

# 2025 Celebrate Successful Perianesthesia Practices CALL FOR ABSTRACTS

ASPAN 44<sup>th</sup> Annual National Conference  
April 28 – May 1, 2025, Dallas, Texas

**Submission Deadline for Abstract Submission for Consideration for Poster and/or Oral Presentation is October 15, 2024.**

"Celebrate Successful Perianesthesia Practices" is your opportunity to present great ideas that you have found to be successful at the grass roots level and share them with ASPAN colleagues. Patient education, process improvements, improved patient care, leadership strategies, and staff education are just a few of the topics you may want to consider. Topics may be derived from any successful practice related to perianesthesia nursing.

Abstracts will undergo an anonymous peer review process by a team of reviewers who will examine your abstract for specific criteria. If your abstract is accepted, you will be assigned to a poster presentation. Poster presenters are required to be in attendance to answer questions during grand rounds.

Select abstracts will also be invited to participate in a Celebrate Successful Perianesthesia Practices PowerPoint Presentation/Discussion in addition to their poster presentation. If you are selected for an oral presentation, you will be asked to present a 10-minute PowerPoint Presentation of your successful practice followed by 5 minutes of questions and discussion with the audience.

Accepted abstracts will be published in the August issue of the *Journal of PeriAnesthesia Nursing (JoPAN)*. Past issues of *JoPAN* may be helpful for abstract development. In addition, your final abstract, a pdf of your final poster, and contact information will be posted on the ASPAN website after conference.
