ASPAN Member No. _____

Name _____
First Last

Home Address _____

City _____ State _____ Zip Code _____

Home phone (_____) _____ Work phone (_____) _____

Primary email address _____ (please print clearly)

About Specialty Practice Groups (SPGs)

Are you interested in joining a member-driven group of nurses who share YOUR special practice/interest in perianesthesia nursing? How would you like the opportunity to network with colleagues and be a resource in your practice area?

The Specialty Practice Groups (SPGs) listed below are waiting to hear from you!

As a SPG member, once you login on ASPAN's website, you'll have access to your SPG's webpage where you can view, print, or download newsletters and other practice information of interest. SPG Zoom meetings are held where you can network with professional nurses who have a passion and commitment for excellence in your special area of practice/interest. A SPG Forum is available online for networking with fellow SPG members. A mentoring process is in place for SPG Coordinators/Vice-Coordinators to rise from within the membership who will provide the framework for activities and growth. SPGs are member-driven!

SPGs are free to all members and optional to join. You may select and join a SPG at any time. The SPG expiration date is tied to your ASPAN membership expiration date. When you renew your annual dues, remember to renew or change your SPG selection(s).

Please check the SPG(s) you wish to join:

- Advanced Degree**
- Management**
- Pain Management**
- Pediatric**
- Perianesthesia Nursing Professional Development**
- Preoperative Assessment**
