Website Link: <a href="https://www.tapan.org">https://www.tapan.org</a>	Password: none required

**Mail your completed, TYPED application (hard copy or USB)  
with all backup materials to:**

ASPAN Gold Leaf Component of the Year  
90 Frontage Road  
Cherry Hill, New Jersey 08034-1424

**Or email complete application with all backup materials to  
[ezeiger@aspan.org](mailto:ezeiger@aspan.org).**

- **All questions need supporting documentation. No points will be awarded if documentation is not included or available online.**
- Label each page of documentation with the number of the question to which it corresponds. **Unlabeled documents will not be considered in the review.**
- Please read instructions for each question and answer thoroughly. (i.e. include names, awards given, support to whom, etc.).
- If directing reviewer to your website, include the exact location where to find the information. (i.e. Fall Newsletter, page 3)
- If one activity is used for one question, you cannot use that same activity for another question. Scholarships need to be clear – amount budgeted, amount for scholarship, and number of scholarships awarded.
- If you are supplying a link to your documentation instead of, or in addition to, an actual document, make sure the link is correct and working.
- **Remember to give passwords for web site links if they are required for access. If a reviewer cannot access your documentation, it will not be considered in the review.**
- Use the checklist on the following page to make sure all attachments and web site links are included with your application.

to sarah.hessling

Hi Sarah,

Attached are few items I'm forwarding, please know that the role/position of President is an ongoing learning opportunity. Do your best and you will be just fine!

Don't be hard on yourself, have fun, enjoy the opportunity, network, have patience with yourself and others. Remember the importance of life balance and well-being.

Forty-Five (45) years ago, many great nurses were just where you are today and TAPAN is still going strong!

Challenges are always a great learning experience and you learned from challenges based on your approach and how you view it!

I'm confident you will do a great job my dear MADAM President!

All the best and best of all for a successful Presidency during FY 21-23.

Felicia Selman, MSN, RN, CAPA  
TAPAN Immediate Past President 2021-2023

# TAPAN Leadership Transition Checklist: FY 2020-2021

Leadership Position: TAPAN President September 2019 - 2021 Date: September 30, 2021

Name of Individual Concluding Term: Felicia G Selman, MSN RN CAPA

To assist in the transition of duties, it is an expectation that the outgoing individual will meet with the person who will be assuming the position now held. Consider the following list as a guide for discussion. Review and discuss each item using your personal experience and any relevant handouts. Completion of the list does not preclude further contact and assistance in the role of mentor but does establish the basis for a supportive transition of responsibilities.

Name of Individual New to Position: Sarah Hessling, BSN RN CPAN - TAPAN President September 25, 2021 - 2023

Officers • Directors • Editors <i>Check off or initial items as they are reviewed</i>	(*Committee Chairs: see reverse side*)	Initials / <input checked="" type="checkbox"/>	Date Completed	Comments
<b>A) Review of job description specific to position</b>

## TAPAN Business Meeting Minutes

---

Houston, TX (Virtual) ZOOM Platform

January 17, 2021

### **Present:**

Felicia Selman – President  
 Linda Allyn – Treasurer  
 Deborah Davis – Immediate Past President/interim GA  
 Sonia Deleon – Regional Treasurer  
 Susan Russell – Policy & Procedure Coordinator  
 Susan Norris – Webmaster Editor  
 Mollie Smith – Membership & Marketing Committee Chair  
 Lynette Alcorn – North & East Region President

### **Absent:**

Sarah Hessling – Vice President/President-elect  
 Lori Rabago – 2<sup>nd</sup> Vice President

### **Excused:**

Louise Meymand – Deployed -Government Affairs Committee

**Meeting brought to order January 17, 2021 at 4:30 pm by President Felicia Selman.**

The meeting was opened with prayer by President Felicia Selman

Deborah Davis designated to take notes for the meeting.

### **Report**

Minutes from last meeting (November 15, 2020) were reviewed. Linda Allyn made a motion to approve minutes, 2<sup>nd</sup> by Deborah Davis, Board members voted in favor. Motion passed.

*Question #3*

**Treasurer's Report: Linda Allyn**

Reported a balance of \$ 92, 257.60.

Linda, Sonia, and Mollie have met on two occasions to be mentored. Linda Allyn reported she is trying to access the Quick Books system but has been unsuccessful.

**Regional Treasurer's Report: Sonia Deleon**

North & East Region	\$ 10, 821.60
Upper Gulf Coast Region	\$ 23, 356.09
West Texas Panhandle Region	\$ 3, 184.38
Hill Country & South Texas Region	\$ 12, 609.10

**Committee Chair Reports:**

**Membership and Marketing: Mollie Smith**

Total membership was 1043 ending October 2020, As of October 2020, the regional division of members are as follows:

- State Members - 10
- North and East Region – 274
- Upper Gulf Coast Region – 407
- West Texas Panhandle – 98
- Hill Country and South Texas Region – 224

Felicia reported that comparing total membership: Dec. 2019 (1095 members) to Dec.2020 (993 members) there is a 4.8% decrease. This information came from ASPAN Eileen Zeigler.

**Research Chair: This position is unoccupied.**

The group has met monthly to review JOPAN articles. An article was reviewed today 1/17/2021. It was led by Felicia Selman and 19 TAPAN members participated virtually.

**Policy & Procedure: Susan Russell.**

Susan Russell informed us that there will be a review in Feb. or March.

**Governmental Affairs: Louise Meymand** -Pelletier is on active military duty. Deborah Davis is filling in. Deborah joined ANA.

**Webmaster: Susan Norris**

Reported that the TAPAN website is up to date. Policies and procedures are uploaded.

*Question #3*

**Region President Report:**

**North & East** –President Lynette Alcorn,  
Stated all their board position are filled.

**Hill Country/Austin** - President Lori Rabago (not present) but reported by Felicia, they are having quarterly meetings.

**West Texas/Panhandle** – President Trina Mora (not present) reported to Felicia, that they have had general meetings and mission work is planned. Also, they are trying to liaisons in Lubbock (Gina Davis) and El Paso (Katherine Tollet).

**UGCR** has been inactive. Vice President: Frances Garza, updated Felicia and “does not believe she can fulfill the duties of president.” Susan Russell suggested that the V. Pres. Could call a meeting and reorganized this region. Felicia will talk with Katherine Simpson, (immediate Past President) to see if a virtual meeting can be called, possibly a TAPAN on the “Web” vs on the Road to possible “reboot” UGCR a tentative date of March 20, was suggested.

**ASPAN LDI:** Felicia reported that TAPAN participated in the virtual ASPAN LDI on Nov. 7, 2020. There were 16 UGCR; 9 N7E; 3 HCST; and 3 WTX (31 total TAPAN virtual attendees). She stated that the board members need to encourage TAPAN members to up for ASPAN scholarships. Felicia will send a notice to ASPAN stating that our annual dues will stay at \$ 40. She reminded the board members to encourage members to vote for ASPAN officers. The ASPAN National Conference will be April 25-29, 2021. It will be in Orlando, Florida and attendance will be virtual or live.

Representative Assembly members for TAPAN will be Felicia and Sara. Lori and Sonia will be alternatives. TAPAN will be eligible to participate in the 2022 ASPAN Gold Leaf award. Linda stated that ASPAN is reviewing the Gold Leaf Application. Felicia reported that the Jan. 9, 2021 TAPAN virtual Leadership conference was attended by 14 members. There were 3 speakers.

Deborah Davis – Gold Leaf ; Vicky from ABPANC and Sarah Hessling.

TAPAN did not send a Donation to ASPAN’s challenge “Strength in Numbers”.

Sonia Deleon reported that TAPAN member, Betty Smith, received Recruiter of the Year Award in 2019 but this was a group membership paid by their hospital. Deborah will check if the hospital actually paid. Cielito Ascio and Pam Windle both recruited six members. Cielito will receive the free membership renewal because Ram receives her renewal through ASPAN.

Nurses Day at the Capitol will be Feb. 8, 2021. Deborah Davis will attend virtually. PANAW is Feb. 20-21, 2021. Felicia has requested an acknowledgment from the Texas Governor.

Susan Norris reported that overall ASPAN membership is down 4%.

TAPAN State Conference 2021 was set up for Sept. however, due to COVID 19 we will not be meeting in person. Linda Allyn made a motion to make the 2021 TAPAN State Conference virtual, 1 day conference, 2<sup>nd</sup> by Deborah Davis. Felicia will check with the Marriott to see if the Houston location can be changed to 2022.

Meeting adjourned at 1841.

Minutes submitted by Deborah Davis, Immediate Past-President.

Question  
#3

## TAPAN Business Meeting Minutes

---

Houston, TX (Virtual) ZOOM Platform

March 28, 2021

### Present:

Felicia Selman – President  
 Linda Allyn – Treasurer  
 Deborah Davis – Immediate Past President  
 Sonia Deleon – Regional Treasurer  
 Susan Russell – Policy & Procedure Coordinator  
 Louise Meymand – Governmental Affairs Chair  
 Mollie Smith – Membership & Marketing Committee Chair  
 Lynette Alcorn – North & East Region President

### Absent:

Sarah Hessling – Vice President/President-elect  
 Lori Rabago – 2<sup>nd</sup> Vice President  
 Susan Norris-Webmaster

**Meeting brought to order March 28 at 4:36 pm by President Felicia Selman.**

The meeting was opened with a statement about Palm Sunday. Deborah Davis was designated to take minutes.

### Meeting Minutes:

Minutes from last meeting (Jan. 17, 2021) were review. Mollie Smith asked for a clarification of the Jan. 17, 2021 minutes. Under ASPAN LDI: the correction should be: *She stated that the board members need to encourage TAPAN members to sign up for ASPAN scholarships.*

**Treasurer's Report:**

Linda Allyn Reported our current balance of \$ 97,750.26. She has been having a difficult time with Chase Bank (Bastrop) with distributing the money to the regions. Linda has processed the reimbursement for officer's who are attending the ASPAN Virtual National Conference.

**Committee Chair Reports:**

**Membership and Marketing:** Mollie reported that the present membership total is 1,002. We had 86 new or renewed members.

**Research Chair/Education: This position is unoccupied.**

Felicia reported that our Feb. 2021 meeting was postponed. We will be having a meeting April 18 virtually. This will be a pediatric topic.

**Policy & Procedure: Susan Russell.**

Susan Russell informed us that our policies are up to date.

**Governmental Affairs:** Deborah Davis and Louise Meymand reported that they attended the virtual 'Nurse Day at the Capitol'. This was Louise's 1<sup>st</sup> time to attend and she felt it was a great introduction to ANA's Governmental Affairs.

**Eyeopener:** Felicia submitted a copy of our Eyeopener to ASPAN for the People's Choice Award. She encouraged everyone to go on the ASPAN website and vote for it.

**ABPANC:** Felicia reported that TAPAN received the 2021 Star Award from ABPANC.

**ASPAN Representative Assembly:** President Felicia Selman stated that ASPAN had a virtual RA meeting. TAPAN members who voted for ASPAN officer positions was 14 voters.

**ASPAN 2021 Virtual National Conference:** Linda Allyn asked if we will be promoting attendance and give scholarships to members to attend. The board agreed to promote attendance.

**Gold Leaf Application:** Felicia stated that TAPAN will be eligible to apply in 2022.

**TAPAN State Conference:** Felicia has made contact with the Sugarland Marriott recently, in regards to our state conference 2022. The hotel representative informed her that we will need to make a deposit to hold the venue. The board agreed that we will submit this deposit in order to secure that facility.

Question #3 <sup>3</sup>

**Region President's Reports:**

Trina Mora, (W. Tex/Panhandle Region) reported that a board mtg. is being planned. They want to emphasize membership engagement.

Felicia stated that she recently spoke to a sponsor from a drug company and they had a presentation which might be used for our membership. She spoke with Lynette Alcorn (N & East Tx. Region) President. They recently had a virtual conference.

Upper Gulf Coast Region-inactive

Hill Country/So. Tex. Region has a virtual conference coming up April 17, 2021.

Meeting adjourned at 1821.

Minutes submitted by Deborah Davis, Immediate Past-President.

## **Absent:**

Linda Allyn -- Region Treasurer  
 Katherine Simpson -- Research Chair/Education

**Meeting brought to order October 3, 2021 @ 7:04 pm by President Sarah Hessling.**

The meeting was opened with an inspirational comment. (Deborah Davis was designated to take minutes).

## **Meeting Minutes:**

Minutes from last meeting (March 2021) were reviewed without corrections.

## **Treasurer's Report:**

Sonia Deleon stated that our current balance as of (Sept. 25, 2021) was \$ 101,217.44.

UGCR -- \$26, 751.89; W. Tx/Pan -- \$3,573.94; N. & E-- \$12,760.94; Hill Country -- \$14,175.09.

Question #2 3

The board discussed that efforts must be made to decrease the amount of money in the bank account in order to maintain our non-profit status. Mollie suggested that scholarships be given to our members to attend the upcoming ASPAN LDI. Felicia made a motion to give each region money for any member to attend the ASPAN LDI. Susan Russell suggested we donate to a non-profit agency (i.e. Red Cross). A motion was made by Lori/seconded by Felicia to send \$20/member to each region.

#### **Committee Chair Reports:**

**Membership and Marketing:** Susan Norris reported that the present membership total is 1,004.

#### **Research Chair/Education:**

Felicia spoke about the upcoming ASPAN Leadership Conference (Nov. 13, 2021). It will be in Kansas City, Missouri and virtual. Sarah suggested that each member who attends the CDI receive \$25. A motion was made by Felicia to reimburse TAPAN board members/ chairs who attend the ASPAN CDI (seconded by Lori). The motion passed.

**TAPAN State Conference:** Felicia reported that the Sugarland Marriott venue is confirmed for 2022. There were 88 TAPAN members who attended the 2021 TAPAN State Conference (virtually). One component (North and East Region) submitted a video for the Bluebonnet and ORA award. A \$150.00 award will be sent to the N&E. Motion made by Felicia and 2<sup>nd</sup> by Lori. Sarah stated that we are out of the Star lapel pins that are normally given to the winners. Winners of the TAPAN Star should have CPAN or CAPA certifications. There were some who did not have CPAN/CAPA. TAPAN will grant reimbursement for CPAN/CAPA certification (registration fees) up to 2022.

**Policy & Procedure:** Susan Russell will send out the policies needing updates to the board for (comments and changes).

**Governmental Affairs:** Louise Meymand reported that she will resume her position as the TAPAN GAC. Deborah Davis will inform the ASPAN GAC Chair (Donna Goyer) of this change.

**Eyeopener:** Felicia reported that the TAPAN Eyeopener Winter edition won the ASPAN Newsletter Award in the 15+ pages category! The board thanked Felicia (Eyeopener Editor) for her creativity and for submitting the newsletter.

**Gold Leaf Application:** Felicia is working on the 2022 ASPAN Gold Leaf Application. She asked everyone to push Certification.

**Next board meeting:** Nov. 21<sup>st</sup> @ 5pm. The meeting adjourned @ 8:15p

Minutes submitted by Deborah Davis, (acting secretary).

*Section #4*

---

### Purpose:

The TAPAN bylaws provide the foundation for the regulation of the affairs of the Association. The bylaws require periodic review to ensure they reflect both the bylaws of the American Society of Perianesthesia Nurses (ASPAN) and the current needs and practices of TAPAN.

### Policy:

The Association bylaws shall be consistent with the bylaws of ASPAN, and reflect the rules of governance of TAPAN. A systematic review of the Association bylaws shall be performed by the Policy and Procedure Coordinator and Executive Board at least every three (3) years. Proposed revisions or amendments shall be approved by the Executive Board and notification sent to the general membership.

### Procedure:

1. The Policy and Procedure Coordinator shall review the Association bylaws at least every three (3) years.
2. The Association bylaws shall be reviewed and revised as necessary.
3. Any changes to the Association's bylaws shall be consistent with ASPAN's bylaws and shall reflect the current needs and practices of TAPAN.
4. Proposed changes to the bylaws, by either revision or amendment, shall be approved by the Executive Board.
5. The general membership shall be notified of the intent to alter, amend or repeal the bylaws, or to adopt new bylaws, at least thirty (30) days prior to action by the Executive Board. This may be accomplished through publication of the intent in the Eyeopener, or by other means as directed by the Executive Board.

## TAPAN Welcome our New Members, Summer 2021

TAPAN board is here for you, our work continues, with the inability of in person meetings over the last year and a half, members are provided with the opportunities to participate in online activities across the state. We encourage you to reach out to the board officers or your region leaders. New members join the following regions.

- North & East Region – 25
- Upper Gulf Coast Region – 35
- West Texas Panhandle Region - 1
- Hill Country and South Texas Region – 13

On behalf of TAPAN Executive Board of Directors, Committee Chairs, Region Presidents, and our current members, we extend a warm welcome to Texas Association of PeriAnesthesia Nurses (TAPAN). Your membership with ASPAN/TAPAN offers multiple benefits: from improving your clinical practice with up-to-date EBP support to Leadership Development. Please visit [aspan.org](http://aspan.org) and [tapan.org](http://tapan.org) to learn more about the extensive benefits your membership provides, just to name a few:

- **Education:** Free online continuing education articles
- **Publications:** Free subscription to Journal of PeriAnesthesia Nursing, a \$ 177 value
- **Collaboration:** Clinical Practice Network, Specialty Practice Groups
- **Advocacy:** Government affairs, PeriAnesthesia Nurse Awareness Week (PANAW).
- **Other Benefits:** Scholarships, Awards, CPAN/CAPA certification exam fees

The Executive Board and Committee chairs extend this welcome and hope to partner with you to become involved in the activities in your respective regions. Your expertise is much needed, we can learn so much together. Reach out to your Region President and ask for a willingness to serve form (WTS) or you can find one on [tapan.org](http://tapan.org) website, under forms. Join our Facebook page, visit our website to stay informed of all activities in at the region, state, and national level.

Your TAPAN Leaders thank you for your membership and the trust you have placed in us to lead. We are all leaders from the bedside to the boardroom. TAPAN is willing and ready to stand along your side serving in the role you choose to give back in service as a leader.

Stay well,

Felicia Selman, MSN, RN, CAPA  
TAPAN President 2019-2021

## Membership and Benefits

ASPAN is the leading association for nurses practicing in all phases of preanesthesia and postanesthesia care, ambulatory surgery and pain management. Our member benefits are extensive and include all of the following. In fact, just one or two of these benefits more than covers the annual membership fee.

## ASPAN – Member-Get-A-Member Campaign

**This is an opportunity for you to invite your colleagues to become ASPAN/TAPAN members.**

Promotional materials and membership application can be obtained by reaching out to the National Office at [www.aspan.org](http://www.aspan.org) or call the (877) 737 9696. Once you invite colleagues, be sure to place your name as the recruiting member on the application to make sure you are recognizing, you could be a:

TAPAN TOP Recruiter or ASPAN Recruiter of the Year!

### TAPAN 2020 TOP RECRUITERS

*Cielito P Ascio, BSN, RN, CPAN – 6 Members*

*Pamela E Windle, DNP, RN, NE-BC, CPAN, CAPA, FAAN, FASPAN – 6 members*

### Editor's Note

Felicia Selman, MSN, RN, CAPA – Eyeopener Editor

TAPAN's mission includes advancing nursing practice through education, research, and standards. We offer our members opportunity to meet these goals through publication of articles in this newsletter. Every member of our component are invited to submit articles for publication in the Eyeopener. Members do not need to be an experience author. All articles are reviewed, and the member will receive appropriated feedback if needed. If you are anyone of your perianesthesia colleagues have an idea for an article and not sure if it would be appropriate to submit, send a brief summary of the intended article to: [tapancomponentpresident@gmail.com](mailto:tapancomponentpresident@gmail.com) Stating why you think it would be of interest to your fellow perianesthesia nurses, and when you expect to be able to submit it.

Articles will generally be printed within 3 – 6 months of submission.

Your input has value to your fellow Perianesthesia Nurses and the publication of our Specialty Newsletter – Eyeopener!

**Sarah Hessling TAPAN <sarah.hessling@yahoo.com>**

Aug 8,  
2021,  
11:39  
PM

To TAPAN Hill Country Region Members:

Good evening, Hill Country Region,

I want to personally thank all of you for keeping your membership up to date during the COVID-19 pandemic. I feel that we all need to stick together during this time and stay connected. We are all feeling the impact of the COVID-19 pandemic in both our work life and personal life. I want to revamp the Hill Country Region and start with zoom interactions. I know zoom is not the same as meeting in person, but it is also important to stay safe especially in this area right now. As soon as this rise is on the decrease, we will meet locally in San Antonio or in your area. If you are interested in learning more about the revamp and wanting to start a community support group in your area, please let me know. I would love to help out and come to your community meetings. I have a personal zoom account that I would gladly set up for meetings for anyone and TAPAN has access through ASPAN for a zoom meeting as well.

I will also keep you updated in more events to come. First, we have a free leadership conference THIS Saturday August 14, 2021, at 0830 via ZOOM, see attachment. Second, TAPAN will be hosting a State Conference with information from new medications that are helpful in the perianesthesia areas. This will be held via ZOOM on September 25, 2021, in the morning. Information will be released after the leadership conference.

To stay updated, please set up a free account with our website: [TAPAN Hill Country & South Texas Region | Nursing Network](#). This way you will be updated even sooner.

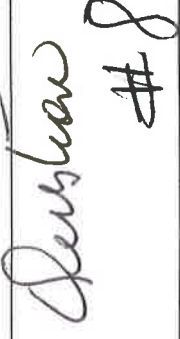

*Question #9*

If you want to write an article about your experience during this COVID-19 pandemic, I feel that a gathering of this information would be a great time capsule for future nurses and future healthcare workers of how we were resilient, and this too shall pass. Please email me with your article by August 31, 2021. If there is something you would like HCSTR to work on, please let me know! I look forward to working with Hill Country again and hopefully soon be able to meet up in person again!

Sarah Hessling BSN, RN, CPAN  
TAPAN Vice President 2019-2021

Rex Gucela, BSN, RN, CPAN, CAPA  
1221 Dimond Cover Pl  
El Paso, TX 79912-7488

Tuesday, December 7, 2021

Hi Rex

My name is Felicia Selman, Immediate Past President for Texas Association of PeriAnesthesia Nurses (TAPAN). It was nice talking with you today, once again Congratulations on your double certification CPAN- CAPA, and for recruiting nine (9) new members for ASPAN and TAPAN Component.

There are multiple benefits for maintaining your membership active, as well as tremendous saving on educational activities at the National and State level, when registering to attend National or State Conferences, there are major savings.

Many challenges over the last several months, may cause a lapse in time and we may forget the renewal membership process. We are reaching out with a gentle reminder, If possible, please renew your ASPAN/TAPAN membership!

In addition, you are one of the runner up for ASPAN "Recruiter of the Year" your membership needs to be active to be potentially considered for this award. Your dedication to Perianesthesia specialty is appreciated, we hope to see you in Philly at National Conference in 2022.

Please save my contact info and feel free to reach out with any questions or concerns.

Warm regards,

Felicia Selman, MSN RN CAPA

## Leena Mathew (ASC PACU)

From the moment I returned from my procedure, Leena continually checked on me to make sure I was okay. For all the hours I waited on follow up X-rays over the next 5+ hours, she would walk by and check on me frequently and encouraging me to rest. As additional X-rays were required, she was involved in contacting my husband and keeping him up to date on my progress. Once I was cleared to leave, she helped me quickly dress, repeated the directions for my care and made sure I understood exactly what I needed to do. And if that was not enough a couple hours after I left, Leena called me to see if I had eaten, checked my pain level, and made sure I was ok. She closed the conversation by saying "See you too, now." and I thought to myself "I hope I do get to see her again."

*Congratulations*

Question  
#10

### **TAPAN's History**

The Texas Association of Post Anesthesia Nurses was formed in 1976. The organization became incorporated on April 2, 1984 as a non-profit corporation.

**The initial Board of Directors was:**

**Elaine K Mueller – Dallas**

**Mary Donahugh – Ft. Worth**

**Joyce Nelson – Galveston**

**Ida Hodge – Ft. Worth**

**Gayle Trent – Dallas**

**Peggy Ebensberger – Round Rock**

March 24, 1996, the TAPAN Board met and adopted a resolution to change the name of the organization from the Texas Association of Post Anesthesia Nurses to the Texas Association of PeriAnesthesia Nurses.

2009, the TAPAN Board undertook the task of redrawing the district lines in order to better meet the needs of the membership. The resulting 5 regions are:

**North & East Texas**

**Upper Gulf Coast**

**Hill Country and South Texas**

**West Texas and Panhandle**

**Far West Texas**

2019, the TAPAN Board made the decision to officially deactivate the Far West Texas Region and the members were welcomed into the West Texas and Panhandle Region.

ASPAN 40th National Conference culminates today, I'm so proud to be a member of this exceptional Nursing Specialty Organization and the Board of Directors for all the work done to make this Virtual Experience memorable!

So proud of TAPAN Component and all it's members! From our Regional Director Region 2, SWT Coordinator, Committee Members, two (2) TAPAN exceptional Faculties who spoke at the conference. TAPAN had eleven (11) posters displayed: Two (2) Research EBP QI and nine (9) Celebrating Successful Practice Posters. Wow congrats to ALL, so proud of your dedication to PeriAnesthesia Nursing. Let's prepare to shine again. Save the Date: ASPAN 41st National Conference, April 7-10, 2022 Philadelphia, Pennsylvania! God's willing see you there.

Hello UGCR Leaders,

Hoping this email finds everyone well. My continuous gratitude for all your hard work and dedication to our Perianesthesia Nursing specialty, TAPAN and UGCR,

These last several months has been a challenge for everyone in the healthcare industry as we continue to give of ourselves while staying vigilant at the frontline in a constant battle with the COVID-19 pandemic.

If circumstances were different, we would love to have the ability to meet in person, since that is not possible at the present time, please indicate what is the best way to communicate with Upper Gulf Coast Region Leaders. Leading a professional specialty organization at the region level can be challenging and outside of our comfort zone, in addition to all the other responsibilities at hand.

Please know many of us on TAPAN Board of Directors have been exactly where you are, we congratulate you for the exceptional work UGCR have accomplished over the years, and the leadership you have demonstrated.

A great opportunity ASPAN offers is the use of its technology via Zoom, please advise if TAPAN can schedule a meeting to hear your questions, concerns, or challenges to get the region up and running again,

Warm regards,

Felicia Selman, MSN, RN, CAPA  
TAPAN President 2019-2021

**Felicia Selman <tapancomponentpresident@gmail.com>**

Jan 31,  
2021,  
2:18 PM

to TAPAN Component Members

Hello all,

Happy PeriAnesthesia Nurse Awareness Week. Hope everyone is well and staying safe while continuing the challenge of the pandemic and the news of the new variants in our country.

Unfortunately, I have not received the anticipated Governor's proclamation for PANAW. I was hoping by Friday to see something in the mail or my inbox, but nada. Not sure with the current health crisis our request was not able to make top priority of the list of requests from citizen's.

Nevertheless, I have attached an appreciation letter to our members. I'll post on the TAPAN webpage, you are welcome to do the same on your respective Region webpage.

Additionally, in celebration of PANAW, Lynette Alcorn, President of North and East Region put together a Virtual PANAW Conference 2021. February 6, 2021. Registration is **FREE**, take advantage as she graciously offered the opportunity for all regions to participate. The flyer is attached and is also on [tapan.org](http://tapan.org) webpage. You must register to attend.

For PANAW I will be posting on [tapan.org](http://tapan.org) website a question for all current perianesthesia nurses to write in a short sentence addressing: What does it mean to be a PeriAnesthesia Nurse and how membership benefits you as a specialty nurse? Members will have the opportunity to visit our webpage and write the sentence, until the end of PANAW.

We will randomly select (1) winner from our (4) respective regions. The winner will receive a 2021-2022 PeriAnesthesia Nursing Standards Practice Recommendations and interpretive Statements. ASPAN has a discount when 3 or more is purchased. This will be less than the amount required for an approval motion.

Question #12

Next, the last day to register to attend the Virtual Nurses Day at the Capitol is Friday, February 5, 2021.

If you are interested in attending as a board member, or if you know of a region member in your area interested in governmental affairs and advocacy, we can offer a scholarship in the form of registration payment to attend this important half day event.

Please let me know if you are interested. Deborah Davis, Lynette Alcorn, and myself registered to attend. A brief summary of your experience will be posted in our next eyeopener newsletter.

February 28 is the last day for members to submit a feedback for ASPAN 2021-2022 candidates for board of director. **Please help** to spread the word or provide assistance to your colleagues to login to ASPAN and submit their feedback, Encourage each one to help someone else, each one teach one!!

Lastly, February 21 is another JAPAN article review, once more spreading the word on this opportunity allows members to earn free contact hours in the comfort of your home, while we learn together.

Deborah Davis, our Immediate Past President has reached out to one of the authors of the article and hopefully she will be able to join. A staff nurse from Texas Children Hospital will be facilitating the review, this is an opportunity to get members involved.

We will be asking someone from the other regions if they would like to volunteer. We are all in this together as we support each other in our professional development.

Please submit or have members submit any accomplishment or any evidence-based article for our upcoming spring edition newsletter, deadline extended until February 28, 2021.

Sorry for the long email, I missed you guys so much, looking forward to the days we all can be together again, without concern of the virus and his variants..."cousin's"

Warm regards,

Felicia Selman, MSN RN CAPA  
TAPAN President, 2019-2021

Question:  
#17

## Texas Association of PeriAnesthesia Nurses

The unique role of nurses in the healthcare industry, as allowed the public year after year to consider nurses as the most trusted profession in America.

The Texas Association of Perianesthesia Nurses Executive Board, extend our appreciation and celebrate with every nurse the honorable distinction. Additionally, we acknowledge, congratulate, and commend nurses' practicing in all phases of preanesthesia, postanesthesia care, ambulatory surgery, and pain management.

Your engagement as perianesthesia nurses providing wide range of quality care in your daily interaction with patients, their family, and the multidisciplinary team place you as the backbone of the health care industry. During this challenging year, it would have been easy to become discouraged and step away when your expertise, knowledge, and strength was put to test.

You step around ALL the challenges, role up your sleeve and provided your perianesthesia specialty knowledge and skills in areas you may have not worked in years. You continue to work alongside your colleagues in the care of our vulnerable COVID-19 patients who are still suffering the devastating effects of the SARS-COV-2 Virus.

For that we are grateful and sincerely appreciate your continuous dedication to perianesthesia nursing specialty, keep up the excellent work. We are pleased to have you as part of this wonderful specialty.

*PeriAnesthesia Nurses - Compassionate, Caring, Committed*

**Happy PeriAnesthesia Nurse Awareness Week (PANAW) February 1-7, 2021.**

With best wishes

Felicia Selman, MSN RN CAPA

Hello TAPAN members,

Hope this email finds you well.

As we all continue to navigate the impact of the freeze, we have all experienced this week state-wide, I encourage you to consider in the midst of it all self-care!

See attached notice in reference to the JOPAN article review for month of February.

Please reach out with any questions or concerns.

Warm regards,

## **Texas Association of Perianesthesia Nurses**

Thursday, February 18, 2021

### **TAPAN monthly educational article review postponed!**

This decision was made in consideration of the many who have experienced or may still be experiencing power and water outages and possible property damages due to the record winter freeze.

I understand that we have all experienced many challenges this week, as well as state-wide emergency situation impacting care delivery. Please take this time to recover, reflect, and rest if at all possible.

The review was schedule for Sunday, February 21, 2021 from 3:00 – 4:00 pm and will be postponed for a future date that will be announced with ample time to allow for participation.

Take care and be safe. Please know that the Executive Board and I have each one of you in our thoughts and prayers.

Warm regards,

Felicia Selman, MSN, RN, CAPA

Bcc TAPAN Component Members

Dear TAPAN Leaders, members

I would like to extend my appreciation for the amazing work done by each and every one of you over the last 24 months of my Presiding of the TAPAN Component.

Your diligence, self-motivation as well as dedication to always go the extra mile in order to achieve the best possible results is really admirable. Six months into my presidency we were faced with an unprecedented challenge of a *pandemic* none of us have experienced in our lifetime. However, that did not stop the progress of our commitment, we went virtual and were able to celebrate our 45<sup>th</sup> Annual State Conference with the participation of our members from all four (4) regions. Because of the diligence and dedication, you demonstrated TAPAN will continue to soar.

TAPAN Board of Directors knows the amount of effort that you put into the success of this wonderful specialty "*Texas Association of PeriAnesthesia Nurses*"; we want to assure you that your efforts are significantly appreciated.

As I transition into the role of Immediate Past President 2021-2023, I am confident you will continue to give of your talent to help our association move forward and become stronger than ever. Lots of opportunities to grow and develop personally and professionally are available, take on the challenge, and know that someone will be at your side to help you succeed in the journey. I will be reaching out to many of you to share the opportunities available as your Immediate Past President (IMPP).

Give your support to our newly installed President Sarah Hessling, as we continue to search for emerging leaders who are willing and ready to be developed as the leaders of tomorrow,

Thank you so much for your hard work and effort. We are lucky to have you on our team.

Kindness regards,

Felicia Selman, MSN, RN, CAPA  
TAPAN Immediate Past President 2021-2023

Question  
# 17

Hi Sarah. The submission deadline for the 2021 Gold Leaf Component of the Year application is February 1, 2022. Attached is the membership list for TAPAN as of 12/31/21.

TAPAN Membership as of 12/31/2021: 979  
TAPAN Membership as of 12/31/2020: 993

These numbers indicate a 1.41% decrease.

If you are not the person filling out your Gold Leaf Submission, please pass this information along to the correct individual. Let me know if you have any questions.

## TEXAS ASSOCIATION OF PERIANESTHESIA NURSES

Subject: Federal and State Tax Responsibilities

T-001

Review Responsibility: Executive Board

Resource: Executive Board

Effective Date: February 2014

Reviewed: February 2017; March 2020

Review Due Date: March 2023

*Question*  
*#18*

### Purpose:

To ensure that TAPAN complies with all federal and state tax laws.

### Policy:

TAPAN is a non-profit, 501(c)6 organization, whose fiscal year runs from January 1 through December 31; Internal Revenue Service # 30-016794; DLN # 403015029.

### Procedure:

1. During the Executive Board transition period, September through December 31, the outgoing TAPAN Treasurer shall collaborate with the incoming TAPAN Treasurer to ensure that all appropriate forms are completed and filed with the State Comptroller's Office, and Secretary of State for Texas. Forms include, but are not limited to: 1096 filed annually by January 31; 1099 Miscellaneous Income used for anyone paid \$600 or greater; W-9 will be obtained from anyone receiving \$600 or greater; Texas Sales and Use Exemption Certificate; 990 EZ; 99 Schedule A.
2. Contract labor such as lawyers, accountants etc. utilized by the Association during the fiscal year, and any speaker who received an honorarium in excess of \$600.00 shall be issued Tax Form #1099 MISC prior to January 31. The Treasurer shall file the copy and cover sheet with the Internal Revenue Service (IRS).
3. Federal income tax forms shall be completed and filed in accordance with federal regulations.
4. Copies of all correspondence to and from the U.S. Department of the Treasury, and State Comptroller's Office shall be kept on file for a period of seven (7) years. (See TAPAN Policy R-002 Record Storage.)
5. All financial records, expenditures, and receipts for the immediate past five (5) years shall be readily accessible to the Treasurer. A remaining two (2) years of records, for a total of seven (7) current years, shall be stored and maintained as designated by Policy R-002.

## TEXAS ASSOCIATION OF PERIANESTHESIA NURSES

Subject:

**Audit of Financial Records**

A-004

Review Responsibility:

Executive Board

Resource:

Executive Board

Revision Date:

June 2014

Revised:

October 2018

Review Due Date:

October 2021

*Question*  
*#18*

### Purpose:

To verify the accuracy of the TAPAN financial records.

### Policy:

The financial records of the Association will be audited biannually at the Fall and Spring Executive Board meetings by three (3) members of the Executive Board, independent of the President and Treasurer. A professional audit by a CPA (certified public accountant) will be conducted at least once every two years and when a new treasurer takes office.

### Procedure:

1. The Treasurer will provide the reviewers with the original bank statements, and a ledger report of income and expenditures that have been incurred since the last audit.
2. Upon completion of the audit, the reviewers will sign a written verification of the audit, which shall be kept on file by the Treasurer (Addendum 1).
3. A verbal report of the audit will be given by the Treasurer at the Board meeting, and entered into the minutes.
4. Any discrepancy will be reported to the Executive Board, and appropriate actions taken to reconcile the financial records.

*Question #19*

**Lynette Alcorn <alcornlynette@gmail.com>**

Feb 26,  
2021,  
11:27 PM

to Felicia

Good Evening Madam President,

Please see the attached of my experience at Nurse Day at the Capitol. I apologize for the delay, but I have been very sick, was diagnosed with COVID and today is the first day I could even hold my head up. I pray you and your family are well.

Sincerely,

Lynette Alcorn

Question  
#19

On February 8th, I had the awesome opportunity to attend the 2021 Virtual Nurse Day at the Capitol. This was my first year to attend, and I learned so much! There was open dialogue from our state representatives regarding some nursing issues and legislation which are being addressed with our state law makers this session that will directly impact nurses. I was also overjoyed to learn, for the first time in history, a nurse was named the Chair of the Public Health Committee. I left this session feeling empowered with a strong sense of encouragement to stay actively involved on a local level so that the voices of nurses will remain unsilenced.

to Linda, Felicia

Good afternoon Linda,

I have been reimbursed already. I turned in my receipt in February, received reimbursement and wrote a small article about my experience. Thank you so much for making sure I have already been reimbursed!!

Thanks again!!

Lynette

to Linda, dlynalcorn@tx.rr.com

Hi Linda,

My apology, full disclosure :) I did reimburse Lynette. I was not sure if I had sent you her receipt or not, and when I went to look for it could not find it. I either accidentally delete it or save it somewhere and couldn't find it!

Lynette submitted her article immediately after the Nurses at the capitol event. Her article will be published in the spring eyeopener which will be posted soon. Thanks

Felicia

Question  
#20

ASPAN 40<sup>th</sup> National Conference: April 24 -29, 2021  
Scholarship Application

Precision vision: Empowering, Innovation and Well-being

Texas Association of PeriAnesthesia Nurses (TAPAN) is offering eight (8) competitive scholarships for members with active membership. The total reimbursement amount in the form of a scholarship award **will not exceed** the registration fee paid by the applicant. **Copy of ASPAN Receipt of Registration Fee is required.** Applicants receiving funding from other sources are ineligible for TAPAN scholarship funds.

The National Conference Early Bird deadline for registration is **March 31, 2021.**

Include a brief paragraph response to any two (2) of the questions listed.

- ❖ Why do you want to attend ASPAN 40<sup>th</sup> National Conference?
- ❖ What will you do with the knowledge learned at the conference?
- ❖ How do you plan to grow professionally as a perianesthesia nurse?
- ❖ Would you consider volunteering your service at the region level? How?

**Application Contract**

- A- Scholarship Contract signed and dated.
- B- The completed application for reimbursement must be electronically submitted ~~NOT~~ ~~thirty (30) days prior to the event.~~ Incomplete applications or those not meeting the deadline will not be considered. **Please submit by: March 31, 2021 by 11:59 pm**
- C- Within 2 weeks applicants will be notified of the Board's decision by the President.

**Verification of Attendance:**

- A. Submit Certificate of attendance within thirty (30) days of the program.
- B. Within 30 days, each scholarship recipient will submit a brief article to the Eyeopener Editor describing one significant thing the recipient learned at the conference and how it will influence the member's practice or leadership.
- C. Failure to comply with any of the criteria for verification of attendance will result in the loss of reimbursement scholarship award.

**SCHOLARSHIP CONTRACT**

Please print clearly, or type.

Question #20

### Additional Information:

ASpan 40<sup>th</sup> National Conference, schedule for April 24 -29, 2021 is completely virtual. Visit [aspan.org](http://aspan.org) for information about the National Conference registration process. For members who are preparing for CPAN or CAPA Certification, a **Pre-Conference Certification Review Course** is schedule for Sunday, April 25<sup>th</sup>, 2021, also a Leadership Post Conference is schedule on Thursday, April 29<sup>th</sup>, 2021.

Attendees has 120 days to complete viewing ASPAN 40<sup>th</sup> National Conference sessions.

Forward TAPAN Scholarships application to: [tapancomponentpresident@gmail.com](mailto:tapancomponentpresident@gmail.com)

By **March 31, 2021 NLT 11:59 pm**

**Scholarship winners will be notified by email by Wednesday, April 14, 2021**

**Respond briefly to any of the two (2) questions listed.**

- ❖ Why do you want to attend ASPAN 40<sup>th</sup> National Conference?
- ❖ What will you do with the knowledge learned at the conference?
- ❖ How do you plan to grow professionally as a perianesthesia nurse?
- ❖ Would you consider volunteering your service at the region level? How?

ASPAN 40th National Conference: April 24 -29, 2021

Scholarship Application

Crystal Robinson, MS, RN, CPAN

*Question*  
*#20*

❖ **Why do you want to attend ASPAN 40th National Conference?**

I have been an ASPAN member since 2014, quickly after I became CPAN certified. I have enjoyed participating in several TAPAN State Conferences. My experiences were overwhelmingly positive every time, including the chance to meet and network with so many enthusiastic, dedicated perianesthesia nurses. Due to unforeseen Covid-19 restrictions, I now have a more accessible opportunity to join the National Conference this year. Unfortunately, taking time off to travel to previous conference locations has not been an option for me due to unit staffing requirements. This conference will be my first National Conference to attend. I am excited to glean from the extensive knowledge of speakers from across the nation. I have always had an interest in learning more from my fellow ASPAN leaders. Taking part in the conference at the national level will expand on the plethora of great information I have received over the years. I am intrigued by the variety of sessions the conference offers and grateful for the extended timeframe to view the complete conference material online at my own pace. I am honored my direct management supports my efforts to attend this conference and recognizes my determination for continued professional growth.

❖ **What will you do with the knowledge learned at the conference?**

I am a life-long learner who graduated with my master's degree in Nursing Education in 2020 despite the COVID-19 shut down challenges. My leaders entrust me to bring back some of the most current and innovative evidence-based practices in perianesthesia care and leadership that can elevate the PACU staff's knowledge and clinical practice and potentially impact the care our patients receive. I plan to take detailed notes and divulge key points from learned materials to the staff during unit-based council meetings, as I have done before attending previous local and state-level ASPAN events. I will also have a chance to present a synopsis of my conference experience to the research and innovative nursing knowledge committee during a shared governance meeting at my workplace, Texas Health Dallas. I am honored to have the chance to contribute to my knowledge and to distribute information to other nurses in the profession, which I so deeply love being a member.

Respond briefly to any of the two (2) questions listed.

- ① ❖ Why do you want to attend ASPAN 40<sup>th</sup> National Conference?
- ② ❖ What will you do with the knowledge learned at the conference?
- ❖ How do you plan to grow professionally as a perianesthesia nurse?
- ❖ Would you consider volunteering your service at the region level? How?

I have always enjoyed the regional meetings and state conferences that I have attended in the past so I imagined that the national conference will double the educational opportunities, fun and camaraderie of members.

The opportunity to attend this year's conference became more possible due to virtual program.

I plan to continue to work and grow as a perianesthesia nurse by implementing the knowledge I gained from the conferences and from reading

Question #20

the ASPAN journal with the skills I acquired from  
unit trainings to provide a safe, comfortable work  
environment to my patients and colleagues.

Thank you,

Faith Dimin:

## Front the Desk of the President....

TAPAN 2021 Scholarship Recipients  
ASPAN 40<sup>th</sup> National Conference  
April 25-29, 2021

*Question*  
#20

### Araceli Flores, MSN, AG-NP, CCRN, CAPA

As an oncology nurse in a PACU setting for the past 10 years, I was beyond delighted to be one of the recipients of TAPAN full Registration Scholarship to attend ASPAN's 40th National Conference. A Virtual Experience, April 25 - 29, 2021. Despite the decades of experience, I command as a senior nurse, I never got this way by remaining stagnant and I refuse to let my knowledge become rigid and stale.

This conference has allowed me to push the boundaries of my knowledge yet again and enabled me to provide better care as a nurse. Just to illustrate, I have encountered dozens if not hundreds of surgical patients in my career with a history of breast / axillary lymph node removal. Critical to this anecdote is the fact that I did not know that the most common global secondary cause of Lymphedema is caused by Filariasis.

Perhaps it is because that as a nurse in the United States, a country with some of the most robust medical infrastructure in the world, this is a situation that is simply not that common to see. In any case, our institution has a very diverse and eclectic group of patients, it is compelling to learn that aside from surgical intervention, there are many other causes of Lymphedema. While attending the session, I first heard of Stemmer's Sign and was absolutely horrified that, to my recollection, I had not performed the assessment even once in my nearly three decades long career as a nurse. An often time looked over aspect of medical care is patient outreach and education. For example, Worldwide Lymphedema Day (3/6) which falls under the Lymphedema Awareness Month of March, should be taken as an opportunity to reinforce teaching patients and family members about complications that can be easily avoided with relevant knowledge. As a nurse, it is essential that we not only continue our own education as we are directly providing care to patients, but to also educate them so that they can provide a certain level of care for themselves that could potentially negate the need for a hospital visit; learning about the lymphoma staging system, which is something that was reviewed in class, could be an excellent teaching moment for patients and their family members.

### Debbie Nicholson, BSN, RN, CAPA

This is the first National Conference I have had the privilege of attending. I found it to be an amazing experience in spite of being online. Already I have viewed and finished many of the webinars and look forward to finishing all of them by August 31, 2021. The ones I have viewed have been topnotch and I am learning many new things and being reminded of many things I already knew but hadn't thought about recently.

The webinar I want to discuss is the one titled Perianesthesia Complications- Are you ready to respond? Even though I primarily work in Preop, I do float to and take call for PACU, so this was of particular interest to me. She gave an excellent overview of many diverse complications which can occur in PACU. She included MI, noncardiogenic pulmonary edema, PONV, anaphylaxis, complications of nerve blocks, emergence delirium, urinary retention, awareness under anesthesia, and stroke to mention a few. She also talked about one I was unfamiliar with called post op blindness. Although this was basically a two-hour lecture format, she held my attention and reminded me of the myriad of complications that can occur at any time in the post-operative arena. Her final caveats included these reminders, a) prepare for the unexpected, b) use common sense and critical thinking skills, c) watch out for zebras, d) know your unit, e) know your resources, and f) tell your story in a clear fashion. This was an encouragement for me to continue to study these issues and be on the lookout for any of these when I am recovering my patients. I am so grateful for all the knowledgeable nurses who are sharing that knowledge and telling their stories for the benefit of us all and ultimately for all of our patients.

  
**Edith Dimiri, BSN, RN**

*Question #20*

I am using this opportunity to express my gratitude for the opportunity given to me through this scholarship to participate during this Year's ASPAN National Conference which was my first national conference. I enjoyed the comradery of the PeriAnesthesia team that organized such a huge and successful meeting, the programs and topics that were presented and the bountiful knowledge of the topic presenters. I can testify that the overall experience was great, and I plan to implement the lessons learned into my practice.

There were many interesting topics presented at the conference, but I am going to focus on the first Topic presented on Tuesday April 27 by Kelley Kelly MSN, RN, CAPA, VA-BC titled: "Just A Little Pinch" Vascular Access for the PeriAnesthesia Nurse. This presenter started with the history of earlier attempts in providing intravenous therapies and when it became widely available. She further provided the importance of having a good vascular access and the need for proper maintenance. The presentation went further than just catheter insertions but dived into different types of catheter, their uses, care, and complications which I am familiar with through my practice as a nurse. I learned also from the presentation that I have Trypanophobia (fear of needles). I did not know that there a word as such.

It was mentioned that about 70%-90% of inpatients need some type of vascular access and that they don't come without complication. Thereby proper care is needed to minimize these complications. Peripheral Intravenous (PIV) is the most placed vascular access in the US every year. Although simple, it can lead to unanticipated extended longer stay in the hospital creating pain and financial burden both to the institution and patients if not properly handled and maintained. This topic went on to reinforce the importance of preventing Central Line-associated Bloodstream Infection (CLABSI). The cost of treatment for such infection for healthcare industries and patient morbidity even loss of life is enormous. I learned that prevention is better than cure when it comes to the use and care of the vascular access and devices. Poor or lack of proper vascular access in the Perianesthesia setting can lead to delay in treatment, delay of surgery start time and lower patient satisfaction.

So, as a Perianesthesia nurse, it is important to put the patient's need and comfort first. Every effort should be made to have someone who is good or better is better skilled to attempt to insert the vascular access to avoid traumatizing the patient. It is important to keep the "no more than two sticks" rule after which another nurse should be brought in. Visualization devices should also be made available and use in the case of patients with poor vein. This topic went on to reinforce the importance of preventing Central Line-associated Bloodstream Infection (CLABSI). The cost of treatment for such infection for healthcare industries and patient morbidity even loss of life is enormous. I learned that prevention is better than cure when it comes to the use and care of the vascular access and devices.

In conclusion, this refresher for me highlighted the necessity of vascular access in the healthcare settings including the PeriAnesthesia settings, the risks and the proper care and maintenance of these devices.

  
**Terri Lytle BSN, RN, CPAN, CAPA, CCAP**

I enjoyed attending the virtual 2021 ASPAN National Conference. Although I could only participate in one day, I am pleased that other sessions from that same day are available on-demand with no additional fee. The caliber of the speakers was excellent. I chose clinical as well as developmental offerings. The clinical will help me in my practice with patient care and being a resource on my unit. I am interested in education, so I gravitated to that selection of presentations.

In "Perianesthesia Complications," I learned what to be on the lookout for in the PACU setting. This talk will enhance my nursing judgment skills and increase positive outcomes. The presentation, "Anesthesia Gases," taught the actions and differences of anesthetic agents. As a result, I better understand what complications could arise and how to mitigate them. I found the presentation on Lymphedema especially interesting. The speaker, Denise O'Brien, added depth to the

topic since she experienced this condition. We care for many patients undergoing breast cancer surgeries. Lymphedema is an area we need to educate our patients since 40% can experience this condition.

The presentation "Bleeding Diathesis" was enlightening. I have a much better understanding of the blood disorders that some patients suffer from and how that affects their surgical encounter. The speaker, Angela Collins-Yoder, was gracious, and even though she is a knowledgeable Ph.D., she admitted we are still learning every day. How true!

"Innovations in Education" was a tremendous developmental offering. I want to implement some of the educational ideas for our staff, including mock PACU emergency drills, scavenger hunts, and increased utilization of evidence-based practice research. I highly recommend attending an ASPAN national conference. My perianesthesia practice and professional growth are both energized. I am grateful for the nursing profession in general and organizations like ASPAN that provide many ongoing resources for our specialty practice.

**Lynette Alcorn BSN, RN, CCRN**

I had the privilege of attending The ASPAN 40<sup>th</sup> National Virtual Conference this year. The conference was power packed! Each Session I was able to attend was so informative. I gain so much knowledge and insight. I must admit I was very torn on which session to attend, I really wanted to attend them ALL. For the first time since being an active member, I was able to basically do just that. The pandemic came in and immediately effected every aspect of healthcare, including how we continue to stay educated and maintain our best practices. Having this virtual national conference was just one of many ways, ASPAN and TAPAN continue to keep our nursing specialty on the cutting edge of technology and education. My last in-person national conference, I had to choose between two concurrent sessions. This year, I attended one virtually but was able to view the other session on demand later that night. It was absolutely awesome! Having 120 days to view the sessions on demand is an added bonus. All of this was possible because I was a recipient of the TAPAN Scholarship to attend the National Conference this year. I am very thankful and grateful to be one of this year's scholarship recipients. This year's National Conference was very empowering and proved to be an amazing virtual experience!

**Elaine K Mueller, RN,BA,CAPA,CPAN,CLNC**

My ASPAN 40th National Conference. April 25-29th, 2021 A Virtual Experience This year's virtual conference with ASPAN was a new experience for us all. I learned from several great presenters about the new and updated ASPAN Standards of care for Perianesthesia nursing. Safe staffing in the PACU referenced the ASPAN standards several times.

The review on capnography versus pulse oximetry. Why capnography is the gold standard in PACU? Knowing when your patient is ready for discharge? Many of these questions are based on our ASPAN standards to use as our guide. There was a very interesting presentation on Maintaining the well-being of our Care providers. How do we build and empower our workforce in 2021? I found the topic on writing CPAN/CAPA exam questions remarkably interesting. My other consideration was becoming a certification coach. It was clear, after reviewing these two topics, that I would have to choose one of the two interests. All of these courses helped me to prepare for the role of a certification coach.

The gold standard of perianesthesia practice and clinical practice were also valuable presentations. The best part of all, I still have 90 more days to attend and learn from the other presenters at the conference. I can do this in the space of my home and at my convenience. Thank you, Texas Association Perianesthesia Nurses organization (TAPAN) for granting me a scholarship to attend this conference. Even though we could not be together physically/professionally, this conference was an excellent alternative way for learning. It was so well organized and had such a variety of topics. I would highly recommend all nurses attend next year's conference. This is valuable learning for our practice of Perianesthesia nursing.

**Kimberly Rosbrook, BSN, RN, CAPA, CPAN**

My experience of participating in the ASPAN's 40<sup>th</sup> National Conference virtually, IS an amazing experience. The advantage of being virtual is allowing me to absorb much more of the material than a LIVE experience. While I missed the exhibits and the poster "hall", the opportunity to keep up with and check up with my team during breaks was very beneficial.

I am still working my way through all the offerings. The many sessions on civility and productive work environments has enforced our team philosophy. I have shared the information with my staff, and we have renewed our commitment to the team culture.

I am the supervisor of PAT, PACU and Day Surgery. Many of my staff are crossed trained to function in at least one of my other departments. Currently, I am working with PACU to understand which of the offering are important to them. On mornings when they have late patients, we are watching the presentations together and discussing them to decide if we should adopt or change any of our current practices.

My plan is to next spend some time with PAT and Day Surgery. This process has turned into a much more valuable experience than I had first imagined. Our hospital just found out we achieved MAGNET certification and my team is very engaged. They are searching through the conference offerings looking for ways to elevate their practice and for their next project!!

I currently have 2 CPAN certified nurses, 1 who just sat for the test and 4 more in PACU studying for the next testing period. I am eager to get them together to review the standards session along with the certification sessions. My 2 CPAN nurses are super excited to sit with me for the certification coach session and start down that pathway.

I have participated in an ASPAN conference in the past. This virtual conference definitely has made a much larger impact on my practice and the practice of my team. Previously, trying to convey what I had learned was somewhat challenging to remember everything and relying on power point handouts. Also, I feel the opportunity to not have to choose attendance at one session over another is incredible.

I am very thankful and appreciative of the opportunity to participate this year!!

**Jency Joseph BSN, RN, CAPA, CCRN**

This was my very first virtual conference, even though I had many doubts about this, I was able to navigate the system and enjoy it. I would like to thank and congratulate the ASPAN conference coordinators for their clear guidelines and user-friendly system. Originally, I was planning on attending the conference in person, COVID changed the plans. But I am happy that I was able to attend it virtually and is very grateful that the presentations are available for 120 days as it gives me flexibility to attend it on my own time. During the virtual conference I was able to attend some of the presentations in real time, I was also able to view most of the posters presented. There were many inspiring learning sessions with lot of amazing insights and information from the speakers. Without a doubt I can say it was an eyeopener and helped me in my professional and personal development.

There were many topics that is of interest to me that was presented in the conference. One topic that I wanted to mention and that I plan on sharing and improve on some practice change in my work place is the presentation by Jan Odom-Forren and Joni M Brady on "Recommendations for Opioid use in acute surgical pain management". I am a Preop/PACU nurse for 3 years now, my prior experience was in cardiac surgical ICU for 17 years. All these years I was involved in pain education and pain management. We are very diligent in educating about pain management, but I agree with the speakers that the knowledge and education provided on safe use, storage and disposal of opioids is very minimal. This presentation was informative, and the patient resources are very useful, and I am going to be sharing this with my department hoping to make some changes in our patient education. This gives us a great opportunity in improving our knowledge in regards to opioid usage in post-surgical pain management and also to promote patient education in regards to safe use, storage, and disposal of opioids.

Some other topics that I found relevant and useful in my practice are 'Your tackle box to tackle blocks', 'Avoiding Anesthesia Related Complications: Knowing Anesthesia Agents', 'Clinical Practice: All your questions answered'. I still have many more interesting topics to review, and I cannot wait to share what I learned from ASPAN conference with my team members. The conference also helped me to understand the many benefits of being an ASPAN/TAPAN member. I am planning on being an active member of ASPAN/TAPAN and continue with the educational opportunities.

**Crystal Robinson MS, BSN, CPAN**

I am thrilled to have an opportunity to share my experience attending ASPAN's 40<sup>th</sup> National Conference 2021, Virtually. This was my first national conference to attend. I was very impressed by the seamless flow from session to session and availability to view all the research posters and exhibit hall offerings at my own pace. Although I was the only representative from my unit to participate this year, my management team awarded me the time off to have the most realistic experience possible. I viewed the zoom meeting before the conference held by ASPAN leadership to help me prepare. I went through the brochure and highlighted the live sessions I wished to join. I grabbed my coffee and computer and logged in, and that was that. I found the overall excitement and dedication to the perianesthesia workforce was encouraging. The speakers did a fantastic job and having a chance to ask them questions via chat during each live session was helpful. I appreciate the potential to grow as an individual and look forward to sharing a wealth of information with my colleagues who could not attend.

One of the overarching themes that I found highly significant was the power of collaboration. From the opening address about noteworthy points of positive leadership to the closing address incorporating humor to increase connections and teamwork, our success as an organization and profession relies on working well together. Many of the sessions provided me with increased self-awareness, knowledge of improved clinical practices and strengthened my ability to intervene quickly in the future. However, I realize most circumstances I face without effective communication and teamwork could be very overwhelming to decipher alone. The perianesthesia field encompasses poignant moments where interactions across disciplines are necessary for safety, efficiency, and improving patient outcomes.

I was highly impressed by multiple facilities' collaborative efforts to build meaningful partnerships with academic institutions that incorporate clinical immersion programs for students in perianesthesia/perioperative nursing. The conceptualization, planning, buy-in of stakeholders, and execution of such programs are massive. More opportunities and efforts to attract future nurses to the perianesthesia workforce are necessary for balancing expected employment transitions. Also, I applaud the steps discussed to establish a successful orientation program for novice perianesthesia nurses. It takes a group effort to build more substantial, well-equipped staff prepared to adjust to the fluidity involved in perianesthesia care.

I understand how imperative increased knowledge is to elicit changes that improve individual and collaborative nursing care. As perianesthesia nursing continues to adapt, such as during the circumstances surrounding the Covid-19 pandemic, I am more trusting and empowered by the ASPAN organization, its leadership, members, and constituents. I recognize the effort and innovation involved in promoting the well-being of perianesthesia teams. The conference offered sessions that reinforced my current knowledge and highlighted areas where I am less familiar. I am inspired to remain involved and can now visualize opportunities to work with perianesthesia nurses in my local region and across the nation who share similar interests and passion for growth. I will take advantage and encourage my team to utilize the vast resources available via the ASPAN website, such as valuable tools when conducting research or evidence-based practice projects.

I am very grateful for being one of the chosen Texas Association of PeriAnesthesia Nurses (TAPAN) conference scholarship recipients. Thank you, TAPAN President and Executive Board Members. I desire to continue my lifelong learner pursuit as a proud Certified PeriAnesthesia Nurse and future educator!

# ASPAN

American Society of PeriAnesthesia Nurses

May 12, 2021

Question  
# 22

TO: TAPAN Component Members

RE: A Gift to ASPAN Has Been Made in Your Honor

Dear TAPAN,

I am pleased to inform you that a contribution was recently made in your name to the American Society of PeriAnesthesia Nurses (ASPAN). Specifically, the gift was a part of our Hail, Honor, Salute! campaign, which is designed to recognize people who go the extra mile and make a difference in the lives of others.

The enclosed certificate signifies that you are a special person within the perianesthesia nursing community, and particularly to Felicia Selman, who made the gift in your honor. With its inscription, the certificate states, in the donor's words, why you are being so honored, and indicates that you are a part of *their* success as well.

In addition to recognizing your valuable work, the generous contribution helps ensure the continuation of many vital ASPAN initiatives, including providing members with the latest in perianesthesia education, research, standards, advocacy, as well as scholarships and awards.

On behalf of the American Society of PeriAnesthesia Nurses, it is my pleasure to acknowledge and thank you for your efforts.

Sincerely,

R. Douglas Hanisch  
Marketing and Communications Manager

Questions  
#22

An update from the West Texas and Panhandle Region as of November 2021. We held a board meeting on September 19<sup>th</sup>, with a few things to discuss. This meeting followed a grossly under-attended member meeting. Our next meeting is to be held on December 5<sup>th</sup>, 2021.

Our treasurer has finished school and will be testing soon, if she hasn't already, for her master's degree. The wesTpan Vice President was nominated for being one of the Permian Basin's Great 25 nurses, congratulations to Jessica Herrera!

We had decided to donate \$100 to the ASPAN 40 and Beyond program since the President's Dinner was not held this year for the Virtual TAPAN State Conference. This year's end community service projects will include Paws for Celebration (to collect pet supplies for homeless pets in the area) in Midland and Mission Thanksgiving in Abilene (collecting coats and blankets for those in need). The last information provided to the board of wesTpan, we had 82 members (in June) and 24 folks who are friends on the facebook page. ✱

We had discussed the banking issues over several months regarding signing to include state level board members and were glad to hear that it had been finalized to the best of our knowledge. It was further mentioned that this process will occur every 2 years as board members change and signers on the account need updating. Also in financial news, we have a scholarship worksheet on our website for our region members who would like to attend conferences or seminars, and remind members often of this opportunity. The next board meeting will address the scholarship worksheet to include other items to encourage member involvement, details to come.

We are looking forward to PANAW and the ASPAN National Conference next year. We are also hoping that fellow nurses and healthcare personnel nationwide continue to hang in there while the nation deals with COVID and mandates and everything else that comes our way. God Bless!

Respectfully submitted,

KTollett, wesTpan secretary

**North and East Texas Region:**

The region continue to be busy between planning for their summer seminar for the month of August to giving back to the community! North and East Region donated \$500.00 to The North Texas Food Bank in the month of May to help in the fight against hunger, especially during the Pandemic. The month of June 19<sup>th</sup> 2021, at the first in-person meeting, the team collected empty medication bottles for Matthew 25 Ministries as a service project for the ministry. Another Community project was held on Saturday, July 17, 2021, at the Frisco, North Texas Reach. The nurses sort and size more than 100 pairs of shoes and sorted several loads of clothes.

For more information on activities visit the region website: [www.netapannursingnetwork.com](http://www.netapannursingnetwork.com)

**Lynette Alcorn, BSN, RN, CCRN - President**

Frisco Reach Out, formed in 2009, looks to the Frisco community for support as its volunteers collect donated items, ranging from school supplies to toys, and gives them away to children and families in need.

Question #27

**Texas Association of Perianesthesia Nurses**

May 28, 2021

Ms. Melissa Raydon  
North Texas Food Bank  
3077 Maple Shade Lane  
Plano, TX 75075

On behalf of the North & East Texas Association of Perianesthesia Nurses Region (NE TAPAN Region), I would like to thank you, Ms. Raydon, for allowing us to assist the North Texas Food Bank in the fight against hunger. During this pandemic, the work you all have done has not gone unnoticed. We appreciate your willingness to assist in the fight, even in the smallest matters. As nurses, our desire is to help you and are willing to assist in the fight and various healthcare settings. Please accept the enclosed check for \$500.00. We are excited to know other future volunteer opportunities as well. We truly appreciate speaking with you regarding this donation and the difference it has made for so many families. Thank you for making a difference in the lives of so many families.

Sincerely,

Lynette Alcorn, BSN, RN, CCRN  
NE TAPAN President 2019-2021

RECEIPT

July 1, 2021

Food Association of Perianesthesia Nurses  
Attn: Lynette Alcorn, BSN, RN, CCRN  
69 Crown Pt  
Richardson, TX 75080-1023

Dear Friends of the Food Bank,

Thank you for helping us fight hunger and heal our communities.

More than a year into the COVID-19 pandemic and the resulting economic fallout, we continue to have increased need for hunger relief services in North Texas. Your generosity is expanding critical access to nutritious food for individuals, families, and seniors who rely on our mobile pantry distributions.

The pandemic has been especially difficult for our senior citizen neighbors, who face higher medical risks from COVID-19 and other challenges that make access to nutritious food complicated. As a diabetic, I can attest to the challenges seniors face in accessing food. Your support is making a difference in the lives of our most vulnerable citizens.

Thank you for your donation to the North Texas Food Bank in the amount of \$500.00, received on June 28, 2021, which helps neighbors like Sylvia safely obtain food at our socially-distanced mobile distributions and get the nourishment that is vital for helping North Texas recover from these uncertain times.

Together, we are rebuilding our communities still impacted by the COVID-19 crisis, the devastating winter storms, and the year-round hunger issues that persist in North Texas. Your commitment to the North Texas Food Bank is propelling us forward to achieve our vision of a hunger-free North Texas, and we are deeply grateful for your support. Please allow this letter to serve as your receipt for tax purposes.

Thank you,

Sylvia Cunningham  
President & CEO

3. If your company has a matching gift program, remember to let them know of your recent gift to the Food Bank.

### Texas Association of Perianesthesia Nurses

June 19, 2021

Ms. Caitlyn Blanton  
Matthew 25 Ministries  
11060 Kenwood Road  
Blue Ash, OH 45242

On Behalf of the North and East Region of the Texas Association of Perianesthesia Nurses (TAPAN), we would like to donate these empty pill bottles to assist you in helping to improve the health care quality in developing nations. We applaud the great work your ministry does to impact other nations. As nurses, we care for patients in hospitals and various health care settings who are fortunate to have prescription bottles for medications. Our hope is that all individuals who are prescribed medications receive this same treatment. So please, accept this donation as we continue to make a difference in the lives of others around the world.

Sincerely,

Lynette Alcorn, BSN, RN, CCRN  
NE TAPAN President 2019-2021

Questions

Question  
\*  
27

An update from the West Texas and Panhandle Region as of November 2021. We held a board meeting on September 19<sup>th</sup>, with a few things to discuss. This meeting followed a grossly under-attended member meeting. Our next meeting is to be held on December 5<sup>th</sup>, 2021.

Our treasurer has finished school and will be testing soon, if she hasn't already, for her master's degree. The wesTpan Vice President was nominated for being one of the Permian Basin's Great 25 nurses, congratulations to Jessica Herrera!

We had decided to donate \$100 to the ASPAN 40 and Beyond program since the President's Dinner was not held this year for the Virtual TAPAN State Conference. This year's end community service projects will include Paws for Celebration (to collect pet supplies for homeless pets in the area) in Midland and Mission Thanksgiving in Abilene (collecting coats and blankets for those in need). The last information provided to the board of wesTpan, we had 82 members (in June) and 24 folks who are friends on the facebook page.

We had discussed the banking issues over several months regarding signing to include state level board members and were glad to hear that it had been finalized to the best of our knowledge. It was further mentioned that this process will occur every 2 years as board members change and signers on the account need updating. Also in financial news, we have a scholarship worksheet on our website for our region members who would like to attend conferences or seminars, and remind members often of this opportunity. The next board meeting will address the scholarship worksheet to include other items to encourage member involvement, details to come.

We are looking forward to PANAW and the ASPAN National Conference next year. We are also hoping that fellow nurses and healthcare personnel nationwide continue to hang in there while the nation deals with COVID and mandates and everything else that comes our way. God Bless!

Respectfully submitted,

STATE OF TEXAS  
OFFICE OF THE GOVERNOR

As our state continues to grow and thrive, Texas' health care needs continue to develop. Across the state, the wide range of quality care provided by perianesthesia nurses, who engage with patients in all aspects of preanesthesia and postanesthesia care, ambulatory surgery, and pain management, does much to meet the varied and increased needs of Texans.

Perianesthesia nurses are a critical asset to the quality health care and safety of patients in hospitals and ambulatory surgery settings throughout the Lone Star State. As medicine advances, enabling Texans to live longer lives, the demand for home health care services continues to increase. As our health care system adapts to these changes, the services and care provided by perianesthesia nurses will remain a crucial part of our health care system. It is certain that the demand for their unique skills and talents will remain significant in Texas, and their contributions will help the people of Texas continue to live, work, and raise healthy and happy families.

At this time, I encourage all Texans to learn more about the contributions of registered perianesthesia nurses, whose expertise improves the safety and quality of patient care in Texas. As Texas continues to respond to the challenges brought on by the novel coronavirus (COVID-19) pandemic, perianesthesia nurses, like all health care professionals, have risen to meet these challenges with compassion and commitment.

Therefore, I, Greg Abbott, Governor of Texas, do hereby proclaim  
February 1-7, 2021, to be

## Perianesthesia Nurse Awareness Week

in Texas, and urge the appropriate  
recognition whereof.

In official recognition whereof,  
I hereby proclaim this the

## Texas Association of PeriAnesthesia Nurses

The unique role of nurses in the healthcare industry allowed the public, year after year to consider nurses as the most trusted profession in America.

The Texas Association of Perianesthesia Nurses Executive Board extends our appreciation and celebrates with every nurse this honorable distinction. Additionally, we acknowledge, and commend nurses practicing in all phases of preanesthesia, postanesthesia care, ambulatory surgery, and pain management.

PeriAnesthesia nurses provide a wide range of quality care in our daily interaction with patients, their family, and the multidisciplinary team. During this challenging year, it would have been easy to become discouraged and step away when our expertise, knowledge, and strength were put to the test.

Many perianesthesia nurses were called to work in areas we may have not worked in years, caring for patients who are still suffering the effects of COVID-19. While others continue to cover the surgical units and centers, providing care, and educating patients, families, and caregivers.

For that we are grateful and sincerely appreciate the continuous dedication and commitment to perianesthesia nursing, let us keep up the excellent work. ASPAN/TAPAN honors your choice and committed membership to this wonderful specialty.

*PeriAnesthesia Nurses: Compassionate, Caring, Committed*

Happy PeriAnesthesia Nurse Awareness Week (PANAW) February 1-7, 2021.

With best wishes,

Felicia Selman, MSN RN CAPA

*Question*  
*#28*

Happy **PANAW**

Let's here from our exceptional PeriAnesthesia Nurses in all capacity: Clinical Nurse, Education, Leadership and Management. Write a brief sentence to answer the following...

*What does it mean to be a Perianesthesia Nurse and how your membership in (ASPAN/TAPAN) benefits you?*

Post your response in the comments, then email your name and region to my Gmail. This is opens during PANAW week-long celebration and closes on February 7<sup>th</sup>, 2021 @ 11:59

A name will be randomly selected from each region to receive a recently published:

**ASPAN 2021-2022 Perianesthesia Nursing Standards, Practice Recommendations, and Interpretive Statements**

The selected perianesthesia nurses' responses will be published in our component newsletter, Eyeopener.

Thanks, looking forward to your inputs!

Warm regards,

Celebrating PANAW  
tapancomponentpresident@gmail.com

**PANAW February 1 -7, 2021 Contest Writing in response to the question!**

**What it means to be a PeriAnesthesia Nurse and how membership in the Nursing Specialty organization is of benefit? Winners received a newly printed: 2021-2022 Perianesthesia Nursing Standards, Practice Recommendations, and Interpretive Statements book**

**I am a Perianesthesia Educator. What is your specialty?**

**By: *Hazzel Gomez MSN BSN RN CPAN CAPA***

The rise of multiple specializations in the ever-evolving world of healthcare has allowed nurses to concentrate on a particular area of specialty by either gaining further experience or obtaining certification. Perianesthesia nursing is a fascinating and incredible specialty. It is one of the few nursing specialties that can be found in various settings; whether it is hospital setting, surgery center or GI/Pain clinic, perianesthesia nurses have the opportunity to provide excellent holistic Preanesthesia and Post anesthesia nursing care to vulnerable surgical patients. It is all the more rewarding to be a perianesthesia educator. Every moment spent with perianesthesia staff is a constant reminder of a beautiful specialty we chose to belong. Demanding and grueling at times but being a perianesthesia educator is one mighty glue that unites all perianesthesia staff to flourish as one community. Salute to all the dedicated perianesthesia educators! How much more invigorating it can be than to be empowered by esteemed ASPAN and its component, TAPAN? Nursing for a fact, is a life-long learning. Both ASPAN and TAPAN are instrumental in the professional growth of every perianesthesia nurse. They pave the way for the experts in the specialty to be more accessible by members through conferences, seminars, and other educational opportunities. All praise to the wonderful leaders behind ASPAN and TAPAN! I am Hazzel Gomez, and I am a perianesthesia educator. What is your specialty?

\*\*\*\*\*

**By: *Jean Bohse Cooper, RN, CAPA***

I love working in the Perianesthesia environment. I feel I make a difference in helping my patients to navigate through fear of the unknown by preparing them for each next step in the process. I love educating them and giving them tools on how to cope with recovery for the first few days. Encouragement through education!

We educate ourselves through ASPAN so we can educate our patients! One of the best career choices I ever made was getting the Board Certification. I learned so much and it reinforced things I already knew/was practicing and confirmed that my care was sound by the recommendations and standards set by ASPAN

## Governmental Affair

Question  
#29

### Are you Inspired by Advocacy?

As a member of the ASPAN Governmental Affairs committee, I have come to realize the importance of being involved in advocacy. Yes, there is a strategic work team of perianesthesia nurses who meet, discuss, and exchange ideas about nursing advocacy! Why not? We advocate daily for our patients. We can go a step further by embracing current political affairs and increasing our knowledge of political guidelines. Go to the ASPAN website and explore advocacy. You will not be disappointed. We have a voice! Take steps to increase your knowledge in the legislative process! It is inspiring.

Deborah Davis BSN RN CPAN  
TAPAN Immediate Past President 2019-2021

### **TAPAN Nurses attended 2021 Nurses Day at the Capitol**

Deborah Davis, Felicia Selman, Lynette Alcorn, and Louise Meymand attended the virtual "Nurses Day at the Capitol". TAPAN welcome **Louise** back from her tour of duty, she stated this was her 1<sup>st</sup> time to attend and felt it was a great introduction to ANA's Governmental Affairs.

**Lynette stated:** "On February 8<sup>th</sup>, I had the awesome opportunity to attend the 2021 Virtual Nurses Day at the Capitol. This was my first year to attend, and I learned so much! There was open dialogue from our state representatives regarding some nursing issues and legislation which are being addressed with our state law makers this session that will directly impact nurses. I was also overjoyed to learn, for the first time in history, a nurse was named the Chair of the Public Health Committee. I left this session feeling empowered with a strong sense of encouragement to stay actively involved on a local level so that the voices of nurses will remain unsilenced."

Lynette Alcorn BSN, RN, CCRN  
TAPAN North & East President

## *Governmental Affair*

### 2021 Nursing Advocacy Important Legislation in the 87th Texas Legislature

The 87th Texas Legislature concluded May 31 Texas nurses targeted several health care issues during the session, such as: removing barriers to APRN practice, funding nursing education, ensuring nurses can access benefits when off work due to COVID exposure, preventing workplace violence against nurses. These were some of the bills addressed on the agenda. While several of the bills didn't make it, several other bills where move further along than they've ever made it before.

To remained informed of policies that will advance health for Texans, visit TNA's website for more on up-to-date Government Affairs Committee information. TNA and NLAC is always searching for nurses to use there voiced and expertise to helping Texas nurses get involved in grassroots advocacy efforts across the state, which will keep nurses updated on the special session, upcoming state campaigns and the 88th Texas Legislature. <https://www.texasnurses.org/page/ActionCenter>

### Are you Inspired by Advocacy?

Go to the ASPAN website and explore advocacy. You will not be disappointed. We have a voice! Take steps to increase your knowledge in the legislative process! It is inspiring.

# The Effect of Music Listening on Pain in Adults Undergoing Colonoscopy: A Systematic Review and Meta-Analysis

Setor K. Sorkpor, MPH, MSN, RN <sup>a,\*</sup>, Constance M. Johnson, PhD, MS, RN <sup>a</sup>,  
Diane M. Santa Maria, DrPH, MSN, RN <sup>a</sup>, Hongyu Miao, PhD <sup>b</sup>,  
Carolyn Moore, PhD, MT-BC <sup>c</sup>, Hyochol Ahn, PhD, MSN, RN <sup>a</sup>

<sup>a</sup> Cizik School of Nursing, University of Texas Health Science Center Houston, Houston, TX

<sup>b</sup> Department of Biostatistics and Data Science, School of Public Health, The University of Texas Health Science Center at Houston, Houston, TX

<sup>c</sup> School of Music, Sam Houston State University, Huntsville, TX

## ABSTRACT

**Keywords:**  
music  
pain  
colonoscopy  
music-induced analgesia

**Purpose:** To investigate the role of music listening in reducing pain in adults undergoing colonoscopy.  
**Design:** This is a systematic review and meta-analysis of randomized control trials (RCTs) that evaluated the effect of music in reducing pain in adults undergoing colonoscopy.  
**Methods:** We searched CINAHL, Embase, MEDLINE, PsycINFO, and PubMed for RCTs that reported on the effects of music listening in reducing pain in adult patients undergoing colonoscopy from database inception to March 15, 2020, when the search was completed. Studies published in English with adult participants testing the efficacy of music during colonoscopy were eligible for inclusion. Studies reporting the results of combined nonpharmacological interventions were excluded. The methodological quality of each included RCT was assessed using the Cochrane Collaboration tool for assessing the risk of bias. Two authors independently abstracted data and assessed risks of bias.  
**Findings:** Seven RCTs with a total of 622 adult participants fulfilled our inclusion criteria and were, therefore, included. A random-effects model estimated the summary effect of the 7 included studies as  $-1.83 \pm 0.98$ ,  $P = 0.06$ .  
**Conclusions:** Although our meta-analysis demonstrated a small treatment effect, this effect was clinically not statistically significant. Substantial heterogeneity among the included trials limits the certainty of our findings. Additional trials investigating the effects of listening to music on pain in adults undergoing colonoscopy are needed to generate further evidence to establish the analgesic effect of music in adults undergoing colonoscopy.

Colonoscopy is one of the accepted screening methods for colorectal cancer,<sup>1</sup> a major public health problem. Colorectal cancer is the third most common cancer diagnosis in the United States<sup>2</sup> with a high incidence among adults between the ages of 65 and 75 years.<sup>3</sup> Although the incidence and mortality rates of colorectal cancer have been declining in the United States,<sup>4,5</sup> over 147,000 new cases with approximately 53,000 deaths are projected to occur in the year 2020.<sup>6</sup> Thus, a relentless effort toward increasing

screening rates remains of utmost importance. For this reason, the U.S. Preventive Services Task Force recommends screening for colorectal cancer in adults starting at the age of 50 years and continuing until the age of 75 years.<sup>1</sup>

Colonoscopy is one of the safest and most effective recommended screening methods for visualizing the colon and rectum to examine for irregularities that may be indicative of colorectal cancer in at-risk people.<sup>7–9</sup> However, colonoscopy is associated with pain, anxiety, and discomfort, which deter many at-risk persons from getting screened.<sup>10,11</sup> The pain is usually caused by the stretching of the mesentery as a result of looping the colonoscope during insertion through the sigmoid colon.<sup>12,13</sup> Although sedatives and analgesics are often used to counter the pain and discomfort, their use presents an increased risk of procedure-related complications, especially in those of advanced age and the medically

Dear Felicia,

The review of your application #2949 for ASPAN program approval has been completed. Your program **TAPAN UGCR: Stellar Practices at the Bedside: Expanding Evidence-Based Clinical Integration** being held November 6, 2021 has been approved for 1.5 contact hours with the submission within 30 days of your offering of the materials identified below. (This information must be typed and provided in an electronic format. Email the materials to Eileen Zeiger in the National Office, [ezeiger@aspan.org](mailto:ezeiger@aspan.org).)

- Number of attendees
- List of names and addresses of attendees
- **Email address for each attendee**
- List of number of contact hours awarded to each attendee
- Evaluation summary analysis
- Copy of completed Certificate
- Copy of Outcome Measurement Tool
- Summary of Results of Outcome Measurement

The following paragraph should appear on the certificate of attendance issued to each participant:

**This nursing continuing professional development activity was approved by the American Society of PeriAnesthesia Nurses (ASPAN), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.**

**Registered Nurse participants can receive up to a maximum of 1.5 contact hours for this activity.**

The approval is granted for a two-year period. This program may be repeated within this period, pending no changes are made. The only requirement is that you notify the ASPAN office of the dates of the repeated offerings and submit the material identified above.

The following ABPANC categories have been identified for the offering:

Session Title	# of Hours	ABPANC Category
Stellar Practices at the Bedside: Expanding Evidence-Based Clinical Integration	1.5	IC

Contact Hour certificates of attendance should reflect the total number of Contact Hours in each category for those sessions attended. If you have any questions, please feel free to contact me at [helen.kane@jefferson.edu](mailto:helen.kane@jefferson.edu).

Sincerely,

Lynn Kane MSN MBA RN CCRN
