

LEGACY *for* LIFE

At its 2013 National Conference in Chicago, Illinois, the American Society of PeriAnesthesia Nurses (ASPAN) introduced a new lifetime giving program. The program is open to all individuals and components to foster ongoing support for the preservation and advancement of the Society. Specific gifts to ASPAN beginning April, 2013, are all automatically credited toward this program. Individuals who reach the momentous level of \$5,000 of support—and components that reach \$10,000 of support—are then officially named and introduced as members of the Legacy for Life program.

In addition to making a significant, lasting impact upon ASPAN and its vital mission, benefits of membership are extensive and include:

- > Formal installation at a ceremony during National Conference, including presentation of the Legacy for Life medallion
- > Annual recognition in the National Conference syllabus
- > Inscription of your name on a plaque displayed prominently in the National Office
- > Complimentary lifetime membership to ASPAN (for individuals)
