

I would like to take this time to thank you and everyone involved with helping get to the National Convention in Orlando this year with the help of a scholarship. I had a great time and truly enjoyed the program. It was really nice seeing all the familiar faces. The exhibits were nice, I didn't win anything, but that was okay. I got lots of little samples to bring back to work with me.

It is so refreshing to attend Nationals. It's like a "booster shot" of enthusiasm after getting to attend the classes. I feel really emotional at the opening and closing ceremonies.

I would not have been able to be at Nationals this year if it hadn't been for your help. With the cut backs at my hospital, and I'm sure other facilities as well, I would have had to foot the whole bill on my own. I talked with several nurses that paid their own way, and suggested they apply for the scholarship.

Again I thank you from the bottom of my heart for helping me. It meant so much to me to attend this year.

Sincerely,

Lynn Riley R.N., CPAN
