

American Society of PeriAnesthesia Nurses (ASPAN)
Perianesthesia Academy Planning Strategic Work Team (SWT)
Charter
May 2022 – May 2023

PURPOSE: The Perianesthesia Academy Planning Strategic Work Team (SWT) seeks to explore, plan, and implement an academy aimed at meeting the educational and networking needs of perianesthesia nurses serving in leadership roles.

AUTHORITY: Appointed and provided oversight by the Vice President/President-Elect.

SCOPE:

1. Explore educational needs of perianesthesia nurse leaders.
 - a. Review needs assessments conducted by National Office after workshops/conferences.
 - b. Conduct Membership SPG survey related to preferred Leadership educational topics and needs.
 - c. Compare 2022 survey results with 2018 survey results.
2. In collaboration with National Office staff, plan and conduct an advanced academy on perianesthesia leadership topics.
 - a. Gather ASPAN clinical resources to begin planning a academy.
 - b. Choose a date.
 - c. Choose a location.
 - d. Choose a program outline.
 - e. Seek and confirm speakers.
 - f. Build budget based on location, speakers, other associated costs.
3. Evaluate outcomes.
 - a. Assess financial feasibility of continuing this program into the future (annual, biannual, etc.)
 - b. Review post academy feedback for successes/opportunities.

DECISION MAKING: Prepare semi-annual reports to the ASPAN Board of Directors summarizing the SWT's activity and various follow-up opportunities. Provide immediate information to the ASPAN Vice President/ President-Elect and executive board of ASPAN as appropriate if issues arise.

OUTCOMES: ASPAN will support the educational needs of perianesthesia nurse leaders.
