American Society of PeriAnesthesia Nurses

Governmental Affairs Strategic Work Team (SWT)

Charter

May 2024 - May 2025

Purpose: The Governmental Affairs Strategic Work Team (GA SWT) monitors pending legislation, governmental regulations and administrative actions that may have an impact on perianesthesia nursing, the nursing profession, and healthcare. Upholding ASPAN's Core Purpose to empower nurses to advance the specialty and promote perianesthesia nursing excellence by keeping current of government regulations affecting the practice.

Authority: Appointed by Vice President/President-Elect with oversight by the ASPAN President.

Scope:

1. Inform and educate ASPAN members about the policy process and the importance of individual and collective participation in the legislative system
 - a. Monitor healthcare legislative and regulatory information and determine appropriate action needed by the Society, GA SWT, or ASPAN membership
 - b. Establish and maintain mechanisms to assure that the Society can effectively respond to relevant issues
 - i. Relay issues and information to the ASPAN Board of Directors and GA SWT, as needed
 - ii. Communicate with component presidents and component GA chairs at least twice a year
 - iii. Update communication tree annually to ensure efficiency
 - c. Monitor other professional healthcare organizations for legislative concerns and establish networking
 - d. Keep membership informed of pertinent issues through ASPAN publications and the website
 - e. Promote the importance of individual and collective advocacy in the legislative process
 - f. Collaborate with the ASPAN Liaison to the Nursing Community Coalition, promote participation and attendance at Advocacy Days in Washington DC
2. Assist components in development of individual GA committees to further ASPAN advocacy efforts at the national and state levels.
 - a. Assist with education on state level advocacy to component leaders
 - b. Provide legislative updates for component newsletter publication

Decision Making: Prepare semi-annual reports to the ASPAN Board of Directors summarizing legislative actions and initiatives. Provide immediate information to the ASPAN President as appropriate when critical issues arise.

Outcomes: ASPAN and its membership are informed of legislative actions and initiatives. ASPAN membership is prepared to take appropriate actions to advocate with legislative bodies to further perianesthesia nursing and health equity for patient populations.
