negligent not to mention the great breweries found here. They include Molson Coors, Breckenridge Brewery, Anheuser-Busch, New Belgium, and Odell, plus over 200 craft breweries. Spend time tasting beers such as Colorado Native, Horchata Blonde, Temporary Paradise, or Friends of Friends of Friends.

We love all the wonderful opportunities Colorado offers and hope you will, too! Our hospitality staff will help you make memories to cherish during your stay.
**Accreditation Information**

**National Conference**

ASPAN’s 39th National Conference, *Celebrate Strength, Elevate Practice* is planned and designed with you in mind! The national conference will provide you the opportunity to both network with peers, leaders and experts from diverse geographical and healthcare areas. You can also interact with leading industry vendor representatives to gain information and advice on new products and services for quality patient care.

| CPAN®/CAPA® Certification Luncheon                     | 0.75          |
| Development Breakfast                                  | 0.75          |
| Postconference Offering                                | 4.0           |

You have the opportunity to earn 30-40 contact hours during the week!

---

**Outcome**

To enable the nurse to increase knowledge on clinical practice, standards and research.

**Target Audience**

All professional nurses.

**Overall Conference Objective**

Discuss current information on clinical practice, standards, evidence-based practice, research and new technologies that contribute to safe, quality patient care in the peri-anesthesia setting.

**Accreditation**

American Society of PeriAnesthesia Nurses, (ASPAN) is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Credentialing Center’s Commission on Accreditation.

Provider approved by the California Board of Registered Nursing, Provider Number CEP5197, for ___ contact hours. (The number of contact hours will depend on the sessions attended)

Additional provider numbers: Alabama ABNP0074.

**Conference Evaluations and Certificates**

All conference evaluations and certificates will be completed online. Instructions will be included in your conference materials you receive onsite.

**Disclosure Statement**

All planners and presenters at nursing continuing education activities are required to disclose to the audience any significant financial relationships with the manufacturer(s) of any commercial products, goods or services. Such disclosures will be provided in the conference syllabus.

**Audio or Videotaping**

Audio taping, videotaping or picture taking of any portion of an ASPAN program is **strictly prohibited**.

---

**Reminder: ASPAN Has Gone Green**

ASPAN has taken steps to make National Conference more environmentally friendly. Outlines will be available for downloading on the ASPAN website beginning April 17, 2020, through July 1, 2020. Attendees will have the capability to print all handouts or only the sessions that are of interest to them, or save to their devices.

Speakers who wish to provide copies of their presentations will have their presentations available on the ASPAN website starting April 17, 2020.

**Please note**: it is the individual speaker’s decision to allow ASPAN to post his or her PowerPoint presentation on ASPAN’s website. Not all PowerPoint presentations will be posted.

## SCHEDULE-AT-A-GLANCE

### SATURDAY, April 25
- **7:30 AM – 5:00 PM**: ASPAN Board of Directors Meeting
- **7:30 AM – 8:00 AM**: Registration Open for Preconference Offering
- **8:00 AM – 5:25 PM**: $ Preconference Offering – *I Watch Over You While You Sleep: Caring for the Perianesthesia Care Continuum*
- **3:00 PM – 4:00 PM**: Host / Hostess Orientation
- **4:00 PM – 7:00 PM**: Registration Desk Open
- **4:00 PM – 7:00 PM**: Credentials Desk Open
- **4:15 PM – 5:15 PM**: Session Moderator Orientation
- **5:30 PM – 6:30 PM**: Opening Rehearsal
- **6:30 PM – 7:30 PM**: Meet the Candidates

### SUNDAY, April 26
- **6:30 AM**: 25th Annual ASPAN Dream Walk/Treasure Quest
- **7:30 AM – 8:00 AM**: Registration Open for Preconference Offering
- **7:30 AM – 7:30 PM**: Registration Desk Open
- **7:30 AM – 8:50 AM**: Credentials Desk Open
- **8:00 AM – 4:55 PM**: $ Preconference Offering – *Perianesthesia Certification Review*
- **9:00 AM – 5:00 PM**: Representative Assembly
- **12:00 PM – 1:30 PM**: Component Presidents’ Luncheon (by invitation only)
- **12:00 PM – 5:30 PM**: Item Writing/Review Workshop
- **4:00 PM – 5:00 PM**: Host/Hostess Orientation (repeat)
- **5:15 PM – 6:15 PM**: First Timers Orientation
- **7:00 PM – 9:00 PM**: Component Night

### MONDAY, April 27
- **7:00 AM – 5:30 PM**: Registration Desk Open
- **7:00 AM – 8:00 AM**: ASPAN Committee Meetings
- **7:00 AM – 8:00 AM**: First Timers Orientation (repeat)
- **8:00 AM – 8:30 AM**: SPG Meetings
- **9:00 AM – 12:00 PM**: Opening Ceremonies
- **12:15 PM – 1:45 PM**: Journal Luncheon (by invitation only)
- **12:15 PM – 2:15 PM**: $ CPAN®/CAPA® Luncheon Celebration
- **2:30 PM – 5:45 PM**: Concurrent Sessions
- **4:15 PM – 5:15 PM**: Certification: What’s In It for Me?
- **6:00 PM – 8:00 PM**: Exhibit Grand Opening /Silent Auction
- **7:00 PM – 8:15 PM**: Evening Session
- **7:00 PM – 8:30 PM**: Research Consultations
- **7:00 PM – 8:30 PM**: Education Approver Secrets Unveiled: How Do You Do that Application for Contact Hours?

### TUESDAY, April 28
- **7:00 AM – 8:00 AM**: Research/EBP Poster Grand Rounds
- **7:00 AM – 8:00 AM**: ASPAN Committee Meetings
- **7:00 AM – 11:45 AM**: Concurrent Sessions
- **12:00 PM – 1:00 PM**: Research/EBP Poster Grand Rounds
- **12:00 PM – 1:00 PM**: Celebrate Successful Practices Grand Rounds
- **12:00 PM – 2:00 PM**: Exhibits Open
- **12:15 PM – 1:45 PM**: Perianesthesia Celebrate Successful Practices Oral Presentations (Part 1)
- **12:15 PM – 1:45 PM**: Enhance Your Career Development: Become Certified!
- **2:15 PM – 5:00 PM**: Concurrent Sessions
- **4:00 PM – 6:30 PM**: Exhibits Open
- **5:15 PM – 6:30 PM**: Evening Session

### WEDNESDAY, April 29
- **6:30 AM – 8:30 AM**: Development Breakfast
- **7:00 AM – 9:00 AM**: Exhibits Open
- **7:00 AM – 10:30 AM**: Concurrent Sessions
- **12:00 PM – 1:30 PM**: ABPANC Coaches Forum (by invitation only)
- **12:15 PM – 1:15 PM**: Light the Fire: Putting Your Certification into Practice
- **12:15 PM – 1:45 PM**: Perianesthesia Research/EBP Oral Presentations
- **12:15 PM – 1:45 PM**: Perianesthesia Celebrate Successful Practices Oral Presentations (Part 2)
- **2:15 PM – 5:00 PM**: Concurrent Sessions
- **7:00 PM – 9:00 PM**: President’s Reception

### THURSDAY, April 30
- **7:00 AM – 8:00 AM**: Closing Breakfast
- **8:00 AM – 8:45 AM**: Closing Ceremonies
- **9:00 AM – 10:30 AM**: Closing Keynote Speaker
- **11:30 AM – 12:00 PM**: Registration for Postconference
- **12:00 PM – 4:30 PM**: $ Postconference Offering – Anesthesia/PACU Complications

$ next to sessions indicates additional charge

7:00 PM – 9:00 PM
Component Night Component Night 2020

Rocky Mountain High!
“Rocky Mountain High, Colorado” ...come to Denver, Colorado, the city with the highest elevation in the country. The minute you step off the plane you are higher than you were at home. Let’s embrace John Denver’s famous song from 1972 and step back in time to celebrate those free-wheeling days of peace symbols, flower-power, bell bottoms, miniskirts and tie-dye fashion. Component Night will be filled with friends you know and those you’ll meet. So, let your long hair down as you move and groove to the music of the 60s and 70s. We hope to see you there!

MONDAY, April 27, 2020

7:00 AM – 5:30 PM
Registration Desk Open

7:00 AM – 8:00 AM
First Timers Orientation (Repeat)

7:00 AM – 8:00 AM
ASPN Committee and Strategic Work Team (SWT) Meetings
This session allows the 2020-2021 Committee Chairs and SWT Coordinators to meet with appointed committee members. All ASPAN members assigned to committees or SWT’s and attending conference are encouraged to attend.

8:00 AM – 8:30 AM
All ASPAN Specialty Practice Groups (SPG) Meetings
This session allows the current and incoming SPG coordinators to meet and network with their SPG. All SPG members attending conference are encouraged to attend.

9:00 AM – 10:15 AM
Opening Ceremonies

10:30 AM – 12:00 PM
(002) Keynote Speaker

“The Power of Positive Leaders”
In a world full of negativity, positive people really stand out. Positive leaders create healthy cultures where everyone can reach their full potential and fulfill their purpose. People are counting on us! So if you want to fuel your life, work, and team with positive energy and truly make a lasting difference, this message is for you!

(02) 1.5 contact hours

Jimmy Page

12:15 PM – 2:15 PM
$ (003) CPAN®/CAPA® Celebration Luncheon

World-renowned illusionist and master storyteller Harris III will surprise and delight you with amazing illusions and magic tricks and inspiring stories on innovation, imagination and leadership. He attracts audiences and holds their attention in a way few other speakers do, not only because of his 20-year background as a master illusionist but also as a highly effective and memorable keynote speaker who helps audiences discover what he refers to as “real magic.”

(03) 0.75 contact hour

Harris III

*Only CPAN® and CAPA® certified nurses and formerly CPAN®/CAPA® certified nurses who are retired may register.

2:30 PM – 4:00 PM
Concurrent Sessions

(004) Keep Calm and Blame Anesthesia: An Interactive Refresher Course Guaranteed to Enhance Your Practice
Anesthesia use from an anesthesiologist point of view, to include anesthesia agents, reversals, new drugs and, yes, we’ll discuss marijuana!

(DC) 1.5 contact hours

John Eisenach MD

(005) Utilizing ASPAN’s Standards to Answer Your Clinical Inquiry. What Every Perianesthesia Nurse Should Know!
This session will take real-time clinical inquiries and provide answers as found within the current version of the ASPAN Standards. Perianesthesia nurses should be able to easily research their clinical concerns to find the appropriate response within the Standards. Utilizing critical thinking, the goal is to be able to apply the Standards to all practice scenarios, provide the evidence necessary for safe patient care and support practice to colleagues and management.

(DC) 1.5 contact hours

Jacque Crosson DNP RN CPAN FASPAN
CONFERENCE PROGRAM

2:30 PM – 5:45 PM
(006) Elevate your Management Game: Building Strength in Leadership

This session explores key performance and educational needs for new and seasoned managers alike. Topics covered will include: Tips and toolkits for new leaders, exploring the difference between managers and leaders, onboarding new staff, managing disruptive behaviors, building high-performing teams, digital body language.

(IC) 3.0 contact hours
Terry Clifford MSN RN CPAN CAPA FASPAN and Regina Hoefner-Notz MS RN CPAN CPN FASPAN

4:15 PM – 5:15 PM
(007) Certification: What’s In It For Me?

Are you currently weighing the pros and cons of certification? You have heard that it takes time, effort, and money to become certified, so you need to know what’s in it for you. This session will describe the value of CAPA and CPAN certification for you, your employer and your patients. Panelists will identify strategies that will help you make the case for certification to your manager and show why your patients will care that you have put the work into become certified. You’ll hear personal testimony about how certification develops lifelong learning and keeps you up to date on perianesthesia nursing trends.

This is your opportunity to interact with a panel of interdisciplinary ABPANC board members including a human resources expert, a nurse manager, and a director of perianesthesia in an interactive forum that provides insight, tactics, strategies and resources to promote and recognize the value of certification for patients/families, nurses and the organization.

(IC) 1.0 contact hour
Kim Beckman RN CAPA, Robert Rudder SPHR MS MSS, Stuart Smith BS SPHR SHRM-SCP and Teresa Salley MS MSN RN CPAN CAPA CCRNa

4:15 PM – 5:45 PM
(008) Hot Issues in Clinical Practice

Expanding on the dominant issues presented through questions submitted to the clinical practice network regarding physical assessment, staffing, special populations and perianesthesia competencies. This allows additional focus to be placed on prevalent Centers for Medicare & Medicaid Services (CMS) quality patient care concerns.

(OC) 1.5 contact hours
Sylvia Baker MSN RN CPAN FASPAN and Diane Swintek MSN RN CPAN

6:00 PM – 8:30 PM
Exhibit Grand Opening

Come and mingle with the ASPAN exhibitors. This event is open to all full conference registrants and Monday daily attendees.

7:00 PM – 8:15 PM
(010) Successful Patient Discharge after Same Day Surgery; Why the Evidence Matters!

Over 60% of all surgeries performed today are classified as same day procedures. Centers for Medicare and Medicaid Services (CMS) now classify an increasing number of surgeries as outpatients. Identifying and implementing evidence-based criteria that enhance successful patient discharge home is a necessary strategy for perianesthesia nurses.

(OC) 1.25 contact hours
Jacque Crosson DNP RN CPAN FASPAN

7:00 PM – 8:30 PM
(011) Education Approver Secrets Unveiled: How Do You Do That Application for Contact Hours?

This session will review the current ANCC-COA requirements for nursing continuing education. The process for applying through the ASPAN approver unit for contact hours will also be presented.

(IC) 1.5 contact hour
Linda Wilson PhD CPAN CAPA BC ONE CNEcl CHSE-A ANEF FAAN FASPAN and H. Lynn Kane MSN MBA RN CCRN

7:00 PM – 8:30 PM
(012) Research Consultations: Personalized Consultations with Experienced Researchers

This session will offer personalized research consultations with experienced researchers who can continue this mentorship after the session is completed. Examples: refining research hypothesis, research design, synthesizing the evidence, IRB 101, etc. The session will have limited attendance, and mentors will be selected from the research, EBP and clinical practice committees. Attendees are strongly encouraged to bring their own laptop. Seating is limited.

Non-contact hour session
Margaret McNeill PhD RN APRN-CNS CCNS-K CCNS TCRN CPAN NE-BC NHDP-BC FCNS FAAN

(009) ERAS Influencers: Perianesthesia Nurses – Critical Members of the Interdisciplinary Team!

Perianesthesia nurses are in a perfect position to participate and facilitate the implementation of an ERAS program in their facility. Partnering with providers and patients, perianesthesia nurses ensure protocols are followed. Responsible for preoperative and postoperative care of the patient, their influence and clinical abilities enhance the patient’s experience and foster a speedy recovery.

(014) Enhance Your Career Development: Become Certified!
- Are you studying/preparing for the CPAN and/or CAPA certification exam? Do you have test anxiety or fear of failure? This session provides information that will help you choose the exam that’s right for you. You will learn: strategies to enhance your test-taking ability; how to create a Learning Builder account and design a study plan; what study references to use; and how to take advantage of ABPANC’s numerous resources.
- (DC) 1.5 contact hours

5:15 PM – 6:30 PM
(016) Adverse Drug Events: Causality and Preventability
- Adverse drug events (ADEs) are estimate to be the 4th leading cause of death in the United States, even in settings in which the medication was prescribed correctly by a provider. Recent headlines have revealed a fatal medication error associated with a neuromuscular blocking agent; the nurse has been criminally charged. While not all ADEs are a result of error, the fast-paced environment of the perianesthesia continuum combined with the large volume of high-alert medications increases the risk of a medication error. This presentation will review background data since the 1999 publication, ‘To Err is Human,’ and through the use of case studies, describe adverse drug events, detailing potential or known causes and highlighting preventative strategies.

- Maureen McLaughlin MS RN ACNS-BC CPAN CAPA

(017) The Latest Healthcare Trend: CBD Oils: Impact on Patients and Employees Who Use Such
- Cannabis continues to be a “hot topic” in today’s healthcare environment. With more states approving use of medical and recreational marijuana, the use of CBD oils has become more prevalent throughout the USA. This presentation will look at what are CBD oils, and their uses, and relationship to marijuana?

022) Motivation: A Funny Thing
Increasing trust, team and connection through laughter is Tim’s art form and passion. We live in an attention economy, in a tangled digital age where connection, transparency, and trust is the new currency. This one-of-a-kind keynote speaker is an award-winning writer, educator, and comic. He’s opened for a former president and Jerry Seinfeld. You may have caught his work on XM/Sirius Satellite Radio. His play, “Leaving Iowa,” was nominated Best New Play in the country and is performed in theaters across U.S. and Canada.

#101 Reducing Opioids While Improving Pain Assessment and Management through Evidence Based Practice Initiatives

On August 31, 2017, The Joint Commission published a R3 on Pain Assessment and Management citing the importance of organizations making this a priority in providing excellent care to patients to optimize patient outcomes. To meet this recommendation, a multidisciplinary team reviewed the literature to determine best practice initiatives to implement at a community-based hospital.

**Contact hours:** Alison Partridge MSN RN CPAN

#201 Neurologic Complications of Anesthesia

Neurologic complications associated with anesthesia and/or surgery are relatively rare, but may be associated with increased morbidity and mortality. Perianesthesia nurses frequently encounter patients with derangements in neurologic function and need to quickly determine etiology and treatment. This session will provide an overview of the effects of both general anesthesia and neuroaxial anesthesia on the nervous system. Potential neurologic complications will be discussed, including emergence delirium, local anesthetic toxicity, failure to awaken and serotonin syndrome. Case studies will be included.

**Contact hours:** Maureen McLaughlin MS RN ACNS-BC CPAN CAPA

#301 Like Sand Through the Hourglass, So is the Flow of Potential Liability Issues Among the Unknowing, Unprepared Perianesthesia Nurse Practitioner!

Despite advances in the education and training of perianesthesia nurses regarding liability issues that require involvement of risk management, the hurried, unpredictable environment in which nurses practice today leaves them vulnerable to lawsuits.

**Contact hours:** Meg Beturone MSN RN CPAN CAPA

#401 Emergency Perianesthesia Care and Its Impact in a Natural Disaster

Everyday, newscasts bombard us with a multitude of natural disasters. This session will present various natural disasters that impact the public and how the honed skills of the perianesthesia nurse can aid in the care of those impacted.

**Contact hours:** Sylvia Baker MSN RN CPAN FASPN and Kim Godfrey BSN RN CPAN

#501 Perianesthesia Educators: We Got Your Back! (Part 1)

The perianesthesia environment creates unique education challenges. This session will help educators obtain skills in developing and implementing education to meet these special requirements, focusing on core educational principles including orientation, annual competencies, and ongoing education.

**Contact hours:** Linda Beagley MS BSN RN CPAN FASPN and Staci Orbell MSN RN CPAN

#601 Making an IMPACT-Creation of a Pre-Op Clinic to Improve Outcomes!

Our team of RNs, advanced practice nurses, anesthesiologists, and surgeons created the first in its region pre-procedural pre-habilitation and optimization clinic. Participants will learn about designing and implementing such a clinic and how improving the co-morbid conditions of elective surgery patients can lead to decreased perioperative complications and improved patient outcomes.

**Contact hours:** Laura Hildebrand ANP, Julie Deters FNP, Charis Kee RN and Annette Vizena MD

#102 Strangers in a Strange Land: Risks and Benefits when Anesthesia Occurs Outside of the Operating Room

With the accelerated development of more sophisticated procedures performed outside of the traditional operating room, the demand for anesthesia services outside of the operating room has dramatically risen to comprise as much as 50% of all anesthetic cases. Anesthesia and anesthesia providers are now a consistent component of the care team in GI suites, interventional radiology, bronchoscopy and even M&L suites. This increased presence of anesthesia in non-operating room locations impacts perianesthesia nurses in all phases of care. Retrospective reviews of adverse anesthesia-related events have revealed that complications are not uncommon. This session will present the incidence and implications of non-operating room anesthesia, review studies of anesthesia-related complications from the ASA Closed Claims database and present nursing priorities for this unique patient population.

**Contact hours:** Maureen McLaughlin MS RN ACNS-BC CPAN CAPA

#202 Perianesthesia Complications: Are You Ready to Respond?

Everyone desires an uneventful perianesthesia experience. Knowledgeable perianesthesia nurses who identify and manage complications reduce the risk of the development of more significant complications and poorer outcomes for our patients. This presentation focuses on common and uncommon perianesthesia complications and management, enabling the perianesthesia nurse to improve their knowledge and skills.

**Contact hours:** Denise O'Brien DNP RN ACNS-BC CPAN CAPA / FANAP

#302 A Collaborative Approach to Culture of Safety: Decreasing Workplace Violence

This is an interprofessional collaborative approach on the culture of safety, focusing on workplace violence. This session will present risk factors, internal and external responsibilities, and best practice recommendations.

**Contact hours:** Pamela Windle DNP RN NE-BC CPAN FANAP, Linda Groah MSN RN CNOR NEA-BC FANAP and Dina Krenzischek PhD MAS RN CPN CFRE FANAP

#402 Pediatric Postoperative Pain Assessment is More than a Number: How “Functional” is Your Assessment?

Assessment and management of pain in children can be difficult, especially in the postoperative period. This session will present an overview of pain assessment in postoperative pediatric patients to include evidence based developmentally appropriate pain assessment tools, factors that can affect the perception of pain and its assessment postoperatively, and, based on pain assessment, determine realistic goals for pain management with pediatric patients and their families.

**Contact hours:** Lisa Joestlein MSN RN CPN CAPA

#502 Perianesthesia Educators: We Got Your Back! Part 2

This session will focus staff-led education and development through preceptor role development and strategies, staff-led education, and building a positive unit culture.

**Contact hours:** Linda Beagley MS BSN RN CPAN FASPN and Staci Orbell MSN RN CPAN

#602 Building an Empowered Workforce for 2020:

The Perianesthesia Team

In light of nursing shortages, how do we best prepare a workforce to deliver outstanding perianesthesia care? This offering will explore use of unlicensed personnel as well as orienting new caregivers from a variety of practice backgrounds.

**Contact hours:** Antoinette Zito MSN RN CPAN FASPN, Colleen Cummins MSN BBA RN CEN, Sharon Knauss BSN RN CAPA and Cindy Plato BSN RN CAPA
### DETAILED COURSE DESCRIPTIONS

#### 2:15 PM – 3:30 PM

**#103 The Postoperative Phone Call: What is Best Practice**

The postoperative phone call has long been a part of routine perianesthesia care. Is there still value in this age-old practice?

(IC) 1.25 contact hours Antoinette Zito MSN RN CPAN FASPAN and Amy Berardinelli DNP RN NE-BC CPAN

**#203 Have You Seen Cases with Anticholinergic Toxicity or Pseudocholinesterase Deficiency?**

Anesthesia related anticholinergic syndrome is infrequently reported, but many over the counter meds and anesthetic agents possess anticholinergic activity so diagnosis should be considered in patients with altered mental status following general anesthesia. Pseudocholinesterase deficiency results in delayed metabolism of succinylcholine, mivacurium, procaine and cocaine which can influence a patient’s recovery from anesthesia and sudden cardiac death associated with recreational use of cocaine.

(DC) 1.25 contact hours Lois Schick MN MBA RN CPAN CAPA FASPAN

**#303 Challenges in Today’s Nursing Environment in Quality & Safety**

This session will present the latest information of the National Academies of Sciences Engineering and Medicine’s (formerly IOM) future of nursing report for 2020 – 2030 and its challenges for perianesthesia nursing. Learn how to be better prepared to take action for the next century.

(IC) 1.25 contact hours Pamela Windle DNP RN NE-BC CPAN CPAPA FAAN FASPAN

**#403 PACU Nightmare: Gynecological Surgical and Postpartum Hemorrhaging**

Although any postoperative hemorrhage can be devastating, when dealing with the gynecological surgical and postpartum patient this can feel overwhelming as the bleeding is often difficult to detect and control. Even something as simple as a D & C, or a D & E, can prove to be problematic. The uterus is extremely vascular, but there are often simple remedies and protocols that can be followed initially, and, if these are of no avail, then medical and / or surgical interventions may be needed. The PACU nurse needs to become more familiar with these protocols and, therefore, a simple and timely algorithm will be reviewed and discussed.

(DC) 1.25 contact hours Sandy Salicco MSN RN CCRN-K

**#503 A Phase I Nurse Resident Program**

Many Phase I departments are suffering from staffing issues related to hours and an aging population. This presentation addresses a program that was developed to support new graduate nurses in their transition from student/new nurse to Phase I team member.

(IC) 1.25 contact hours Sylvia Baker MSN RN CPAN FASPAN

**#603 Lymphedema: What You Don’t Know Might Hurt Me!**

Lymphedema, associated with breast cancer and other cancers and their management, remains a vexing problem for patients and providers. It may significantly impact quality of survivorship and present unique challenges in the perianesthesia settings. This presentation will discuss the etiology of lymphedema and identify strategies to manage and minimize lymphedema for patients undergoing procedures in the perianesthesia setting.

(DC) 1.25 contact hours Denise O’Brien DNP RN ACNS-BC CPAN CAPA FAAN FASPAN

#### 3:45 PM – 5:00 PM

**#104 Surgical Optimization: Can We Reduce Complications?**

This session will present the critical comorbidities that impact postoperative outcomes. This includes a review of current literature with suggested outcomes related to failure to optimize as well as suggested interventions to enhance optimization of surgical patients.

(DC) 1.25 contact hours Terry Clifford MSN RN CPAN CAPA FASPAN

**#204 Postoperative Pulmonary Complications**

Postoperative pulmonary complications are not uncommon and are associated with increased morbidity and mortality in the post-surgical patient. This session will present the physiology of general anesthesia, principles of mechanical ventilation and single-lung ventilation, and discuss common and not so common pulmonary complications the perianesthesia nurse may encounter.

(DC) 1.25 contact hour Maureen McLaughlin MS RN ACNS-BC CPAN CAPA

**#304 What Would Fearless Florence Nightingale Do to Impact the Fearless Superbugs of Modern Times?**

Superbugs are a real threat to our patients/caregivers, ourselves and our planet. A better understanding of them, combined with a unified effort, might offer us the best chance for success in combatting them.

All perianesthesia nurses must walk the talk of Florence Nightingale and be infection control champions in the 21st century and beyond.

(IC) 1.25 contact hours Meg Betume MSN RN CPAN CAPA

**#404 Pediatric Trauma: Are You Prepared to Care for this Child in Your PACU?**

1. Duty to care for the unexpected pediatric trauma patient in your PACU; 2. Mechanism of injury of pediatric trauma patients; 3. Some of the frequently seen types of pediatric trauma injuries that can require surgery; and 4. Postanesthesia assessments and interventions for pediatric trauma patients The focus of this session will be on the recognition of complications which may arise from the trauma and/or surgery in the pediatric trauma patient. Case studies will be presented.

(DC) 1.25 contact hours Deborah Dell BSN RN CCRN CPN CPAN

**#504 Bringing It All Together: Perianesthesia Practice Fundamentals**

This session will present the development of an interactive orientation class for novice perianesthesia nurses. Course content includes methods used to deliver topics such as managing airways, safety considerations, emergency management, and much more. Presentation techniques used to promote learning will be shared including hands-on skills stations, high and low fidelity simulation, and peer instruction.

(IC) 1.25 contact hours Colleen Cummins MSN BBA RN CEN, Sharon Knauss BSN RN CAPA, Cindy Plato BSN RN CAPA and Antoinette Zito MSN RN CPAN FASPAN

**#604 OR to PACU Handover Timeout: Creating a Sustainable Model to Communicate Care**

The OR to PACU handover languished in our facility across all PACU sites. Variability in the quality of the process existed; initial work following a sentinel event began the process of change, culminating in an “all stop timeout” now occurring in the PACU. This session will present the evolution of the OR to PACU handover and how to engage nursing, anesthesiaology, and surgery in efforts to enhance safety, improve communication, and support quality patient outcomes.

(DC) 1.25 contact hours Denise O’Brien DNP RN ACNS-BC CPAN CAPA FAAN FASPAN
WEDNESDAY, April 29, 2020

9:00 AM – 10:15 AM
#105 Perioperative Glucose Optimization Project: Implementing Standardized Hyperglycemia Monitoring and Management in the Perioperative Setting to Improve Patient Outcomes
This session presents a nurse-led performance improvement project to assess current state of diabetics among the surgical population at a Level I trauma center, identify a pathway to provide effective blood glucose management in the perioperative setting and evaluate the impact on reducing surgical site infections.
(125 contact hours Amy Kohl MSN RN CCRN NEA-BC and Allison Steuber MSN RN CEN CAPA

#205 Don’t Panic….Your PACU Patient is Pregnant
Having surgery while pregnant is becoming increasingly prevalent across the country. Caring for this special population is anxiety inducing for many perianesthesia nurses. This presentation will give perianesthesia nurses practical strategies and basic obstetrical knowledge to better prepare them to care for these patients and their families.
(DC) 1.25 contact hours Sue Ellen Abney-Roberts DNP RN BC C-EMF and Katharine Markwalter MSN RN CPAN

#305 Recommendations for Opioid Use in Acute Surgical Pain Management
Expert recommendations for opioid use in surgical pain management are evolving. Implementation of opioid sparing prescribing guidelines based on surgery type, and evidence-based perioperative education for surgical patients receiving opioid prescriptions on discharge is an urgent priority requiring increased adoption in clinical practice. This session will enable the perianesthesia nurse to increase his/her knowledge on current multimodal opioid sparing prescribing guidelines, current patient requirements for patients who are discharged with opioid prescriptions, and current state policy requirements.
(DC) 1.25 contact hours Jan Odom-Forren PhD RN CPAN FAAN FASPAN and Joni Brady DNP RN BC CAPA

#405 Game of Generations
This session will present the American history of five generations; how these relate to our surgical patients’ recovery perspectives, and the effect on their perianesthesia experience. Nursing education on generations values our colleagues’ differences and encourages perianesthesia teamwork. If you want to hear a history of generational houses, characters and drama involved in the perianesthesia world, Game of Generations is definitely for you.
(125 contact hours JoAnn Anderson MSN RN BC-ACNS CCRN CPAN

#505 Improving Preadmission Testing (PAT) Clinically through Performance Improvement
PAT should be able to have a patient optimized for day of surgery. This session will present the clinical improvements made to help achieve that goal.
(DC) 1.25 contact hours Brian Harradine MSN RN CNOR CAPA

#605 Pediatric Risk Factors: An Evidence-Based Approach to Managing PACU Airway and Respiratory Complications
This session will present important pediatric risk factors that contribute to airway and respiratory pathophysiologic conditions. In addition, this presentation will focus on specific postanesthesia evidence-based nursing management of pediatric airway and respiratory emergencies that complicate the child emerging from anesthesia.
(DC) 1.25 contact hours Myrna Mamaril DNP RN NEA-BC CPAN CAPA FAAN FASPAN

10:30 AM – 11:45 AM
#106 Let the Music Play: Understanding Facilitators to Music Listening in the Preoperative Setting
This session will present the evolution of music, listening in the preoperative setting. Additionally, this lecture will discuss the doctoral evidence-based practice project of understanding the use of music listening in the preoperative setting and what facilitates patients to listen to music, along with the results of this project.
(IC) 1.25 contact hours Kristen Vargo MSN RN NE-BC

#206 Health Literacy Best Practice in the Perioperative Setting
This session will present an introduction to health literacy concepts, plain language and teach back. Identification of best practices for written and verbal instruction will also be presented.
(DC) 1.25 contact hours Jennifer Reynolds RN CAPA

#306 The Logistics of Surgical Prehabilitation: Establishing the Foundation for Successful Implementation for Enhanced Recovery After Surgery Protocols (ERP)
This session will highlight the logistics of implementing a comprehensive surgical prehabilitation program that involves the patient as an active member of the healthcare team. By augmenting the enhanced recovery protocol with a robust surgical prehabilitation protocol that includes regularly scheduled patient and family education classroom sessions, our organization experienced improved morbidity.
(DC) 1.25 contact hours Yolanda Davis RN, Donna Goyer BS RN CPAN CAPA and Jessica Redden BSN RN CEN

#406 Active Shooter in Perianesthesia Units: You Know It is a Problem, But Are We Prepared?
Incidents of workplace violence in the healthcare setting have increased exponentially in the U.S. over the last decade. Perianesthesia units are unique as each setting is complex and look different in regards to space, personnel, and functionality. This session will present the background of active shooting incidents and the recommended practice for active shooter preparedness.
(IC) 1.25 contact hours Ayumi Fielden MSN RN CCRN-K CPAN and Pamela Norrthorp MSN RN CPAN CAPA

#506 The Match Game: Preceptor Selection in the Perianesthesia Setting
Preceptor selection is the key to successful orientation. This interactive presentation will look at novel ways to determine who can be a preceptor and how to develop preceptors.
(IC) 1.25 contact hours Brian Harradine MSN RN CNOR CAPA

#606 Managing the Care of the Older Adult
This session will present the anatomy and physiology of aging that is intimately related to the perianesthesia nursing care of the older adult. Learn the important holistic approach to caring for this special population in preparing and also in discharging the elderly to the home care environment.
(DC) 1.25 contact hours Myrna Mamaril DNP RN NEA-BC CPAN CAPA FAAN FASPAN

| 3:45 PM – 5:00 PM | **#108 Is Your Patient Ready for Discharge? A Systematic Review that Examines Postoperative Discharge Criteria**  
This session will present an EBP training process and its role with the development of a PICO question that addresses discharge scoring tools. The presentation will offer insight about Aldrete and other discharge scoring tools and relevance to evidence-based postoperative care as well as deliver a synopsis of current ASPAN Standards for discharge.  
*(IC) 1.25 contact hours Katherine Simpson MSN APRN CNRN CVRN-II LNC and Jamie Danks BSN MSHI CNOR* |
|              | **#207 Opioids: Past, Present, and Future**  
This session will present the perfect storm that has led to the current opioid crisis in the United States, the current opioid medications available in the U.S., and their utility in acute and chronic pain, tools for detection of opioid misuse, and end with a segment on proper prescribing habits and changes that are underway to stem the tide of the opioid epidemic.  
*(DC) 1.25 contact hours Seth Eisdorfer MD* |
|              | **#208 Those Aching Joints: Joint Replacement Surgery in the ASC**  
There is an increase in joint replacement surgeries in the outpatient setting. This session will present joint replacement surgeries that are appropriate for the ASC setting and patient care from the preop class to discharge.  
*(DC) 1.25 contact hour Kelley Kelly MSN RN CAPA VA-BC* |
|              | **#307 Regional Anesthesia: The Continuum of Peri anesthesia Care**  
This session will present important considerations when perianesthesia nurses are assisting with the insertion of regional blocks in the preanesthesia setting and also the postanesthesia management of the patient recovering in the PACU. Key sensory and motor assessments will be reviewed along with recognition of life-threatening complications and effective resuscitative management techniques.  
*(DC) 1.25 contact hours Myrna Mamaril DNP RN NEA-BC CPAN CAPA FAAN FASPA*N |
|              | **#308 Anesthesiology for the Non-anesthesiologist: What I Wish Everyone Knew About Anesthesia**  
This session will present an overview of the basics of anesthesia including different types of anesthesia, anesthetic pharmacology, effects on the brain, and anesthetic interactions with both prescription and recreational substances.  
*(DC) 1.25 contact hours Seth Eisdorfer MD* |
|              | **#407 In the Zone: Team Staffing for the Win**  
Zone staffing is a model of nursing that is highly effective in peri anesthesia areas. Staff on a select pre/post unit were surveyed and reported high levels of job satisfaction and an increased perception of patient safety related to the zone staffing model. Attendees will understand the concept of zone staffing and how to implement it in accordance with ASPAN standards.  
*(IC) 1.25 contact hours Hannah Hoppes BSN RN CPAN and Laura Krone BSN RN CPAN CAPA* |
|              | **#507 Medication Safety: An Important Anesthesia Patient Safety Foundation Initiative Revisited / Using Pharmacogenetics to Improve Medication Safety**  
The vision of the Anesthesia Patient Safety Foundation (APSF) is that no harm should come to patients during the peri anesthesia period. APSF is committed to a collaborative model that values and utilizes the contributions and expertise of all role groups in the peri anesthesia team. The purpose of this session is to enable the learner to understand medication safety issues for patients during the peri anesthesia period by using pharmacogenetic information to predict adverse drug effects.  
*(IC) 1.25 contact hours Dru Riddle PhD DNP CRNA FAAN* |
|              | **#508 Are You High or Low? Managing Perioperative Endocrine Insufficiency**  
This session will present the anatomy and physiology of endocrine system, disease processes that can interfere with surgical outcomes and perioperative management of patients with endocrine dysfunction.  
*(DC) 1.25 contact hour Mary Rachel Romero MSN RN CPAN CAPA* |
|              | **#607 Supporting the Developmental and Sensory Needs of Pediatric Patients with Autism Spectrum Disorder**  
Pediatric patients diagnosed with autism spectrum disorder (ASD) often have difficulty in hospital settings, as the medical environment can be an overwhelming sensory and cognitive experience. Each patient with ASD benefits from an individualized plan of care, due to the unique needs of the patient. This session will present the diagnosis of ASD and will also introduce applicable strategies that perianesthesia nurses and staff can utilize to best support this patient population.  
*(DC) 1.25 contact hours Lindsey Czark CCLS CTRS and Sophia Hornick MS CCLS* |
|              | **#608 Climbing the Mountain to Sanity Via ECT**  
Mental illness is expressed in many forms and treated by many methods. This presentation will focus on electroconvulsive therapy as a primary source of help for those who do not respond to medications and other therapies. Other forms of therapy will be briefly discussed.  
*(DC) 1.25 contact hour Nancy O’Malley BSN MA RN CPAN CAPA* |
Come and join us early Sunday morning for Treasure Quest, an ASPAN scavenger hunt. Support ASPAN and all the wonderful programs we offer by buying a ticket to participate. This is a great way to support YOUR professional organization, meet new friends, and enjoy some exercise early Sunday morning. So get ready to team up with one or two of your colleagues, and solve clues that lead to the finish, where secret treasure awaits. You can also encourage family, friends, and colleagues to sponsor your efforts, and use the Sponsor Form (at right) to record their level of support.

ASPAN components will compete for the greatest number of registered participants and for total money raised. Also, the "ASPAN Treasure Quest" award will be given to the individual raising the most money. Plaques will be given to the winners at the Development Breakfast on Wednesday, April 29.

**Registration Information**

*If you are attending the ASPAN Scavenger Hunt:*
1. Complete the National Conference registration form on page 24 and mark the box for Treasure Quest
2. Include a $25.00 early bird registration fee, per participant, to reserve your spot.
3. Mail your National Conference registration form with your check (made payable to ASPAN) or credit card information.
4. Once you have approached family, friends, and colleagues and collected your pledges, send them with the Sponsor Form to ASPAN’s National Office. Contributions will also be accepted at the event.

*If you are unable to attend the Walk, but want to participate:*
1. Recruit your sponsors.
2. Enclose your completed Sponsor Form along with the pledges you have collected.
3. Mail your Sponsor Form and contributions to the National Office by March 8, 2020.

OTHER DEVELOPMENT ACTIVITIES AND HOW YOU CAN PARTICIPATE

**Silent Auction**
Please consider contributing an item to the ASPAN Development Silent Auction. Purses, jewelry, gift cards, and gift baskets have all been popular items in the past. If you would like to participate, simply give your item to the staff at the National Conference Registration Desk in the hotel no later than Monday, April 27 by 12 noon. The fun of our auction begins later that evening when the Exhibit Hall opens, at 6 pm.

**Development Breakfast**
Wednesday, April 29, at 6:30 AM
Become a patron of ASPAN early Wednesday morning by supporting ASPAN—and earning .75 contact hours. Honor your friends, family and colleagues with gifts to the Hail, Honor Salute (HHS) campaign. Come celebrate new Legacy for Life inductees and enjoy a traditional American breakfast. You can sign up for the Development Breakfast on page 24 of this brochure.

All the money raised from our Development activities is used to fund ASPAN Scholarships, member awards, public awareness and education. Please consider becoming a benefactor by attending our celebratory Development Breakfast, Treasure Hunt and ASPAN Silent Auction.
PRECONFERENCE OFFERINGS

I Watch Over You While You Sleep: Caring for the Perianesthesia Patient Along the Perianesthesia Care Continuum
Speaker: Maureen McLaughlin MS RN ACNS-BC CPAN CAPA

Saturday, April 25, 2020

7:30 AM – 8:00 AM  Registration
8:00 AM – 9:30 AM  Anesthesia Basics and Perianesthesia Nursing Care  1.5 CH DC

HOTEL & TRAVEL INFORMATION

Hotel Accommodations and Conference Location

The Gaylord Rockies Resort and Convention Center is the conference hotel for ASPAN’s 39th National Conference and it offers the perfect location for your visit to Colorado.

Making Your Hotel Reservation

A personalized website for the ASPAN National Conference occurring April 26, 2020 – April 30, 2020 has been created for you.

Making your room reservation is quick and easy by going online and visiting the ASPAN website at www.aspan.org and click on the reservation link on the ASPAN Conference page, or visit https://book.passkey.com/go/ASPAN2020

At the time of booking, you will need to provide a credit card for a one night room and tax deposit. If for some reason you need to cancel your reservation, your deposit is fully refundable up to 72 hours prior to your check-in date.

In order to receive the Special ASPAN room rate of $229.00 single/double plus taxes and fees per night. There is an additional $20.00 per person for any additional guests in the room. Please make reservations by Thursday, March 19, 2020. All rooms and rates are subject to availability, so book early. A daily resort fee, currently $25.00 plus taxes, will be added to the guest room rate per day. If you would like to make an advanced payment you can email the hotel at DL-dengrRoomRequests@marriott.com and ask for an invoice.

Gaylord Rockies Resort & Convention Center
6700 N. Gaylord Rockies Blvd., Aurora, CO 80019

Reservations Toll Free: (888) 840-3143

When calling, identify yourself as attendees of the ASPAN-2020 National Conference.

Parking

Packing at the Gaylord Rockies: Valet Parking is $39.00 Self-Parking is $29.00

In and Out Privileges are for overnight guests only.

**Please note all parking fees and privileges are subject to change without notice. ASPAN is not responsible if prices or rules are changed. ASPAN does not validate parking.

Air Travel

Traveling to the conference by air? The Denver International Airport (DEN) is conveniently located about 6 miles from Gaylord Rockies.

Ground Transportation

Gaylord Rockies is located about 6 miles from the Denver Airport. The hotel doesn’t have an airport shuttle. Alternate transportation options are available such as the airport shuttle, taxi, Uber or Lyft. For other options please visit the website for the Denver International Airport (DEN) www.flydenver.com.
Attire
Business attire is appropriate for the 39th National Conference in Denver, CO, including all educational sessions, exhibits, breakfasts, and luncheons. Dressy attire is requested for the President’s Reception on Wednesday, April 29. Casual wear is expected for Component Night. April in Denver brings an average high of 65 degrees and an average low of 35 degrees. ***Just a reminder the meeting rooms will be set at 68 degrees. Please dress in layers just in case you get hot or cold.

Ticketed Seating
Seating for all educational sessions will be ticketed and is on a first come, first served basis. You are encouraged to register early for those sessions you wish to attend. You must present your tickets when you arrive at each event. No one without a ticket will be admitted. If you are late for a session you may lose your seat.

Volunteers Needed
Host/Hostess: If you wish to volunteer while at the National Conference you can become a host/hostess. Contact Bridget Miller at 719-930-8651 or gigi@themillers.com. You will be compensated for your work as a host/hostess.
Session Moderator: If you want to know more about becoming a moderator contact Chris Buck at 865-387-3863 or mombuck@hotmail.com.

Room Sharing
Will You Need a Roommate at National Conference?
Are you looking for a way to come to conference, but don’t have anyone to share a hotel room with? Not a problem! Simply submit your name to be included on the “Willingness to Share a Room” list. The room sharing list will be distributed to all those who have asked to be included. It will then be your responsibility to directly contact others on the list to coordinate room sharing arrangements and make your own hotel reservation.

The following information is required in order to be included on the list: Your full name, complete mailing address, email address, home and work telephone numbers, and fax number, if applicable. Please indicate how you would prefer to be contacted. Provide any information which will help you and a potential roommate determine compatibility. All information must be received no later than February 16, 2020. The list will be distributed by the beginning of March.

Please email your room sharing request to:
Tina Empey
Email: tinaempey@gmail.com

The hotel room reservation deadline at the Gaylord Rockies is March 19, 2020. All reservations are based upon a space and rate availability basis only.

Certification Information
Conference participants are encouraged to stop by the CPAN® and CAPA® Certification Booth, located in the Exhibit Hall. Members of the ABPANC Board of Directors and staff are available to answer all your questions about CPAN® and CAPA® certification, recertification, awards and scholarships, and volunteering with ABPANC. You can also pick up your free CPAN® and CAPA® ribbons, pens, and buttons.

Members of the ABPANC Board of Directors also offer sessions throughout the week about certification that are geared toward nurse managers and leaders, current certified nurses, as well as nurses interested in certification. If you are already CPAN and/or CAPA certified, consider becoming a part of the CPAN/CAPA exam development process.

CPAN and CAPA certified nurses are invited to register for the annual Certification Celebration Luncheon, being held on Monday. Former CPAN and CAPA certified nurses who have retired may also register for the luncheon.

For Special Assistance
Contact: ASPAN
90 Frontage Road, Cherry Hill, NJ 08034-1424
877-737-9696
Fax 856-616-9601

FULL REGISTRATION INCLUDES:
Comprehensive syllabus, online access to session handouts, all main conference educational sessions, exhibit sessions, component night, president’s reception, and closing breakfast.

DAILY REGISTRATION INCLUDES:
Comprehensive syllabus, online access to session handouts, educational sessions for that specific day, and all events for that day that do not require an additional fee.

GUEST REGISTRATION:
You can purchase individual guest registrations for component night, president’s reception and the closing breakfast.
PRINT OR TYPE. Use a separate form for each registrant. Duplicate as necessary.
INCOMPLETE OR ILLEGIBLE forms WILL BE RETURNED.

Payment must accompany registration form.

CONCURRENT SESSION SELECTIONS

TICKETS WILL BE ISSUED FOR CONCURRENT SESSIONS.

To assist in scheduling rooms of appropriate size and having your tickets ahead of time, please indicate the session you wish to attend for each session time selection. If your first choice is not available, you will be placed in your second choice. Based on the preferences of registrants, the most popular sessions will be assigned to the largest rooms. For session numbers, refer to the concurrent session grid on pages 12-13 or the session descriptions on pages 14-17. PLEASE USE SESSION NUMBERS. If your requested sessions are not available, you will be contacted by mail to choose an alternate session.

This is a preliminary brochure and speakers, sessions and events are subject to change.

CANCELLATION POLICY: All requests for cancellation must be made in writing. All monies paid, with the exception of a 25% administrative fee, will be refunded provided the notice of cancellation is received two weeks prior to the start date of conference (April 12, 2020). No refunds will be provided less than two weeks prior to the start date of conference.

Attendance at ASPAN programs and events constitutes consent to be photographed for use in print and/or electronic publicity for ASPAN.

WEB LINK TO ACCESS THE CONFERENCE SYLLABUS

Please see the email confirmation that was sent to the email address that we have on file for you. This confirmation letter will contain the link for the syllabus online.

COMPLETE BOTH SIDES OF FORM OR IT WILL BE RETURNED TO YOU WITHOUT PROCESSING.
IF FAXING REGISTRATION TO ASPAN, FAX BOTH SIDES OF FORM TO COMPLETE YOUR REGISTRATION.
