# ASPAN Seminars

The ASPAN ANCC-COA Accredited Provider Unit determines seminar sites, topics, and dates with input from Component Leaders and ASPAN members.

- Hotels are no longer being utilized for booking seminars. You must have a facility available to submit a request.
- The ASPAN Seminar Meeting Manager makes all meeting arrangements, however, we ask that you make the initial arrangements with your facility. Please be sure that your facility can accommodate at least 50 people with the required equipment to run the seminar, including Wi-Fi (for speaker only).
- **Components:** A **maximum** of two seminars may be requested from each component per season. **All requests must be for a city that is an airport hub.** The location for the seminar must be **within 30 minutes** of the airport. It is now **mandatory** that all requests come from the **component president**. Please coordinate and plan with your component president so they can make your request. Requests are based on the need for education.
- **Facilities:** **All requests must be for a city that is an airport hub.** The location for the seminar must be **within 30 minutes** of the airport. The seminar requested cannot conflict with any component offering or other ASPAN Seminar.
- You may request a specific speaker, but your request is not guaranteed. The ANCC-COA Accredited Provider Unit selects, contacts, and confirms all speakers.
- ASPAN takes care of all logistics and expenses for each seminar. There are no financial commitments for the requesting entity. The requesting entity does not receive any profit from the seminar.
- ASPAN does suggest that you know the educational needs of your colleagues. **A minimum of 20 attendees is required to insure a successful program. Any seminar that cannot meet this requirement will be cancelled.**
- A brochure is developed by the ASPAN National Office advertising each set of seminars. In addition to emailing this brochure to 15,000 ASPAN members, it is also emailed nationally to hospital nursing managers and ambulatory surgery centers, along with other nursing professionals.
- Promotional flyers for each planned seminar will be developed by the ASPAN National Office for distribution to local facilities by the seminar contact person (host/hostess). A successful seminar is dependent on the local host/hostess and component to promote and advertise.
- Registrations are processed through the ASPAN National Office. ***The National Office does not provide printed handouts. The registration confirmation email will direct attendees to ASPAN Learn where the handout may be downloaded or saved to your computer. This direction will also be on the emailed receipt of payment.***
- ASPAN will provide the required handout, online evaluations, and the continuing nursing education contact hour certificates (online). All full-day seminar programs provide 7.25 contact hours. Evaluations will be processed by the ASPAN National Office, and the results sent to the ANCC-COA Accredited Provider Unit to provide feedback from the program.
- **Please note** – the following are **never** permitted at an ASPAN Seminar: Commercial Support, Exhibits, Raffles, Sales, Silent Auctions, Food, etc.
- Audio taping or video taping of any portion of an ASPAN program is **strictly prohibited**.

Your responsibilities for ASPAN Seminars include:

- Promoting the seminars locally
- Providing a liaison (host/hostess) for the seminar (only one host/hostess is necessary/accepted)

This host/hostess will handle registration on the day of the seminar, moderate for the speaker and distribute the required handout. The liaison receives complimentary registration to the seminar and is recognized during the ASPAN National Conference as a Host/Hostess. **This registration is not transferable.**

## General Information

- Registration begins at 7:30 AM; Seminars begin at 8:00 AM and end at 4:55 PM.
- Morning coffee/tea service will be available. Arrangements are made by the host/hostess with their facility. Reimbursement or direct payment is provided by ASPAN.
- Lunch is **not** provided by ASPAN. Attendees are responsible for their own meals.
- Attendance verification is required before access to the online evaluations and certificates is granted. Access will be granted the first business day after the seminar, pending return of the sign in sheet from the host/hostess. It is required that the host/hostess scan and email the sign in sheet immediately following the seminar. Instructions will be provided directly to the host/hostess.

***The ASPAN Seminars provide excellent educational opportunities for perianesthesia nurses. If you are interested in having an ASPAN Seminar in your area, please complete the form located in this pamphlet and return it to the ASPAN National Office.***

Due to the large volume of seminars requested, we must adhere to the following deadline for requesting a seminar in your area:

<b>February 15th for Summer/Fall Seminars (July through December)</b>
---

\*\*\*We will **not** contact a speaker or begin the planning process until the proper form is received in the National Office.\*\*\*
